Every great sports coach is a life coach. This book identifies 168 outstanding coaches who have much to teach us about optimizing our performance, our character, and our lives. Coaches build winning teams and enable each athlete they mentor, guide, cajole, and nurture to achieve top performance. More than this, every great sports coach is first and last a life coach. Sportswriter Justin Spizman identifies and profiles 168 of the greatest coaches and managers of all time. They have much to teach us about optimizing our performance, our character, and our lives. *Coach: The Greatest Teachers in Sports and Their Lessons for Us All* profiles coaches in every significant sport, from football, basketball, baseball, and hockey to gymnastics, skating, rowing, rugby, soccer, and more. From field to court, diamond, rink, and pitch, the big leagues to the Olympics, college, and high school, Coach delivers the most teachable moments and methods—for play, for competition, and for life. Rich in quotations, each profile ends with lessons for top performance on and off the field, in and beyond the arena. Justin Spizman tracks all the relevant stats—for every sport keeps score—but he seeks first and last to disclose the mind, the heart, and the force of character that drive each of the indispensable men and women behind the world's most envied and admired athletes. His profiles range from the likes of Cardinals manager Tony La Russa (already an MLB legend), to Aimee Boorman and Cecile Canqueteau-Landi (who both coached gymnastics phenom Simone Biles), Bill Belichick (the take-no-prisoners field general of the New England Patriots), Pat Summitt (who racked up 1,098 wins as coach of the University of Tennessee Lady Vols basketball team from 1974 to 2012), Marián Vajda (the coach behind tennis titan Novak Djokovic), and David Leadbetter (golf guru to champions Kathy Baker, Nick Faldo, and Michelle Wie).

Following the success of Simon Hughes' *Red Machine* and *Men in White Suits*, books which depicted Liverpool FC's domination during the 1980s and its subsequent fall in the 1990s, *Ring of Fire* focuses on the 2000s and the primary characters who propelled

Liverpool to the forefront of European football once again. With a foreword by Steven Gerrard, this is the third edition in a bestselling series based on revealing interviews with former players, coaches and managers. For Liverpool FC, entry into the 21st century began with modernisation and trophies under manager Gérard Houllier and development was then underpinned by improbable Champions League glory under Rafael Benítez. Yet that is only half of the story. The decade ended with the club being on the verge of administration after the shambolic reign of American owners, Tom Hicks and George Gillett. In *Ring of Fire*, Hughes' interviewees – including Jamie Carragher, Xabi Alonso and Michael Owen – take you through Melwood's training ground gates and into the inner sanctum, the Liverpool dressing room. Each person delivers fascinating insights into the minds of the players, coaches and boardroom members as they talk frankly about exhilarating highs and excruciating lows, from winning cups in Cardiff and Istanbul to the political infighting that undermined a succession of managerial reigns. *Ring of Fire* tells the real stories: those never told before by the key players who lived through it all.

Shortlisted for the British Sports Book Awards 2018 "What's your dream, son?" A six year-old boy, head bowed, mumbles the eternal answer: "Be a footballer...." Steadman Scott, football's most unlikely talent scout, smiles indulgently, and takes him in from the street. He knows the odds. What separates the good from the great? Who should they trust - the coach, the agent or their parents? Michael Calvin provides the answers on a journey from non-league grounds to hermetically sealed Premier League palaces, via gang-controlled sink estates and the England team's inner sanctum. He interviews decision makers, behavioural specialists, football agents and leading coaches. He shares the hopes and fears of players and their parents. He exposes bullying and a black economy in which children are commodities, but remains true to the dream.

The exclusive behind-the-scenes story of the Mauricio Pochettino revolution at Spurs, told in his own words The Sunday Times Bestseller 'An unparalleled insight into one of the most exciting managers currently working in football' Independent Since joining the club in 2014, Mauricio Pochettino has transformed Tottenham from underachievers into genuine title contenders. In the process, he has marked himself out as one of the best young managers in the world, more than holding his own against the Premier League's established heavyweights. He has done so by promoting an attacking, pressing style of football and by nurturing home-grown talent, fully endearing himself to the Spurs faithful along the way. Guillem Balagué was granted unprecedented access to Pochettino and his backroom staff for the duration of the 2016-17 season, and he has therefore been able to draw on extensive interview material with Pochettino, his family, his closest assistants, players such as Dele Alli and Harry Kane, and even a very rare conversation with Daniel Levy to tell the manager's story in his own words. From Pochettino's early years as a player and coach to his transformation of Tottenham into one of the best teams in England, the book uniquely reveals the inner workings of the man and of his footballing philosophy. It also lays bare what it takes to run a modern-day football team competing at the highest level over the course of a single campaign. The result is the most comprehensive and compelling portrait of a manager and of a club in the Premier League era.

*Clear Mind, Better Performance, Bigger Results* Soccertactics.com 'It's not banter. It's racist.' Is football doing enough to give racism the boot? The global Black Lives Matter campaign has given greater exposure to the extent of the structural and systemic racism that exists in all strata of our society. It has provided renewed impetus to the urgent need to challenge and eradicate racism in all its forms and wherever it is found. Sadly, sport has not been immune from this, especially so in the case of football. For too long, there were attempts to hide and mitigate racist attitudes and actions within the game, but thanks to the growing profile and visibility of black and minority ethnic (BAME) players both past and present - Viv Anderson, Cyrille Regis, Jimmy Carter, Les Ferdinand, Pat Nevin and Ruud Gullit - to name just a few and almost three decades of education and campaigning led by Kick It Out, attitudes have changed. However, there's still a great deal left to do. Throughout his entire journalistic career, leading sportswriter Harry Harris has championed the fight against racism in football. Now, within these pages, he shines a timely spotlight on the Beautiful Game, revealing the forces within football that have both helped expose and challenge racism - and, at times, sadly, hinder more rapid positive change. Includes exclusive commentary from Greg Dyke, Glenn Hoddle, Ivor Baddiel, Mek Stein, and Jermain Defoe. 'Highly commendable and will keep the debate raging' - John Barnes
