This is my second academic writing skills workbook. It contains questions and answers on topics to improve academic English writing skills. The questions are typical of those used in exams for an English diploma for university entrance. These practical writing exercise support my previous three "Academic Writing Skills" series books: 1. "Learn English Paragraph Writing Skills" 2. "Practical Academic Essay Writing Skills" 3. "The 5 Step Essay Writing Process" The exercise groups cover grammar areas such as capitals, commas, sentence structure and errors, and subject/verb agreement required for confident academic English writing skills. As well as the common grammar questions, there are questions to improve essay writing skills such as topic and supporting sentences, unity, coherence, and examples of transition signals. I would recommend ESL Students in low-intermediate to low-advanced English classes use this workbook for developing their academic English writing skills.

Home remedies have become increasingly popular as the expense and hassle of conventional medicine continues to rise. Today herbs are catching a lot of attention due to their very nature of cure: simple, no side effects, no chemicals, inexpensive, plus the ability of being able to cure yourself. Traditionally, in India, plants with medicinal value were used effectively as self help remedies for managing common ailments, such as to boost your child's immune system, preventing avoiding hair loss, treating persistent acne or dandruff, treating aches, pains or cuts and burns. This book describes the ailments and prescribes various medications based on readily available products. ) #v&spublishers
