Buster Takes A Hostage

RODERICK OSBORN

The Shadow Order Books 7 & 8 Box Set

AuthorHouse

A trio of thugs take a crime family hostage, and it's up to police chief Jeff Talley to negotiate their release. The pressure increases when the crime family takes his family hostage as well.

I Shall Not Want Pan Macmillan

Buster the Boxer finds himself on a pirate adventure on the high seas with his new friend Barnacle Barney

"Unmitigated Disaster" NYLA

This book covers the story of two Texans from different backgrounds during the 1880s—Max, a successful bounty hunter and now a legendary savior of kidnapped women, and Sylvia, an olericulturist at heart who moves to South Texas to enjoy a year-round growing season. The two meet, and in no time, they are both in for the fight of their lives. When the trauma resolves, they fall in love and delve in the development of a national brand of canned vegetables. The story is spread over a generational time frame. It's a fast-moving cowboy action and romance with informative interludes—to explain the growing and marketing of vegetables into the nineteenth century. This is Western fiction that will appeal to all Western readers.

Buster and the Golden Glove

Metropolitan Books

"Breathtaking."—Publishers Weekly (starred review) Investigative analyst Fredrika Bergman tackles a new case—this time involving the US government—in the next pulse-pounding book in Kristina Ohlsson's internationally acclaimed crime series. Shortly after a crowded New York-bound Boeing 747

takes off from Stockholm, a bomb threat is found in one of the aircraft's lavatories. The demands are directed at both the Swedish and US governments. Police superintendent Alex Recht teams up with the energetic and often abrasive Eden Lundell from the security service's counterterrorism unit to deal with the hijacking. Fredrika Bergman, who is currently working at the Justice Department, returns to the police force to act as a liaison between the government and the police. The investigation team soon realizes that the plot behind the hijacking is far more complex than they initially thought, and they also must battle against the US government's fear of a new terrorist attack. Now it's a race against time as Fredrika, Alex, and Eden search for possibilities to save the plane and its passengers. Will they find a solution before the plane runs out of fuel?

Sylvia's Dream University of North Texas Press

When eleven-year-old Kaci interrupts burglars in the process of robbing her house, she and her nosy elderly neighbor Mrs. Banducci are kidnapped and held hostage by the desperate and ruthless criminals.

Comic Volume 2: 1987-1989 Rowman & Littlefield

Annotation "The 1974 Fred Gomez Carrasco prison siege at Huntsville, TX." *Stalemate* Simon and Schuster

?Ike McAlister returns home to Kansas after the Civil War, his soul bruised and empty. Worse, his parents have been killed by Quantrill's raiders who are still on the loose. No stranger to death and destruction, he vows to run the killers down. A clue leads him to the high plains of Colorado, but when his sister, Sue,

disappears from there, his world quickly spins out of control. In the midst of this turmoil, a feisty landlady sparks an attraction, the only good thing in Ike's life. Racing against time, he must make a deadly choice. If he continues to pursue the killers, Sue will likely never be found. But if he veers off to find his sister, the killers' trail will go cold. Which track to follow? Will the love of family triumph in his broken heart, or will it be the passionate hate of revenge??

The Children's Buyer's Guide Michael Robertson

Gridlock is not a modern legislative condition. Although the term is said to have entered the American political lexicon after the 1980 elections, Alexander Hamilton complained about it more than two hundred years ago. In many ways, stalemate seems endemic to American politics. Constitutional skeptics even suggest that the framers intentionally designed the Constitution to guarantee gridlock. In *Stalemate*, Sarah Binder examines the causes and consequences of gridlock, focusing on the ability of Congress to broach and secure policy compromise on significant national issues. Reviewing more than fifty years of legislative history, Binder measures the frequency of deadlock during that time and offers concrete advice for policymakers interested in improving the institutional capacity of Congress. Binder begins by revisiting the notion of "framers' intent," investigating whether gridlock was the preferred outcome of those who designed the American system of separated powers. Her research suggests that frequent policy gridlock might instead be an unintended consequence of constitutional design. Next, she explores the ways in which elections and institutions together shape the capacity

of Congress and the president to make public law. She examines two facets of its institutional evolution: the emergence of the Senate as a coequal legislative partner of the House and the insertion of political parties into a legislative arena originally devoid of parties. Finally, she offers a new empirical approach for testing accounts of policy stalemate during the decades since World War II. These measurements reveal patterns in legislative performance during the second half of the twentieth century, showing the frequency of policy deadlock and the legislative stages at which it has most often emerged in the postwar period. Binder uses the new measure of stalemate to explain empirical patterns in the frequency of gridlock. The results weave together the effects of institu

