Want to learn the basics of swing and
forex trading? Have you been losing and

would love to get some simple tips and
tricks that will steer you to the winning
side? If you are like most of us and desire
financial freedom as well as an extra
income, then you need to know about
swing and forex trading. Swing and forex

trading are a simple yet sure way of growing your wealth and getting you on the path to financial freedom. Having a job is great but an extra income could make a huge difference in your life. This book opens your eyes to the world of trading. You will love swing and forex trading which is a simple strategy that allows you to trade the markets without taking up all your time. You can still continue doing all the other things that you love such as spending time with friends and family. You can also attend to your daily commitments such as work, business, or college and still find time to trade. The principle behind swing and forex trading is fairly simple. You identify a suitable stock market asset, identify the best time to buy through analysis, then sell it once the price goes up and make a profit. If you repeat this over and over each day, the amounts will add up to a significant amount. This bundle provides you with all the information that you need in order to get started. It introduces you to swing and forex trading from the most basic point of view. You will learn and understand all the basic terms such as stocks, bonds, entry point, charts, analysis, and so on. You will

also learn how the stock market works and how to enter and exit trades and how to maximize profitability. In the swing trading book, you will learn: the basics of swing and forex trading the 12 main skills of a swing trader the 3 steps you need to know to start the business the main platforms and tools for trading the basics of technical and fundamental analysis 10 practical tips on time management and money management 3 practical examples of trades executed by professional traders In the Forex trading book, you will learn: What is Forex? How to start trading Platforms and tools for Forex trading The right mindset in Forex Trading technical and fundamental analysis Secrets to be profitable in the long run Trading strategies Risk management and self-discipline An example of a real trade This bundle is perfect for those who have little time, little experience in this business, explains swing and forex trading in simple and understandable words for beginners. Panzner, vice president, Rabo Securities USA, Inc., and author of The New Laws of the Stock Market Jungle "The author possesses an uncommon ability to describe a difficult and rapidly changing marketplace as if seen through a beginner's eyes. A most useful book for anyone that might not have been paying attention these past five years as the market reinvented itself." -Brentin C. Elam, director, Northcoast Asset Management, LLC Foreign currency exchange-"Forex"-is today's #1 new

investment opportunity. Revolutions in technology, regulation, and globalization have made Forex trading accessible to every active investor. Only one thing has been missing: An objective, clear "user's guide" to Forex trading. Now it's here—and it's in your hands. Simply and clearly, *Forex Revolution* reveals everything you need to know to trade Forex hands-on—from fundamental and technical trading strategies to the unyielding discipline that's essential to success. In this book, Peter Rosenstreich brings together insider techniques from all over the industry: Traders, banks, Forex firms, even the National Futures Association. You'll find expert guidance on everything from handling 24/7 markets to profiting from the emergence of China. Unlike other books, *Forex Revolution* doesn't require you to subscribe to costly services or purchase expensive tools. Whether you're an individual investor or a money manager new to Forex, this book gives you all you need: Facts, techniques, resources and—above all—the insider's edge. Why Forex has become your #1 profit opportunity How the currency markets became indispensable to the active

investor Meet the players, markets, tools, portals, and platforms Everything you should know before you get started Choose the right FX investments Understand currency futures, options, swaps, and more Master both fundamental and technical trading strategies and discover why you need to know both Gut check: What it takes to win in the Forex markets Develop the discipline you need to succeed Foreign Exchange Trading: Today's #1 Opportunity for Explosive Profits! The practical, hands-on Forex trading guide for individual investors No costly subscriptions or expensive tools needed Delivers unbiased, up-to-the-minute techniques you can start profiting from today Covers everything from trading rules to fundamental and technical strategies Realistically assesses risks and pitfalls—and shows how to avoid or mitigate them Forex Isn't Just the World's Biggest Market—It's Your #1 Profit Opportunity! Every day, more than \$1.5 trillion in currency trades are executed. That dwarfs the daily volume of the NYSE, NASDAQ, FTSE, DAX, and Tokyo Nikkei—combined! Today's growing currency volatility has made Forex the

place to earn huge profits. Think Forex is just for secretive financiers and central bankers? Not any more! The rules have changed, and this book shows you exactly how to get in on the action. No other book offers as much unbiased, practical, how-to guidance for trading from Forex. Peter Rosenstreich doesn't just present his own techniques—he reveals never-before-published tips and techniques from traders throughout the industry. Above all, Mr. Rosenstreich tells you the whole truth: How currency markets work, how to trade, what the risks are, what to do about them...and what it really takes to win. © Copyright Pearson Education.
