\*Available to pre-order now!\* From the No. 1 Sunday Times bestselling author of the Crossfire saga comes the conclusion of a twisty tale of three women fighting to outrun their pasts—one for love, one for power and one for revenge. You can't believe all of them, but can you trust any of them? Lily Black was presumed dead for years. Now she's returned to the

unquestioning arms of her loving husband, Kane. Where she's been is a mystery, but the deadly danger she's brought with her is manifest to all. Aliyah, Kane's mother, has worked hard to position herself in power. No one escapes her bitter ambition, not her children and certainly not a woman who may not be who she claims. Amy, Kane's sister-in-law, has been a pawn throughout the dangerous games the family plays. She's beginning to grasp the rules, though, and won't stop until all the pieces on the board have toppled.

The "dangerous and sultry" Blackist duology comes to its riveting end with the trademark emotional intensity, scorching sensuality, and propulsive storytelling that are the hallmarks of multimillion-copy international bestseller Sylvia Day.

Cursed by God, hunted by demons,

desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's

Eve of Darkness. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From Sylvia Day, the #1 New York Times bestselling author of the Crossfire novels, comes a novella of the Shadow Stalkers. When Deputy US Marshal Jared Cameron started investigating a series of arson attacks in the small seaside town of Lion's Bay, he had no idea that the biggest blast of heat would come from the fire inspector. Her name was Darcy Michaels—and if there was anyone that Jared wanted to get down and sweaty with, it was Darcy. Darcy knew what she was bringing out in Jared. In fact, she liked it. She reveled in making his dirty

dreams come true. Stripped down for a scorching after-hours affair, Jared was her fantasy, too. A hard-driving man who knew exactly what to do to please her. *Crossfire#5: Bersamamu ( One With You )* Sylvia Day, LLC

Now in one deluxe collection, the first four novels in the #1 New York Times bestselling Crossfire series. *Bared to You* He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear

us apart... Reflected in *You Gideon Cross*. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with *You From the moment I first met Gideon Cross*, I recognized something in him that I needed.

Something I couldn't resist. I also saw the dangerous and damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and

insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream... Mind in Society Penguin Give in to your fantasies in this collection from three bestselling authors who explore the delicious consequences of resisting arrest... In Shayla Black's "Arresting Desire," FBI Agent Jon Bocelli never stopped wanting beautiful

professor Lucia DiStefano. She's interested in taking her first lover, and he intends to be that man. When her past puts her life in danger, Jon risks everything to save her and prove this fling is forever. In Sylvia Day's "On Fire," Deputy Marshal Jared Cameron investigates a series of arson attacks in a seaside town, the biggest blast of heat comes from sexy fire inspector Darcy Michaels—until their scorching after-hours affair is compromised by a secret from Darcy's past. In Shiloh Walker's "The Unwilling," Mica Greer and her former lover, ex-FBI agent Colby Mathis, once shared an intimate past and a powerful psychic gift. Now, they've been reunited by a bizarre series of murders—and an electrifying passion that could put them both in jeopardy.

The great Russian psychologist L. S. Vygotsky has long been recognized as a pioneer in developmental psychology. But somewhat ironically, his theory of development has never been well understood in the West. *Mind in Society* should correct much of this misunderstanding. Carefully edited by a group of outstanding Vygotsky scholars, the book presents a unique selection of Vygotsky's important essays, most of which have previously been unavailable in English. The Vygotsky who emerges from these pages can no longer be glibly included among the neobehaviorists. In these essays he outlines a dialectical-materialist theory of cognitive development that anticipates much recent work in American social science.

The mind, Vygotsky argues, cannot be understood in isolation from the surrounding society. Man is the only animal who uses tools to alter his own inner world as well as the world around him. From the handkerchief knotted as a simple mnemonic device to the complexities of symbolic language, society provides the individual with technology that can be used to shape the private processes of mind. In *Mind in Society* Vygotsky applies this theoretical framework to the development of perception, attention, memory, language, and play, and he examines its implications for education. The result is a remarkably interesting book that is bound to renew Vygotsky's relevance to modern psychological thought.
