"Seldom does a "success" book address the student's lack of belief. However, that's not the case here. In *The Rise of*

the Chosen Ones, Joseph Parker reveals a powerful process to create strong self-belief. Parker reveals a complete set of tools and new psychological models for the personal development process.”

~Bob Proctor, best-selling author of *You Were Born Rich* The myth of the Chosen One has been handed down throughout history. These rare individuals are supposedly selected for greatness from a higher source, and possess knowledge, wisdom, and skills others do not. We see this myth in classic movies and books such as *Star Wars* and *Harry Potter*. How did they get chosen? How do we access this exclusive club? Astonishingly, we do it by choosing ourselves for greatness. This simple mental choice unlocks the potential that is your birthright. Discover the path and become one of the many

Self-Chosen Ones. Discover the power to: Dispel the myth of the rare Chosen One and become one of the many Chosen Ones Raise your self-worth through two powerful psychological models Apply the core beliefs and strategies for success in your life Become a master of the five progression levels of the Self-Chosen One
