Features: Buy Engineering Drawing Book Online at Low Prices in India ... An engineering drawing is a type of technical drawing that is used to convey information about an object. A common use is to specify the geometry necessary for the construction of a component and is called a detail drawing. Usually, a number of drawings are necessary to completely

specify even a simple component. The drawings are linked together by a master drawing or assembly drawing which gives the drawing numbers of the subsequent detailed components, quantities required, construction materia Engineering Drawing and Graphics - Basant Agrawal & C M Agrawal Tuesday, May 26, 2020.