Her Guardian Cowboy Simon and Schuster

Eye-opening and compelling, the overlooked world of freight shipping, revealed as the foundation of our civilization On ship-tracking websites, the waters are black with dots. Each dot is a ship; each ship is laden with boxes; each box is laden with goods. In postindustrial economies, we no longer produce but buy. We buy, so we must ship. Without shipping there would be no clothes, food, paper, or fuel. Without all those dots, the world would not work. Freight shipping has been no less revolutionary than the printing press or the Internet, yet it is all but invisible. Away from public scrutiny, shipping revels in suspect practices, dubious operators, and a shady system of "flags of convenience." Infesting our waters, poisoning our air, and a prime culprit of acoustic pollution, shipping is environmentally indefensible. And then there are the pirates. Rose George,

acclaimed chronicler of what we would rather ignore, sails from Rotterdam to Suez to Singapore on ships the length of football fields and the height of Niagara Falls; she patrols the Indian Ocean with an anti-piracy task force; she joins seafaring chaplains, and investigates the harm that ships inflict on endangered whales. Sharply informative and entertaining, *Ninety Percent of Everything* reveals the workings and perils of an unseen world that holds the key to our economy, our environment, and our very civilization.

Hostage Createspace Independent Publishing Platform

Another biting satire from Emma McLaughlin and Nicola Kraus, authors of the #1 New York Times bestseller *The Nanny Diaries*. Working in a world where a college degree qualifies her to make photocopies and color-coordinate file folders, twenty-four-year-old Girl is struggling to keep up with the essential trinity of food, shelter, and student loans. So when she finally lands the job of her dreams she ignores her misgivings and concentrates on getting the job done...whatever that may be. Sharply observed and devastatingly funny, *Citizen Girl* captures with biting accuracy what it means to be young and female in the new economy. A personal glimpse into an impersonal world, *Citizen Girl* is edgy and heartfelt, an entertaining read that is startlingly relevant.

Congressional Record Pinnacle Books
Buster and his crew are broke! That means no parties, no going out and no nice meals. In fact, the ship's cook is serving up boiled seaweed and nothing else - urrrgh. To make things worse, they've just spotted Admiral Goldglove through the telescope - counting huge piles of gold! It's not fair. Surely there's

something Buster and the boys can do...

Paging Dr. Kevorkian Lulu.com

Buster is sick to death of Admiral Goldglove - the famous pirate-hunter is always making Buster look an idiot. So Buster has come up with a daring, dangerous plan ... he's going to steal the admiral's golden glove! But can Buster get away with it?

Eleven Days in Hell McFarland

Sheriff Lj Lawson is tracking a killer that is targeting the elected officials of Humboldt County. Only to be reminded she was elected too.

Bittersweet Wheeler Publishing, Incorporated

American air power is a dominant force in today's world. Its ascendancy, evolving in the half century since the end of World War II, became evident during the first Gulf War. Although a great deal has been written about military operations in Desert Shield and Desert Storm, this deeply researched volume by Dr. Diane Putney probes the little-known story of how the Gulf War air campaign plan came to fruition. Based on archival documentation and interviews with USAF planners, this work takes the reader into the planning cells where the difficult work of building an air campaign plan was accomplished on an around-the-clock basis. The tension among air planners is palpable as Dr. Putney traces the incremental progress and friction along the way. The author places the complexities of the planning process within the context of coalition objectives. All the major players are here: President George H. W. Bush, General H. Norman Schwarzkopf, General Colin Powell, General Chuck Horner, and Secretary of Defense Richard Cheney. The air planning process generated much debate and friction, but resulted in great success-a

