BRAXTON AMAYA

For a Love of His People Smithsonian Institution
Gidjie is an Anishinaabe girl who lives near the shore of Lake Superior. Her best friend is an opossum. Her grandmother is an expert baker, traveling animal medic, and part-time bird. Join Gidjie as she embarks on a life-changing journey to uncover the whereabouts of her missing wolf aunt--prodded on by dancing foxes, a tiny man on a floating island, and unexpected friendships. "Gidjie and the Wolves" is the first book in *The Intermediaries*, a middle grade series.

Comprehensive Calendar of Bicentennial Events 7th Generation

A Clan Mother story for the twenty-first century, *Sacred Wilderness* explores the lives of four women of different eras and backgrounds who come together to restore foundation to a mixed-up, mixed-blood woman—a woman who had been living the American dream, and found it a great maw of emptiness. These Clan Mothers may

be wisdom-keepers, but they are anything but stern and aloof—they are women of joy and grief, risking their hearts and sometimes their lives for those they love. The novel swirls through time, from present-day Minnesota to the Mohawk territory of the 1620s, to the ancient biblical world, brought to life by an indigenous woman who would come to be known as the Virgin Mary. The Clan Mothers reveal secrets, the insights of prophecy, and stories that are by turns comic, so painful they can break your heart, and perhaps even powerful enough to save the world. In lyrical, lushly imagined prose, *Sacred Wilderness* is a novel of unprecedented necessity.

Powhatan's World and Colonial Virginia

University of Washington Press

A comprehensive reference work on the culture and history of Native Americans.

[The Appropriation of Native American Spirituality](#) McGraw Hill Professional

"Written" by Guaikán, the elderly Taino man who, in his youth, was adopted by Christopher Columbus and saw history unfold, *Taino* is the Indian chronicle of the American encounter,

the Native view on Columbus and what happened in the Caribbean. This novel, based on a true story, penetrates the historical veil that still enshrines the "discovery."

Sitting Bull Harper Collins

Bad IndiansHeyday Books
[Peace, Love, Action!](#) MSU Press

"A reverent tribute to the great Hunkpapa chief and holy man, cast as a memoir with a rich array of new and contemporary illustrations." —Kirkus Reviews
Sitting Bull (c. 1831–1890) was one of the greatest Lakota/Sioux warriors and chiefs who ever lived. He was eventually named war chief, leader of the entire Sioux nation—a title never before bestowed on anyone. As a leader, *Sitting Bull* resisted the United States government's attempt to move the Lakota/Sioux to reservations for more than twenty-five years. From *Sitting Bull's* childhood—killing his first buffalo at age ten—to being named war chief, to leading his people against the U.S. Army, and to his surrender, *Sitting Bull: Lakota Warrior and Defender of His People* brings the story of the great chief to light. *Sitting*

Bull was instrumental in the war against the invasive wasichus (White Man) and was at the forefront of the combat, including the Battles of Killdeer Mountain and the Little Bighorn. He and Crazy Horse were the last Lakota/Sioux to surrender their people to the U.S. government and resort to living on a reservation. Award-winning author and member of the Standing Rock Sioux tribe S. D. Nelson intersperses archival images with his own artwork, inspired by the ledger-art drawings of the nineteenth-century Lakota. Through the art and riveting story, Nelson conveys how Sitting Bull clung to his belief that the Lakota were a free people meant to live, hunt, and die on the Great Plains. "A tragic true story told in powerfully subdued tones." —Booklist (starred review) "Both powerful and poignant."

—Publishers Weekly (starred review)

Floral Journey Parallax Press

A sumptuously photographed introduction to the world of the pre-reservation Plains Indians collects simple but eloquent quotations by Native American chiefs and elders that describe what

life was like for children growing up on the American Plains and includes sections on camp life and the roles of parents and grandparents.

 American Indian customs, stories, and history come to life in this important and authoritative reference, artfully designed and packaged for kids and students. More than 160 tribes are featured in this outstanding new encyclopedia, which presents a comprehensive overview of the history of North America's Native peoples. From the Apache to the Zuni, readers will learn about each tribe's

history, traditions, and culture, including the impact of European expansion across the land and how tribes live today. Features include maps of ancestral lands; timelines of important dates and events; fact boxes for each tribe; bios of influential American Indians such as Sitting Bull; sidebars on daily life, homes, food, clothing, jewelry, and games; Did You Know facts with photographs; and traditional Native stories. The design is compelling and colorful, packed with full-color photographs. To help give kids the lay of the land, this reference is arranged by region, and all federally recognized tribes are included. Tribal members representing each region and experts at the National Museum of the American Indian at the Smithsonian Institution were involved in its creation. With nothing comparable available, it is sure to be a valuable resource for kids, students, librarians, and families.

