 The method that's helped thousands in the U.S. and Japan learn Japanese successfully. The Japanese language has two primary writing systems, kanji characters--which are based on Chinese characters and hiragana and katakana--a mnemonics based alphabet. This handy book teaches you a new mnemonics-based method to read and write the 430 highest-frequency kanji characters. Along with its sister book: Japanese Hiragana and Katakana for Beginners it provides a complete introduction to written Japanese. Japanese Kanji for Beginners contains everything you need to learn the kanji characters required for the Advanced Placement Japanese

Language and Culture Exam. It is designed for use by high school or college students as well as independent learners. The kanji learned in this book closely adhere to those introduced in every major Japanese language textbook. Key features of Japanese Kanji for Beginners include: The 430 highest-frequency kanji characters 44 simple, easy-to-follow lessons Concise information on kanji elements, readings and pronunciations Extensive exercises, drills, and writing practice Downloadable content with printable flash cards, practice quizzes and extra exercises The Extensive downloadable content contains a set of printable kanji flash cards to assist learners in reviewing and memorizing the kanji in the book. It also provides sample vocabulary quizzes in a

multiple-choice format similar to those in the AP exam, as well as additional exercises that further reinforce the newly learned kanji.

REVISED AND UPDATED WITH NEW MATERIAL ON AFTER DARK AND MURAKAMI'S FORTHCOMING WORKSAs a young man, Haruki Murakami played records and mixed drinks at his Tokyo Jazz club, Peter Cat, then wrote at the kitchen table until the sun came up. He loves

Elementary Japanese Tuttle Publishing
This is a comprehensive, self-study workbook for learning Japanese characters. Mastering Japanese Kanji can help you greatly reduce the time and effort involved in learning to read Japanese and write Japanese. It does so

by introducing a method that is both effective and easy to use in memorizing the meanings and pronunciations of Kanji--the array of characters that are used in the Japanese language to symbolize everything from abstract ideas to concrete nouns. Learning any of the kanji is a two-step process, requiring that you remember both the visual aspect of a character (so you can recognize it when you see it) and the aural aspect (so you will know how to say and, thus, read it). The method employed by Mastering Japanese Kanji will show you how to tackle both of these aspects from the outset, and by so doing enable you to immediately get down to the practical (and fun!) business of recognizing and reading kanji on everything from street signs to

newspapers. By the time you finish this book, in fact, you will be able to boast of a Japanese vocabulary numbering in the thousands of words. Key features: Downloadable audio helps to reinforce the written material Teaches the 200 most common kanji and the hundreds of compounds that use include them. Unique, specially-designed drawings and entertaining stories help you learn more quickly. Sample sentences, along with common words and compounds, expand your vocabulary by showing each kanji used in context. Stroke-order diagrams show the correct way to write each chapter. Chapter and cumulative review exercises help ensure master of what you've learned. Complete indexes show Japanese readings and English meanings for all Kanji. Contents of the

downloadable audio: Stroke order animations for all 200 kanji characters. Native speaker audio recordings of all: Kanji characters. Common words and compounds. Sample sentences.

All About Particles John Wiley & Sons
The years in Japan between June 1924, when a coalition cabinet of three political parties was established, and December 1941, when the country declared war on the United States and Britain, was characterized first by nearly a decade of domestic and international cooperation- and then a period of oppressive militarism. Kitaoka Shinichi captures the essence of these years in Japan's political history, stressing not only the discontinuities, but also the connections, between the two periods. Kitaoka pays particular attention to the interaction of

domestic and foreign affairs. He equally explores the conflicts between political parties and the military-as well as those among internal factions in both spheres. Connecting political issues to economic and social developments, his book serves as a comprehensive history of the period, a history that, in his words, "exemplifies the horrific damage that can result when a modern nation-state goes off course."

A Guide to Japanese Grammar

Yesjapan Corporation

This is an invaluable study guide and practice book for learning basic Japanese

kanji. Learning Japanese Kanji Practice Book is intended for beginning students or experienced speakers who need to practice their written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise written Japanese. This book presents the kanji characters that are most commonly used. All the kanji and related vocabulary words in this book are those that students are expected to know for Level 5 of the Japanese Language Proficiency Test. (JLPT). Characters that appear in the AP Japanese Language and Culture Exam are flagged. Readings, meanings, and common compounds are presented. The correct method of writing each character is clearly indicated, and practice boxes with strokes that can be

traced are provided, along with empty boxes for freehand writing practice. Lots of exercises are included to give students the opportunity to practice writing sentences containing the Kanji. Indexes at the back allow you to look up the characters by their readings and English meanings. This kanji book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to practice writing characters. Extra printable practice grids Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.

Essential Japanese Tuttle Publishing
 "Fates intentions are never clear ... After months of swapping bodies with Mitsuha, Taki remains suddenly fixed in his own. Unable to shake the lingering

impressions of a remote town he's never been to and a girl he's never seen, Taki sets off to find Mitsuha's village in the mountains. With only a few landscape sketches drawn from memory to guide his search, Taki's goal seems impossible. However, his journey leads him to a reality more impossible than anything he could have imagined ..."--Page 4 of cover.