43-day conflict with minimum casualties. Dr. Putney's rendering of this behind-the-scenes evolution of the planning process, in its complexity and even suspense, provides a fascinating window into how wars are planned and fought today and what might be the implications for the future. C. R. Anderegg Director of Air Force History
Krik's Guide to the Turf Routledge
 Seb Zodo didn't sign up to be the chosen one. Burdened by a prophecy claiming he'll defeat the darkness spreading though the galaxy, he goes on every mission hoping it will be his last. But every time he returned to the Shadow Order's base, he knew he had more to come. Until now ... The fate of the galaxy hanging in the balance and with chaos ruling supreme, Seb and his Shadow Order friends need to act fast. Their final mission ahead of them, they need to find Enigma and crush them before the damage they've done becomes irreversible. The only problem is, they haven't got the first clue where to start ... The Shadow Order is a fast-paced space opera adventure.

The Meek Flatiron Books

When Annatha Wolcott, a troubled teen with an unplanned pregnancy, is lured to the home of a sympathetic nurse, Wendy Malloy, she awakens to a nightmare from which there is no escape. The childless and desperate nurse has her own agenda for Annatha and the baby. Gestation carries the reader through a roller coaster of emotions as Annatha struggles with carrying an unwanted child and reacts to her predicament with emotional as well as physical rebellion. Tension builds with each page as Rachel Ward, the FBI agent who is assigned the missing girls case, searches for clues in a vapor of misdirection and deceit. When Wendys sordid plan is sabotaged by an

unexpected turn, the suspense builds dramatically as the search for Annatha becomes a gripping race against time that holds two lives in the balance.

Western Movies iUniverse

Kucukalic looks beyond the received criticism and stereotypes attached to Philip K. Dick and his work and shows that the author is a serious and relevant philosophical and cultural thinker whose writing offer us important insights into contemporary digital culture

The Family Fang McFarland

The second in the action-packed new series from Ralph Compton writer, John Shirley, takes traditional Westerns on a wild ride with the epic adventures of master gunfighter, horseman, and Civil War veteran Cleveland Trewe as he and his strong partner, Berenice fight for survival in 1880s Nevada . . . Civil War veteran Cleveland Trewe stumbles onto a bizarre cult in the Sierra Nevada mountains—where the faithful are healed and fates are sealed . . . in blood. They say the road to Hell is paved with good intentions. But it's hard to know what's going on inside the twisted mind of Magnus Lamb, the charismatic leader of an isolated logging town known for its healing hot springs. Some might say he's created a peaceful utopia here on Gunmetal Mountain. But for Cleveland Trewe and his lovely traveling companion Berry, this little piece of heaven is more like Hell on Earth . . . Cleve and Berry first discover the town after an encounter with a dangerous band of Indians. Cleve to vow to find "the Coyote," a young brave last seen headed for the strange settlement of Lambsville. At first, Cleve and Berry are charmed by the town's natural beauty and simple way of life. But soon they see the community for what it really is: a brainwashed cult with some oddball

beliefs, a rigid caste system, and a leader who thinks he's the new Messiah. This not-so-innocent Lamb has heard about Cleve's legendary gunfighting skills and wants him to lead an army to expand his power across the West. It's bound to be a bloodsoaked mission, and Cleve wants no part of it. But if he refuses, there'll be hell to pay . . .

The Reckoning Univ of California Press
This revised and greatly expanded edition of a well-established reference book presents 5105 feature length (four reels or more) Western films, from the early silent era to the present. More than 900 new entries are in this edition. Each entry has film title, release company and year, running time, color indication, cast listing, plot synopsis, and a brief critical review and other details. Not only are Hollywood productions included, but the

volume also looks at Westerns made abroad as well as frontier epics, north woods adventures and nature related productions. Many of the films combine genres, such as horror and science fiction Westerns. The volume includes a list of cowboys and their horses and a screen names cross reference. There are more than 100 photographs.

Facing Darkness Booktango

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)
