HOUSTON EVELYN

American Politics & Government Today W. W. Norton

Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of A PEOPLE AND A NATION, Tenth Edition, offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a paperback, two-color format that appeals to those seeking a comprehensive, trade-sized history text. A PEOPLE AND A NATION is a best-selling text offering a spirited narrative that tells the stories of all people in the United States. The authors' attention to race and racial identity and their inclusion of everyday people and popular culture brings history to life, engaging readers and encouraging them to imagine what life was really like in the past. Available in the following split options: CENGAGE ADVANTAGE BOOKS: A PEOPLE AND A NATION, Tenth Edition (Chapters 1-29), ISBN: 978-1-285-42587-0; Volume I: To 1877 (Chapters 1-14), ISBN: 978-1-285-42588-7; Volume II: Since 1865 (Chapters 14-29), ISBN: 978-1-285-42589-4. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American Government 2e Routledge

With an even stronger focus on the U.S. Constitution in the post 9/11 world, the Seventeenth Edition of this best-selling reader in American government

puts students directly in touch with the great authors and political leaders who have shaped-and are shaping-American government. The bestselling reader for over 40 years, this anthology continues to provide a strong, balanced blend of classic selections that illustrate and amplify important concepts in American government, along with extremely current readings and cases drawn from today's literature.

American Government: Power and Purpose R.S. Means Company

"American Politics and Government Today teaches students exactly what they need to know to succeed in the course and become informed citizens. The part structure and chapter organization clearly maps to the five AP® U.S. Government and Politics units, for close alignment with the course framework. In each chapter, integrated policy coverage allows students to see how social, economic, or foreign policy relates to real-life situations, while AP®-style multiple-choice questions and the full range of free response questions offer students practice opportunities at the end of each chapter"--

American Government Essentials 10th Edition Plus American Government Reader Cambridge University Press

This popular brief edition text for the one-semester or one-quarter American Government course maintains the framework of Wilson's comprehensive text, emphasizing the historical development of the American political system, who governs, and to what ends. AMERICAN GOVERNMENT, BRIEF VERSION, TENTH EDITION offers new coverage of such key and emerging issues as the 2010 campaigns and elections; leadership of President Obama and the 111th Congress; the economic downturn and new policies to combat the crisis; healthcare reform; recent changes to the Supreme Court;

same-sex marriage; and the war in Afghanistan. The text also emphasizes critical thinking skills throughout and includes many tools to help students maximize their study efforts ... and results. The revised and updated eighth edition of the bestselling textbook *Politics UK* is an indispensable introduction to British politics. It provides a thorough and accessible overview of the institutions and processes of British government, a good grounding in British political history and an incisive introduction to the issues facing Britain today. With contributed chapters from respected scholars in the field and contemporary articles on real-world politics from well-known political commentators, this textbook is an essential guide for students of British politics. The eighth edition welcomes brand new material from eight new contributors to complement the rigorously updated and highly valued chapters retained from the previous edition. The eighth edition includes: · Britain in context boxes offering contrasting international perspectives of themes in British politics. · A comprehensive 'who's who' of politics in the form of Profile boxes featuring key political figures. · And another thing ... pieces: short articles written by distinguished commentators including Jonathan Powell, Michael Moran and Mark Garnett. · Fully updated chapters plus new material providing excellent coverage of contemporary political events including: The Leveson Inquiry, the aftermath of the 2011 riots and the House of Lords reform. · A vibrant and accessible new design to excite and engage students as the work through a variety of political topics. · A new epilogue to the book offering a critical perspective of the trials and tribulations of the Coalition Government, including an overview of the major differences that divide the coalition partners.

[American Government: Power and Purpose, 15th Edition \(with Policy Chapters\)](#) W. W. Norton

With limited authority over state lawmaking, but ultimate responsibility for the performance of government, how effective are governors in moving their programs through the legislature? This book advances a new theory about what makes chief executives most successful and explores this theory through original data. Thad Kousser and Justin H. Phillips argue that negotiations over the budget, on the one hand, and policy bills on the other are driven by fundamentally different dynamics. They capture these dynamics in models informed by interviews with gubernatorial advisors, cabinet members, press secretaries and governors themselves. Through a series of novel empirical analyses and rich case studies, the authors demonstrate that governors can be powerful actors in the lawmaking process, but that what they're bargaining over – the budget or policy – shapes both how they play the game and how often they can win it.

John Keane's *The Life and Death of Democracy* will inspire and shock its readers. Presenting the first grand history of democracy for well over a century, it poses along the way some tough and timely questions: can we really be sure that democracy had its origins in ancient Greece? How did democratic ideals and institutions come to have the shape they do today? Given all the recent fanfare about democracy promotion, why are many people now gripped by the feeling that a bad moon is rising over all the world's democracies? Do they indeed have a future? Or is perhaps democracy fated to melt away, along with our polar ice caps? The work of one of Britain's leading political writers, this is no mere antiquarian history. Stylishly written, this superb book confronts its readers with an entirely fresh and irreverent look at the past, present and future of democracy. It unearths the beginnings of such precious institutions and ideals as government by public assembly, votes for women, the secret ballot, trial by jury and press freedom. It tracks the changing, hotly disputed meanings of democracy and describes quite a few of the extraordinary characters, many of them long forgotten, who dedicated their lives to building or defending democracy. And it explains why democracy is still potentially the best form of government on earth -- and why democracies everywhere are sleepwalking their way into deep trouble.

"American Government in Black and White: Diversity and Democracy, Fifth Edition, covers all of the standard topics found in an Introduction to American Government text while also speaking to today's students who want to examine how racial inequality has shaped-and will continue to shape-who we are and what we believe. Authors Paula D. McClain and Steven C. Tauber address issues of inequality in major facets of American government, including the U.S. Constitution, key political institutions, and the making of public policy. Engaging the original voices of racial and ethnic actors in our nation's history, the text shows how to measure and evaluate the importance of equality in America, from its founding up to today"--

American Government does more than any other text to get students to think analytically about American politics and government. The successful Five Principles of Politics framework integrated throughout the full and core versions helps students make sense of the material they encounter in the course, and the political information they encounter in their daily lives. In this Tenth Edition, new Analyzing the Evidence units in each chapter use bold graphics to show how data and basic methodology illuminate key political phenomena, and a new online reader offers students easy access to readings from over 100 recent articles and foundational works cited in the text. This Tenth Core Edition does not include the policy chapters of the Tenth Full Edition.
