A LOADED GUN. STOLEN GOLD. And a menacing stranger. A taut frontier survivor story, set at the time of the Alaska gold rush. In an isolated cabin, fourteen-year-old Sig is alone with a corpse: his father, who has fallen through the ice and frozen to death only hours earlier. Then comes a stranger claiming that Sig's father owes him a share of a horde of stolen gold. Sig's only protection is a loaded Colt revolver hidden in the cabin's storeroom. The question is, will Sig use the gun, and why? *Revolver* by Marcus Sedgwick is a 2011 Bank Street - Best Children's Book of the Year. This title has Common Core connections.

*The Hunted* is Charlie Higson's sixth terrifying installment in the thrilling *The Enemy* series. The sickness struck everyone over fourteen. First it twisted their minds. Next it ravaged their bodies. Now they roam the streets - crazed and hungry. The others had promised that the countryside would be safer than the city. They were wrong. Now Ella's all-alone except for her silent rescuer, Scarface - and she's not even sure if he's a kid or a grown-up. Back in London, Ed's determined to find her. But getting out of town's never been more dangerous - because coming in the other direction is every SICKO in the country. It's like they're being called towards the capital and nothing is going to stop them . . . In the penultimate book in *The Enemy* series, the survivors' stories cross with chilling consequences.

*Geeks vs. Zombies* Little, Brown Books for Young Readers

*Everyday Reality is a Drag?*. FUN¿-the latest in augmented reality-is fun but it's also frustrating, glitchy, and dangerously addictive . Just when everyone else is getting on, 17-year-old Aaron O'Faolain wants off. But first he has to complete his Application for Termination, and in order to do that he has to deal with his History-not to mention the present, including his grandfather's suicide and a series of clues that may (or may not) lead to buried treasure. As he attempts to unravel the mystery, Aaron is sidetracked again . . . and again. Shadowed by his virtual "best friend," Homie, Aaron struggles with love, loss, dog bites, community theater, wild horses, wildfires, and the fact (deep breath) that actual reality can sometimes surprise you. Sean McGinty's strikingly profound debut unearths a world that is eerily familiar, yet utterly original. Discover what it means to come to the end of fun.
