“Outlander meets Camelot” (Kirsty Logan, author of *The Gracekeepers*) in the first book of an exciting historical trilogy that reveals the untold story of Languoreth—a powerful and, until now, tragically forgotten queen of sixth-century Scotland—twin sister of the man who inspired the legendary character of Merlin. Intelligent, passionate, rebellious, and brave, Languoreth is the unforgettable heroine of *The Lost Queen*, a tale of conflicted loves and survival set against the cinematic backdrop of ancient Scotland, a magical land of myths and superstition inspired by the beauty of the natural world. One of the most powerful early medieval queens in British history, Languoreth ruled at a time of enormous disruption and bloodshed, when the burgeoning forces of Christianity threatened to obliterate the ancient pagan beliefs and change her way of life forever. Together with her twin brother Lailoken, a warrior and druid known to history as Merlin, Languoreth

is catapulted into a world of danger and violence. When a war brings the hero Emrys Pendragon, to their door, Languoreth collides with the handsome warrior Maelgwn. Their passionate connection is forged by enchantment, but Languoreth is promised in marriage to Rhydderch, son of the High King who is sympathetic to the followers of Christianity. As Rhydderch’s wife, Languoreth must assume her duty to fight for the preservation of the Old Way, her kingdom, and all she holds dear. “Moving, thrilling, and ultimately spellbinding” (BookPage), *The Lost Queen* brings this remarkable woman to life—rescuing her from obscurity, and reaffirming her place at the center of the most enduring legends of all time. “Moving, thrilling, and ultimately spellbinding, *The Lost Queen* is perfect for readers of historical fiction like *The Clan of the Cave Bear* and *Wolf Hall*, and for lovers of fantasy like *Outlander* and *The Mists of Avalon*” (BookPage).

Book Three of the Love's Territory Series Birlinn

What if you had just learned that your days are about to come to an end? Would you quietly accept your destiny, or would you fight this one final battle? And what if the demons of your past disturb the delicate reconciliation you thought you had found? These are the questions facing John Kadel

in “If only I could...,” a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching. John Kadel is a stubborn, single old man with a colorful past and questions for which he has no answers. Not long after his doctor hands him a death sentence, John runs into someone from his past.

Before Scotland MM Books

In *To the Island of Tides*, Alistair Moffat travels to – and through the history of – the fated island of Lindisfarne. Known by the Romans as *Insula Medicata* and famous for its monastery, it even survived Viking raids. Today the isle maintains its position as a space for retreat and spiritual renewal. Walking from his home in the Borders, through the historical landscape of Scotland and northern England, Moffat takes us on a pilgrimage in the footsteps of saints and scholars, before arriving for a secular retreat on the Holy Isle. *To the Island of Tides* is a walk through history, a meditation on the power of place, but also a more personal journey; and a reflection on where life leads us.

Exploring Scotland's Wild Histories CreateSpace

Shortlisted for the Edward Stanford Travel Writing Awards In *The Hidden Ways*, Alistair Moffat traverses the lost paths of Scotland. Down Roman roads tramped by armies, warpaths and pilgrim routes, drove roads and rail roads, turnpikes and sea roads, he traces the arteries through which our nation's lifeblood has flowed in a bid to understand how our history has left its mark upon our landscape. Moffat's travels along the hidden ways reveal not only the searing beauty and magic of the Scottish landscape, but open up a different sort of history, a new way of understanding our past by walking in the footsteps of our ancestors. In retracing the forgotten paths, he charts a powerful, surprising and moving history of Scotland through the unremembered lives who have moved through it.

You've Got Time Birlinn

Simcha Guterman's, *Leaves from Fire*, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.

A Real Guide from Real Experts on Getting the Job You Want! Independently Published
The Secret History of Here is the story of a single place, a farm in the Scottish Borders. The site on which Alistair Moffat's farm now stands has been occupied since pre-historic times. The fields have turned up ancient arrow heads, stone spindles, silver pennies and a stone carved with the rune-like letters of Ogham. Walking this landscape you can feel the presence and see the marks of those who lived here before. But it is also the story of everywhere. In uncovering the history of one piece of land, Moffat shows how history is all around us, if only we have the eyes to see it. Under our feet, carved into the landscape, in the layout of paths and roads, in the stories we pass down, our history leaves its trace on the land. Taking the form of a journal of a year, *The Secret History of Here* is a walk through the centuries as much as the seasons. We hear the echo of battles long since fought, of lives lived quietly or scandalously, of armies, of kings, of the common folk who mostly inhabited this land, and a little of those that live here now.

The Unremembered Places Canongate Books

Modern communications have driven motorways and pylons through the countryside, dwarfed us with TV and telephone masts and drastically altered the way in which we move around, see and understand Scotland. Recent politics and logistics have established borders and jurisdictions which now seem permanent and impervious. The Faded Map looks beyond these to remember a land that was once quiet and green. It brings to vivid life the half-forgotten kings and kingdoms of two thousand years ago, of the time of the Romans, the Dark Ages and into the early medieval period. In this fascinating account, Alistair Moffat describes the landscape these men and women moved through and talks of a Celtic society which spoke to itself in Old Welsh, where the Sons of Prophecy ruled, and the time when the English kings of Bernicia held sway over vast swathes of what is now Scotland. Heroes rode out of the mists to challenge them and then join with them. The faint echo of the din of ancient battles can be heard as Alistair Moffat takes the reader on a remarkable journey around a lost Scotland.

