Hell on Earth Del Rey Books

Novelist, comics writer, scriptwriter, poet, occasional artist - a master of several genres and inadvertent leader of

many cults - there are few creative avenues Neil Gaiman hasn't ventured down. From unforgettable books like *The Ocean at the End of the Lane* and *American Gods* to ground-breaking comics and graphic novels like *The Sandman* and *Violent Cases*; from big screen fantasies like *Coraline* to small screen epics like *Doctor Who*; and from short stories to songwriting, stage plays to radio plays, journalism to filmmaking, and all points in-between, *The Art of Neil Gaiman* is the first comprehensive, full-colour examination of Gaiman's work to date. Author Hayley Campbell, a close friend of Neil's since she was a small child, spent many months rummaging through Neil's attic to source the never-before-seen manuscripts, notes, cartoons, drawings and personal

photographs for this book; these are complemented by artwork and sketches from all of his major works and his own intimate recollections. Each project is examined in turn, from genesis to fruition, and positioned in the wider narrative of Gaiman's creative life, affording unparalleled access to the inner workings of the writer's mind. Utterly comprehensive, lavishly illustrated, *The Art of Neil Gaiman* is the fully authorised account of the life and work of one of the greatest storytellers of all time.

What is Un Lun Dun? It is London through the looking glass, an urban Wonderland of strange delights where all the lost and broken things of London end

up . . . and some of its lost and broken people, too—including Brokkenbroll, boss of the broken umbrellas; Obaday Fing, a tailor whose head is an enormous pin-cushion, and an empty milk carton called Curdle. Un Lun Dun is a place where words are alive, a jungle lurks behind the door of an ordinary house, carnivorous giraffes stalk the streets, and a dark cloud dreams of burning the world. It is a city awaiting its hero, whose coming was prophesied long ago, set down for all time in the pages of a talking book. When twelve-year-old Zanna and her friend Deeba find a secret entrance leading out of London and into this strange city, it seems that the ancient prophecy is coming true at last. But then things begin to go shockingly wrong.