Word by Word Picture Dictionary Flatiron Books

A powerful new play by the author of *Jabber* and *The In-Between*, with a text exploring social issues, interclass dialogue, and the possibility of communal improvement Award-winning playwright Marcus Youssef takes his readers to the future with his riveting new play *Do You Mind If I Sit Here?*

Thirty years from now, three social planners visit Vancouver's Russian Hall, long abandoned due to earthquakes and flooding, with a seemingly straightforward task: repurpose the hall for common use. But the trio soon discover the project won't be as easy as they'd thought. An eccentric squatter has made the damaged hall his home, and he not only possesses a trove of Soviet industrial films on 16-mm stock but also refuses to leave. *Do You Mind If I Sit Here?* is a witty theatrical allegory about the possibilities of radical transformation, in which Youssef dares us to imagine a future borne from our most important beliefs, fears, and hope. [Amazon](#) [2500](#) John Benjamins Publishing Company This book contains the basics of

grammar in an illustrated book. It contains: - Illustrations - Examples - Exercises It is designed to help a child or foreign language student learn grammar on a step-by-step basis. This grammar book is unique in that every concept is illustrated with plenty of examples showing the uses of the various elements of grammar. "The Basics of Grammar uses understanding, not memorization. Anything a child or student fully understands becomes part of his working knowledge and does not need to be memorized." - William Tucker The Basics of Grammar was compiled while working with children, observing when they ran into difficulties, and then adjusting the materials as needed so that any child could successfully understand this subject. Do not worry if

you struggle with grammar yourself. You will find The Basics of Grammar easy to use. Feedback from many parents indicates that they sort out some of their own confusions on grammar while using the materials, and wish they had had this illustrated book when they originally learned the subject in school.

Haruki Murakami and the Music of Words LONGMAN

The international phenomenon that has sold more than two million copies, If Cats Disappeared from the World--now a Japanese film--is a heartwarming, funny, and profound meditation on the meaning of life. This timeless tale from Genki Kawamura (producer of the Japanese blockbuster animated movie Your Name) is a moving story of loss and reconciliation, and of one man's journey

to discover what really matters most in life. The young postman's days are numbered. Estranged from his family and living alone with only his cat, Cabbage, to keep him company, he was unprepared for the doctor's diagnosis that he has only months to live. But before he can tackle his bucket list, the devil shows up to make him an offer: In exchange for making one thing in the world disappear, the postman will be granted one extra day of life. And so begins a very strange week that brings the young postman and his beloved cat to the brink of existence. With each object that disappears, the postman reflects on the life he's lived, his joys and regrets, and the people he's loved and lost.

Learn Japanese: Must-Know Japanese

Slang Words & Phrases University of Hawaii Press

V. 1. A complete course on how not to forget the meaning and writing of Japanese characters.

An Introduction to Japanese - Syntax, Grammar & Language ASK

The Japanese-Language Proficiency Test (日本語能力試験 Nihongo Nōryoku Shiken), or JLPT, is a standardized criterion-referenced test to evaluate and certify Japanese language proficiency for non-native speakers, covering language knowledge, reading ability, and listening ability. You can register for any level you wish. To pass the N5, you will need to know about 100 kanji vocabulary words. To pass the N4, you will need to know about 300 kanji words. The fastest way to learn the kanji is to use this kanji study

tools. Not only that, but you also need to be sure to use them in a very particular manner. These Flashcards will keep you from forgetting what you learn.

Remembering the Kanji 1 Innovative Language Learning

My guide to Japanese grammar has been helping people learn Japanese as it's really spoken in Japan for many years. If you find yourself frustrated that you can't understand Japanese movies or books despite having taken Japanese classes, then this book is for you. It will help you finally understand those pesky particles and break down grammatical concepts that will allow you to comprehend anything from simple to very complex sentences. You will also learn Japanese that's spoken by real people including casual speech patterns

and slang, stuff that's often left out in most textbooks. Don't take my word for it, just check out my website and order this book to have it handy wherever you go.

From Party Politics to Militarism in Japan, 1924-1941 Createspace Independent Publishing Platform

This ever-popular series of dictionary-style grammar guides comprises three volumes--basic, intermediate, and advanced--with each presenting some 200 key grammar items, along with analysis of sentence patterns, abundant example sentences, and easy-to-understand explanations in English. The books also thoroughly explains common pitfalls and the distinctions in usage of similar expressions, helping users to develop an even stronger grasp of

Japanese grammar. A must-have reference for learners and teachers alike.

The Kodansha Kanji learner's dictionary

University of Hawaii Press

Starting at the very basics and working its way up to important language constructions, "An introduction to Japanese" offers beginning students, as well as those doing self-study, a comprehensive grammar for the Japanese language. Oriented towards the serious learner, there are no shortcuts in this book: no romanised Japanese for ease of reading beyond the introduction, no pretending that Japanese grammar maps perfectly to English grammar, and no simplified terminology. In return, this book explains Japanese the way one may find it taught

at universities, covering everything from basic to intermediary Japanese, and even touching on some of the more advanced constructions.

Speak Japanese in 90 Days: Volume Two

Tuttle Publishing

Are you on your way towards learning Japanese and need a new challenge? We're constantly trying to improve and master new skills, and the Japanese language is no exception. We have created the next level of Japanese stories for the students who have already surpassed the beginner level: Intermediate Japanese Short Stories! In this book we have compiled 10 challenging, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to boost your grasp of the wonderful

Japanese tongue. How Intermediate Japanese Short Stories works: Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn about the Japanese culture. Having trouble understanding Japanese characters? No problem - despite being Intermediate Japanese, we have still included a romanization to help guide you through your learning process, just like in the beginner stories! The summaries follow the story: a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved

in the lesson, as well as slang and sayings that you may not have understood at first glance! Don't get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning! Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while mastering the Japanese tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Japanese Short Stories and level up your

Japanese language learning right now!
