New Edition Weiser Books  
A poignant tale about one woman's quest to recover her family's history, and a story of loss and survival during the Holocaust. Consie is home for a funeral when she stumbles upon a family letter sent from Germany in 1945, which contains staggering news: Consie's great-uncle Hermann, who was transported to Auschwitz with his wife and three daughters, might have escaped. This seems improbable to Consie. Did people escape from Auschwitz? Could her great-uncle have been among them? What happened to Hermann? Did anyone know? These questions are at the root of Consie's excavation of her family's history as she seeks, seventy years after the liberation of Auschwitz, to discover what happened to Hermann. *The Plum Trees* follows Consie as she draws on oral testimonies, historical records, and more to construct a

visceral account of the lives of Hermann, his wife, and their daughters from the happy days in prewar Czechoslovakia through their internment in Auschwitz and the end of World War II. *The Plum Trees* is a powerful, intimate reckoning with the past.

An introductory guide for magicians to the complex system of the Qabalah and its symbolism  
*A Study in Magic* Weiser Books

In this groundbreaking book, Knight shows how the Qabalah and its basic diagram, the Tree of Life, is a system of relationships among mystical symbols that can be used to gain access to the hidden reaches of the mind. He also demonstrates how the Qabalah is applicable to all mystical traditions and religious beliefs, including Christian mysticism, Greek, Egyptian and Celtic mythologies, and even Native American beliefs. It is indeed symbolic of our universal search for the Divine.

Included here are two books in one. The first compares the Western Mystery Tradition with the Eastern system of yoga, analyzes the Tree of Life in full detail, and describes the practical application and theories of Qabalistic symbolism. The second gives the most comprehensive analysis ever published of the twenty-two 'Paths of Concealed Glory' that join the Spheres of the Tree of Life taking into account the Hebrew alphabet, astrological signs, and tarot trumps. A large section explores the history of tarot design and the varying systems of correspondence with the Tree of Life.

One of the most trusted reference works ever published on the Cabala has been revised and expanded. Featuring a new and more usable format, this book is a complete guide to cabalistic magick and gematria in which every demon, angel, power and name of God ... every Sefirah, Path, and Plane of the Tree of Life ... and

each attribute and association is fully described and cross-indexed by the Hebrew, English, and numerical forms. All entries are now incorporated into one comprehensive dictionary. There are hundreds of new entries and illustrations, making this book even more beneficial for Cabalistic pathworking and meditation. It now has many new Hebrew words and names, as well as the terms of Freemasonry, the entities of the Cthulhu mythos, and the Aurum Solis spellings for the names of the demons of the Goetia. It contains authentic Hebrew spellings, and a new introduction that explains the uses of the book for meditation on God names. The Cabalistic schema is native to the human psyche, and Godwin's Cabalistic Encyclopedia will be an invaluable reference tool for all Cabalists, magicians, scholars and scientists of all disciplines. *The New Encyclopedia of the Occult* Grove Press

Tarot Plain and Simple by Anthony Louis is the book you've been waiting for! As the title indicates, this book presents the Tarot in clear language that anyone can understand. If you've had trouble

learning the Tarot, this book gives the meaning of each and every one of the 78 Tarot cards—both in simple terms and in-depth ones, both upright interpretations and those for when a card is drawn reversed. Illustrations are from the elegant and mystic Robin Wood Tarot. This book leaves nothing out! It includes an overview of the history of the Tarot and suggests why this divinatory method works from a scientific point of view. It even includes several spreads and example readings. That way you can see exactly how the Tarot works, how the cards play off of each other and how to give a reading. Turn to any page and see how you can learn meanings and interpretations. The Five of Cups shows a cloaked person with head down and three of five cups knocked over, spilling their contents. Upright the card means "mourning." But the key words and phrases give you so much more. It can also mean regret, sadness, loss of trust, an emotional letdown, betrayal in love, and much more. How can you tell which expression best fits the card? It depends upon where it falls in the spread and the

cards that surround or lead up to it. This is explained in the clear but comprehensive section on Tarot card spreads, and is illustrated in the sample readings. If you have been waiting for an ideal book to help you learn the Tarot, this is it. The longer you wait, the longer it will be before you can give effective Tarot readings. Get out that Tarot deck and get this book today!

An easy-to-follow, step-by-step guide to the Golden Dawn system of magic The Golden Dawn system of magic is known throughout the world as one of the most effective and comprehensive approaches to working with occult powers. But for beginners or intermediate practitioners, it can be difficult to know where to start and where to go for expert guidance. Golden Dawn Magic shares bite-sized exercises and meditations to help you build the skills that are needed for the more advanced rituals, guiding beginner and intermediate practitioners on a powerful journey of magical work. Chic and Sandra Tabatha Cicero, senior adepts of the Golden Dawn, provide a

firm foundation in practical Golden Dawn theory and methods, without the complex lessons and grades of more traditional approaches. This collection of accessible step-by-step instructions for visualization, meditation, energy projection, and working with willpower opens the doorways of magic. You will also discover hands-on exercises for learning the Golden Dawn's approach to esoteric arts like tarot and the Qabalah. Once you've mastered the fundamental skills, this book guides you through dozens of more advanced rites, rituals, and techniques, including:

