Named a Best of 2020 Pick for NPR | NYPL | Booklist | Bustle | Den of Geek In Upright Women Wanted, award-winning author Sarah Gailey reinvents the pulp Western with an explicitly antifascist, near-future story

of queer identity. “That girl’s got more wrong notions than a barn owl’s got mean looks.” Esther is a stowaway. She’s hidden herself away in the Librarian’s book wagon in an attempt to escape the marriage her father has arranged for her—a marriage to the man who was previously engaged to her best friend. Her best friend who she was in love with. Her best friend who was just executed for possession of resistance propaganda. The future American Southwest is full of bandits, fascists, and queer librarian spies on horseback trying to do the right thing. Praise for Upright Women Wanted “A good old-fashioned horse opera for the 22nd century. Gunslinger librarians of the apocalypse are on a mission to spread public health, decency, and the revolution.”—Charles Stross “A dazzling neo-western adventure. . . . Gailey’s gorgeous writing and authentic characters make this slim volume a pure delight.”—Publishers Weekly, starred review At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

One of Few Surviving Works. This is one of the finest surviving works on Irish history. It was originally written in 17th century gaelic by Dr. Keating. This edition was fully translated into modern English by John O'Mahoney, including voluminous footnotes which could be made into a book unto themselves. This

is the entire 3 volume IGF set, and the rare translation by O'Mahoney, published by the Irish Genealogical Foundation. "Seathrún Céitinn", the author, is better known in English as "Geoffrey Keating". He served as a historian, poet and clergyman in 17th century. This book, his "History of Ireland" or "Foras Feasa ar Éirinn", or "Foundation of Knowledge on Ireland", was originally written in the Gaelic language, in the 17th century, during the reign of Charles I of England.

The full history of St. Patrick's day is captured here for the first time in *The Wearing of the Green*. Illustrated with photos, the book spans the medieval origins, steeped in folklore and myth, through its turbulent and troubled times when it acted as fuel for fierce political argument, and tells the fascinating story of how the celebration of 17th March was transformed from a stuffy dinner for Ireland's elite to one of the world's most public festivals. Looking at more general Irish traditions and Irish communities throughout the world, Mike Cronin and Daryl Adair follow the history of this widely celebrated event, examining how the day has been exploited both politically and commercially, and they explore the shared heritage of the Irish through the development of this unique patriotic holiday. Highly informative for students of history, cultural studies and sociology, and an absolute delight for anyone interested in the fascinating and unique culture of Ireland.

But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik

enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher's recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell's subtlest and most effective achievement to date. Praise for *Black Swan Green* "[David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . This enchanting novel makes us remember exactly what it was like."—*The Boston Globe* "[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall."—*Time*
