Avery Dawson is back for the holidays, for the first time in five years. So what has changed in her absence she wonders? As Avery makes her way through the snowy fields and across the icy lanes, towards her semi-rural English village to return to the cottage she still calls

home. There's someone in particular that Avery would love to see again. Only he'll have to wait until she's ready to explain, what made her return in the first place. But perhaps they could rekindle their romance for this season of goodwill, once they do catch-up, who knows. There's just one problem with this idea, well, several actually so this year is not turning out to be the merry little Christmas Avery thought

it could be. Seeing as the festivities can not only bring out the best in people but also the worst too, in this jolly humour-filled novella so reading it is a perfect way to lighten the mood on those dark days ahead. South Coast Publishing Profiles noteworthy Christmas films of all types, including movies for children and for grownups, comedies, sad movies, crime and adventure films, horror movies,

versions of "A Christmas Carol," the worst movies, and the classics.

Little Simon
Welcome to Marshmallow Hollow, Maine, a holiday mystery, where it's all

Christmas all the time and murder is hung by the chimney with care... For an adorable little Christmas town, Marshmallow Hollow sure sees a lot of action. Just days off the last murder—solved by moi, Halliday Valentine, and my gorgeous tenant, Hobbs—I'm eagerly awaiting a visit from my dear Uncle Darling and his husband, Monty, when my phone blows up. Another

murder, this time at the convenience store on the edge of town...and Uncle Monty was hurt in the process. Without hesitation, Hobbs and I jump into action, seeking justice for the deceased and both of my uncles. Between ambulance-chasing lawyers, career-climbing journalists and chain-smoking ex-drug dealers, we have more than enough suspects to go

around. But how do any of them connect to three missing girls from neighboring towns...? Will Monty, the only living witness, be safe while the killer's at large ...? Will Atticus, my adorbs hummingbird familiar, magic me to Siberia when I use one too many spells for his liking...? And most of all, how will handsome Hobbs react when he learns my frequent "migraines"

are a lot less neurological... and a whole lot more paranormal? [Love Me Tender Sheet Music](#) Soho Press (Faber Piano Adventures). Bee Hobbes (aka Bianca Von Honey) has a successful career as a plus-size adult film star. With a huge following and two supportive moms, Bee couldn't ask for more. about to take a more family-friendly direction. Forced to keep her work as Bianca under wraps, Bee quickly learns this is a task a lot easier said than done. Though it all becomes worth it when she discovers her co-star is none other than childhood crush Nolan Shaw, an ex-boy band member in desperate need of career rehab. Nolan's promised his bulldog manager to keep it zipped up on set, and he will if it means providing a more stable living situation for his sister and mom. But things heat up quickly in Christmas Notch, Vermont, when Nolan recognizes his new co-star from her ClosedDoors account (oh yeah, he's a member). Now Bee and Nolan are sneaking off for quickies on set, keeping their new relationship a secret from the Hope Channel's execs. Things only get trickier when the reporter who torpedoed Nolan's singing career comes snooping around--and takes an instant interest in mysterious newcomer Bee. Can Bee and Nolan keep their off-camera romance behind the scenes, or will they lose it all?
