Transform yourself from sports fan to professional sports journalist *Field Guide to Covering Sports*, Second Edition goes beyond general guidance about sports writing, offering readers practical advice

on covering 20 specific sports. From auto racing to wrestling, author Joe Gisondi gives tips on the seemingly straightforward—like where to stand on the sideline and how to identify a key player—along with the more specialized—such as figuring out shot selection in lacrosse and understanding a coxswain's call for a harder stroke in rowing. In the new Second Edition, readers also explore sports reporting across multimedia platforms, developing a foundational understanding for social media, mobile media, visual storytelling, writing for television and radio, and applying sabermetrics. Fully revised with new examples and updated information to give readers confidence in covering just about any game, match, meet, race, regatta or tournament, *Field Guide to Covering Sports*, Second Edition is the ideal go-to resource to have on hand when mastering the beat.

Learn How To Develop Your First Blog and Then Flip It For Profit! 'From coming up with an idea through to installing Wordpress, choosing a theme, selling your blog and then transferring it over to the new owner, this is the essential guide to blog flipping.' Unless you've been living in a cave then the chances are you've heard of the term 'flipping.' Essentially this is when you build some kind of online asset - be it a blog, website, plugin etc - and then sell it on to a new owner (or 'flip' it.) This is a business model that's been around for years - but don't make the mistake of thinking that it's a stale method that no longer works. People all around the world are still creating great profits through flipping, although it can sometimes be a tricky world if you don't know what you're doing. Fancy making a quick profit without doing much work? The blog flipping probably ISN'T for you. Make no mistake about it. Being a successful flipper requires quite a lot of work - but it can also be a lot of fun too as you create a valuable asset, nurture it, watch it grow and then turn it into profit. You don't have to wait years before you sell of course. Many people specialize in building blogs and flipping them straight away for quick profit, however most would agree that a longer-term strategy can generate more profit. Here's a taster of what you'll learn inside: How to flip a blog... from doing research, setting up Wordpress and finally transferring it over to the new owner, it's all here. Ideas for coming up with a great niche/topic. Hint: You don't necessarily need to think outside the box too much. Why choosing the right theme is so important - and how to do it. How to make your blog irresistible to buyers (It's all about including things that make it as desirable as possible) Why content is king - and the main options to consider for filling your blog with juicy content. How to generate traffic to your blog. What you should include in your Flippa listing for maximum results. [Strategies, Tactics, and Tools for Succeeding in the Social Web](#) Chittaranjan Dhurat via PublishDrive No blog survives without traffic. More so, less traffic only means that the content is not that good. However, there are also instances wherein a great blog does not have enough traffic. The key in getting traffic is to come up with a strategy and make everyone notice your blog. Blogs are massive resources of information from both inside and outside companies. Businessmen survive the world of blogging because they know how and where to dig information while protecting their own secrets. Although blogging can be risky world for businesses, there are several helpful tips that can help bring success to corporate blogging. In blogging, you are not limited into one type of blogging type. In fact, there are several types of blogs. In this book you'll discover: - The 5 tips on find the best topics to blog about - How to blog effectively - Little known tips for keeping your blog up to date - How to promote your blog - And much more!