- Greater and Lesser Banishing Rituals
- Expanded Visualizations
- Opening by Watchtower
- Ritual of the Rose Cross
- Prayer of Osiris
- Exordiums of Thoth
- Godform Assumption
- Achieving Invisibility
- Creating Your Own Talisman
- Telesmatic Images
- And Many More

Whether you are just becoming interested in the Golden Dawn or you have already gained some experience in these methods, Golden Dawn Magic will be an extraordinary aid to you

as you move forward on your journey in this powerful system of magic. *a modern comparative approach to alchemy from the psychological and magical points of view* W. W. Norton & Company

Sepher Rezial Hemelach is the long-awaited first English translation of this famous magical text a translation from the ancient Hebrew in the rare and complete 1701 Amsterdam edition. According to Hebrew legend, the Sepher Rezial was presented to Adam in the Garden of Eden, given by the hand of God, and delivered by the angel Rezial. The myth thus suggests that this is the first book ever written, and of direct divine provenance. A diverse compendium of ancient Hebrew magical lore, this book was quite possibly the original source for later, traditional literature on angelic hierarchy, astrology, Qabalah, and Gematria. Moses Gaster mentions this in his introduction to *The Sword of Moses* (1896) suggesting that the Sepher Rezial could be a primary source for many magic and qabalistic books of the Middle Ages. Sepher Rezial Hemelach is a compilation of five books: "The Book of the

Vestment," "The Book of the Great Rezial," "The Holy Names," "The Book of the Mysteries," and "The Book of the Signs of the Zodiac." It includes extensive explanatory text on the holy names of God, the divisions of Heaven and Hell, the names and hierarchy of the angels and spirits, as well as symbolic interpretations of both the Book of Genesis and Sepher Yetzirah. It also includes material on astronomy, astrology, gematria, and various magical talismans, most notably those used for protection during childbirth. In his introduction, Steve Savedow details the history, bibliographical citations, and lineage of this famous work. He lists the old and rare manuscripts still in existence, and provides a bibliography of other reference works for study of the Western esoteric tradition.

A Magickal, Two-Sided Divination Wonder! Don't confuse this deck with any simple Tarot! This amazing, 2-sided deck is a wonder of spirituality, mysticism, and divination. On one side of the deck is the Enochian Watchtower Tarot. Its four suits of 22 cards each are filled with symbolic information related to the Enochian system of magick, considered by many to be the most power magickal methods ever discovered.

The other side of the cards features The Western Tattvas Tarot, an extension of one of the few Eastern traditions used by the Golden Dawn where the elements are associated with simple geometric shapes. You can work with either side of this Tarot. The cards are designed so the symbols and images on both sides of any card are related. You can learn more of the meaning of one side of the card by looking at the other. This is a magnificent deck for people wishing to do astral projection or seeing onto the astral plane (skrying). It's also great for learning or teaching the concepts of the Enochian system, making this a must for people practicing this type of magick. The use of the Western Tattvas is unique, clever, and expansive. The full-size book that comes in this set includes the divinatory meanings for both sides of each card, explanation of all symbolism, and will enable you to master these two powerful magickal systems.

saw the devastating effects that tension and stress had on his patients minds and bodies. He shares his extensive knowledge about the body/mind in this work, and helps the reader to reconnect the body with the mind as he/she learns to relax and harmonize these "two" seeming warring entities."Be yourself!" When you relax you are more nearly yourself than at any other time. You will come to realize what you are and what your innate abilities are. By means of the imagination utilized during this state of quiet, you will learn how to make them explicit and how to make them manifest themselves." - Israel Regardie

Originally published in 2003, Understanding Aleister Crowley's Thoth Tarot has proved to be the essential guide to accessing the unique symbolism and meaning of Aleister Crowley's remarkable tarot deck along with the deeply textured artwork of Lady Frieda Harris. Crowley authority Lon Milo DuQuette starts by providing an insightful historical background before delving into descriptions of each card in depth, from a tarot perspective and from an expanded, magickal point of view. He first describes the tarot meaning of each card in detail and then explains all the other attributions Crowley intended. This unique guide has been updated with a new introduction that provides information on the unicursal

hexagram cards included with the deck but never explained. Replaces ISBN 9781578632763 *Techniques of High Magic* Llewellyn Worldwide Since its inception over 100 years ago, the Hermetic Order of the Golden Dawn has continued to be the authority on the initiatory and meditative teachings of the Tarot. This Tarot incorporates all of the temple symbolism needed for use in the Golden Dawn rituals. Created at the behest of the renowned occultist and father of the modern Golden Dawn movement Israel Regardie, this stunning deck masterfully blends traditional Tarot imagery with descriptions from the Golden Dawn initiation ceremonies. This

is the first Tarot deck to incorporate the symbolism necessary for use in rituals. Written and created by internationally known adepts Chic Cicero and Sandra Tabatha Cicero, this is ideal for the beginning student but equally appealing to expert Tarot readers. The accompanying book provides an introduction to Cabalistic, Zodiacal and Alchemical symbolism creating a powerful tool for divination and spiritual growth. Complete with 256-page book and two versions of the Temperance card—as required in Golden Dawn rituals—this is the best Tarot available for students of the Golden Dawn and the Western magical tradition. *Foundations of Practical*