Native American Night Before Christmas
 University of Nevada Press
 NATIONAL BESTSELLER • PEN/HEMINGWAY AWARD WINNER • One of The New York Times 10 Best Books

of the Year • A wondrous and shattering novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, There There is at once poignant and unflinching, utterly contemporary and truly unforgettable.
People of Legend
 Talonbooks
 Chase's Calendar of Events is the most comprehensive and authoritative reference available on special events, holidays, federal and state observances, historic anniversaries,

astronomical phenomena, and more. Published since 1957, Chase's is the only guide to special days, weeks, and months.

Savage Conversations

Random House (NY)

Frederic W. Gleach offers the most balanced and complete accounting of the early years of the Jamestown colony to date. When English colonists established their first permanent settlement at Jamestown in 1607, they confronted a powerful and growing Native chiefdom consisting of over thirty tribes under one paramount chief, Powhatan. For the next half-century, a portion of the Middle Atlantic coastal plain became a charged and often violent meeting ground between two very different worlds.

The New Politics of Indian Gaming Rowman & Littlefield

Tess shares a part of her Indian heritage with classmates during show and tell as she describes the Round Dance and Pow Wow and invites her class to take part in a Pow Wow held in the school gymnasium.

Super Indian Abrams

For more than five decades of the twentieth century, one of the first American Indian professional

photographers gave an insider's view of his Oklahoma community? a community rooted in its traditional culture while also thoroughly modern and quintessentially American

Unto These Hills Vintage

That the Blood Stay Pure traces the history and legacy of the commonwealth of Virginia's effort to maintain racial purity and its impact on the relations between African Americans and Native Americans. Arica L. Coleman tells the story of Virginia's racial purity campaign from the perspective of those who were disavowed or expelled from tribal communities due to their affiliation with people of African descent or because their physical attributes linked them to those of African ancestry. Coleman also explores the social consequences of the racial purity ethos for tribal communities that have refused to define Indian identity based on a denial of blackness. This rich interdisciplinary history, which includes contemporary case studies, addresses a neglected aspect of America's long struggle with race and identity.

Jingle Dancer Heyday

Books

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Music, Indigeneity, Digital Media A&C Black

This book examines the contest powwow to better understand what it means to participants and how it carries on the beauty of Native American culture. The authors assess how competitive dancing aligns with and differs from traditional sports while introducing their concept of Cultural Tethering Theory to understand its importance.

New York Magazine

Coffee House Press

The Hero Twins tells the story of two brothers born to Changing Woman and trained by the Holy People to save their people from the naayéé', a race of

monsters. But the naayéé' can't be beaten alone. Family and friends and wise mentors must lead any warrior down the good path toward victory. Colorful illustrations show the action as the twins seek out their father to receive the weapons they need to face the greatest monster of them all: Yé'itsoh. Told in Navajo, the Diné language, and English, this story exists in many versions, and all demonstrate the importance of thinking, patience, persistence, bravery, and reverence. These teachings still help the Diné—and everyone—find the harmony of a balanced and braver life.

Illinois Calendar of

Events Boydell & Brewer Native Americans and Canadians are largely romanticised or sidelined figures in modern society. Their spirituality has been appropriated on a relatively large scale by Europeans and non-Native Americans, with little concern for the diversity of Native American opinions. Suzanne Owen offers an insight into appropriation that will bring a new understanding and perspective to these debates. This important volume collects together these key debates from the last 25 years and sets them in context, analyses Native American objections to appropriations of their spirituality and examines

'New Age' practices based on Native American spirituality. The Appropriation of Native American Spirituality includes the findings of fieldwork among the Mi'Kmaq of Newfoundland on the sharing of ceremonies between Native Americans and First Nations, which highlights an aspect of the debate that has been under-researched in both anthropology and religious studies: that Native American discourses about the breaking of 'protocols', rules on the participation and performance of ceremonies, is at the heart of objections to the appropriation of Native American spirituality.
