course is research-based to ensure the best methodology. Providing comprehensive coverage of the CAPS curriculum, it has a strong focus on skills building, problem-solving and concepts mastery. Classroom Mathematics Grades 10 12 - Pearson Africa Goals / Objectives For most of the last century the primary focus of secondary agricultural education was entry-level job preparation for agriculture workers, primarily farmers. In the mid 1980s a shift away from a singular focus on vocational preparation and toward a more balanced science-based approach to agricultural education began to take hold nationally.
