**Exercise I FBDs - Ms. Horton's
Physics Website** Laying The
 Foundation Physics Answers LAYING THE
 FOUNDATION® ... on a fast-paced ride
 from 6th grade science to high school
 physics. During today's training, ask
 yourself these questions: • What science
 process skills are being addressed in this
 lesson? • How do the skills needed for
 this lesson reinforce and extend the
 skills from previous LAYING THE
 FOUNDATION® SCIENCE Laying the
 Foundation Student success begins with
 teachers who are knowledgeable in their
 subject matter, skilled at instructing

diverse classrooms , and capable of
 preparing students to be confident and
 creative problem-solvers. National Math
 and Science Initiative - Laying the
 Foundation Physics Literal Equations
 Manipulating Variables and Constants
 About this Lesson This activity provides
 significant practice for students to gain
 skill in manipulating literal equations.
 This lesson is included in the LTF Physics
 Module 2 and the LTF Chemistry Module
 5. Objectives Students will: Literal
 Equations Manipulating Variables and
 Constants Laying the Foundation in
 Physics 303 4. Determine the speed of
 the fifth washer (at the top of the fourth
 distance interval) a. at the instant the
 third washer (at the top of the second
 interval) strikes the ground. b. at the

instant the fifth washer strikes the ground. 5.p 04freefallingwashers hh hh fiTo represent their contributions in laying the foundation for student success, recipients received an award made from the iconic CU Boulder native sandstone used to construct our breathtaking campus buildings and architecture. 2017-18 honorees.
