*Secret Of Disciplehood* Diamond Pocket Books (P) Ltd.  
Osho Never Born Never Died. Only visited this Planet Earth between December 11, 1931-January 19, 1990. As this final

inscription suggests, Osho Rajneesh was a paradox: an individual with no claims to being an individual a Master with thousands of disciples who refused to be a Master. He has variously been seen as the god that failed ,the most dangerous man since Jesus Christ and the Buddha for the future .This book brings together some of the best short writings in English on Osho and neo-Sannyasa. Some of the pieces are celebratory, some inquisitive but uncommitted, some scholarly, and some frankly sceptical. The book is divided into four parts, dealing with Osho himself, his

Community, Meditation and Therapy, and the Decline and Renewal of his movement, with a postscript on the present commune. Together the papers provide a full picture of a complex man and a vibrant, if turbulent, religious movement.  
Zen : The Art Of Meditation Diamond Pocket Books (P) Ltd.  
Osho is one of the most original minds in this second half of the twentieth century. Reading him is sheer pleasure. Osho is undoubtedly a master of words and knows how to use them... He should be read. Many passages from his books are

quotable I wish I had written them myself.

*Nirvana : The Last Nightmare* University of California Press  
Zorba is not separate from Buddha. The West is not separate from the East. In fact, any materialism that has no values of spirituality is going to be very mundane, profane, ugly. It will not have any flights into the open sky towards the stars. It will not flower and release its fragrance; if will be just a rock. Spiritualism without materialism may have beautiful values but it is Without foundations. It may create great palaces reaching to the stars, but without foundations these palaces can only be hallucinations, they cannot be real. Book jacket.  
*The Psychology Of The Esoteric* Diamond Pocket Books (P) Ltd.  
Explores the intertwined histories of print and protest in the United States from Reconstruction to the 2000s. Ten essays look at how protestors of all political and religious persuasions, as well as aesthetic and ethical temperaments, have used the printed page to wage battles over free speech; test racial, class, sexual, and even culinary boundaries; and to alter the moral landscape in American life.

*Yoga : The Birth Of Being* Sterling Publishers Pvt. Ltd

His (Osho) incredible taped discourses, lectures and books have inspired me (and millions of others) on the path of self evolution..... His presence here is like a great bell tolling...awaken, awaken, awaken. James Coburn-USA Actor "A former university academic, Osho has been recognized...as an important spiritual philosopher.... The teachings of Osho in fact encompass many religions, but he is not defined by any of them. He is an illuminating speaker on Zen, Taoism, Tibetan Buddhism, Christianity, and ancient Greek philosophy...and also a prolific author." 'Dictionary of Mysticism and the Occult,' USA Author: Nevill Drury

Zorba the Buddha is the first comprehensive study of the life, teachings, and following of the controversial Indian guru known in his youth as Bhagwan Shree Rajneesh and in his later years as Osho (1931-1990). Most Americans today remember him only as the "sex guru" and the "Rolls Royce guru," who built a hugely successful but scandal-ridden utopian community in central Oregon during the 1980s. Yet Osho was arguably the first truly global guru of the twentieth century, creating a large transnational movement that traced a complex global circuit from post-Independence India of the 1960s to Reagan's America of the 1980s and back to a developing new India in the 1990s. The Osho movement embodies some of the most important economic and spiritual currents of the past forty years, emerging and adapting within an increasingly interconnected and conflicted late-capitalist world order. Based on extensive ethnographic and archival research, Hugh Urban has created a rich and powerful narrative that is a must-read for anyone

interested in religion and globalization.

In these pages you will find the experience of a twentieth century buddha as He responds to questions from people like you and me who sense that there is more to life than meets the eye. If reading Osho's words you find a thirst arising in you to explore that beyond you have heard this invitation you have accepted this Great Challenge.  
**A Lotus Of Emptiness (Sufis : The People Of The Path, Vol-1, Ch 9-16)** Diamond Pocket Books (P) Ltd.  
Burn your candle of life from both ends! Burn it so intensely... if it is finished in one second it is okay, but at least you will have known what it is. Only intensity penetrates. And if you can live an intense life you will have a different quality of death, because you will die intensely. As life is, so will the death be. -Osho

These songs of Kabir are nothing but the overflowing of that melody that he has heard. These songs are nothing but the overflowing of the flood that he has received into his innermost being. These songs are no longer ordinary songs. These songs are not only those of a poet but those of a mystic - one who knows knows by living it; one who has tasted God who is drunk with God. -Osho