Am I Small? Adim Obere? Canongate Books

This book is all about how to harness your hidden potentials and a few simple steps that you have to follow to be successful in life. I'm definitely not going to say that if you follow everything in this book you will be the next Bill Gates, but just that this book will definitely help you to a great extent and will definitely help you to achieve whatever you want to in your life. This book consists of chapters based on harnessing the hidden potentials of your brain and how to be successful in life. The first two chapters are about the ways to harness your hidden potential, improving the productivity of your brain and mind mapping. The next three chapters are about personal development, easy steps to create lasting changes and how to achieve your goals. Simple and easy steps to do what the title suggests follow in the respective chapters. Everything that is suggested by me is very simple and not at all complicated. You will definitely come to know about it when you read the book. So I guess it's time to jump into this book and have a great swim and

come out of it with an awesome experience. Thank You.

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Nominated for a Small Business Marketing Book award!. You have 30 days to convert a user to a paying customer starting NOW. The clock is ticking. What will you do? Collecting and analysing the messaging and strategies the leading e-commerce, software and service companies use as they convert trial users to customers in the most important 30 days after sign-up. Each companies strategy is broken down and presented in an easy to use and understand visual guide. 30 days to sell is a must buy if you are looking to automate and improve new customer conversion. This book covers: Activation campaigns from the worlds leading web companies. Easy reference guide - what message to send and when. Full page examples of each marketing message. Steal ideas from successful entrepreneurs, marketers and growth hackers. Two new bonus chapters showcasing more activation campaigns.

To Timbuktu, (and Back Again) Publishamerica Incorporated

This unique “fusion of science and the physical history” traces the story of the Scots through their DNA (Sunday Herald). An almost limitless archive of our history lies hidden inside our bodies, and this book traces the ancient story of Scotland from that scientific viewpoint. The mushrooming of genetic studies, of DNA analysis, is rewriting history in spectacular fashion. In *Scotland: A Genetic Journey*, Alistair Moffat explores the history that is printed on our genes, and in a remarkable new approach, uncovers the detail of where Scots are from, where they have journeyed, and who they are—and in so doing, vividly colors in a DNA map of Scotland. “[Moffat] is wonderfully able to communicate the epic elements of the story.” —Scotsman

The United States, once upon a time not long ago, was filled with family farms. You could walk along a country road and pass family after family. They'd maybe be working in the fields or around in the yard. They might be lounging on the porch drinking sweet cold tea. No big operations on houseless land, no amalgamations, no paved roads, no total efficiency, just home. They'd wave, and you'd wave. Growing fills a child's day all the way up. Years later we might -- or might not -- remember what was happening in the big world. Like the Great Depression, which (for some) was gone. And World War II, fought by Americans (mostly farm boys) far from home. In the 1940s, a child was growing up hungry to learn. She already knew that mules, herd dogs, and turkey gobblers don't like children but nanny goats and little dogs do, that bare feet are best, and that money is 'way less important than freedom and good grownups. Soon as she could read and print, she filled a dime-store diary every year. Each had a tiny clasp and key. At the end of summer 1949 she unlocked her diaries and found them tricky to read but full of true-to-life telling about animals, clashes, bravery, tangles, crops, shadows, lightning bugs and lightning. She spent 4 months translating their jumble into 20-some notebooks. Being in school by now and seeing differences, she added fierce defenses of feed-sack playclothes, outdoor toilets, and country ways. Being so young, the child couldn't grasp these further challenges of the 1940s: Farms are where the Great Depression hit first and gripped longest. Family farms depend on people who belong on the land, who brave its uncertainties. Those people are not considered good credit risks. Others without a clue how valuable farm life can be might get title. This means the ones with the most to lose often lose. Far more Americans went to war from farms than cities. Many came home eager to take up the lives they laid down. But post-war farmland could be bought up cheap by outsiders. On this confusing new battleground, who is the enemy? The Depression and the Duration combined to teach a dangerous double lesson: Take life day by day. Don't look too far forward. MINERAL

SPRINGS ROAD 1940s is a little girl's notebooks, put together and expanded from memory. Its characters are tame, half-tame, and wild. At age not-quite-10, she's only half-tame herself, and too busy growing to realize how much she knows. Some chapters in her book: Reddish-Goldilocks Walking-Distance People How We Got Toby Pee Dee Country Nanny and the Soft Top Cap's Luck How Not To Ride a Mule Day of the Mad Fox The Army Air Base, the WAC, and Lassie Darlington Auction Market The Mint-Green House Storm, Lightning, Fire and Rain The Smell of Singed Fur The Mineral Spring Red Leather Pony And the last -- 28 December 1949 MINERAL SPRINGS ROAD 1940s is first in M B Spears' planned series MEMORY IS MY NAME.

"A brilliant debut novel full of romance and heartbreak, that pulls tight at your heartstrings and ensnares you with magical prose and lyrical beauty." 1900 - Annabelle yearns for nothing more than motherhood and her duty to provide an heir to devoted husband Richard Hardwick, successor to a wealthy family fortune. Her younger sister Emily, engaged to Lance Corporal James Wright, imagines only wedded bliss, but as darkness falls in the shape of War, James is deployed to South Africa, leaving her alone with an uncertain future. As melancholy festers, Emily escapes taking solace by the sea. As the distance stretches between the sisters, so too does the life-thread of family. 1997 - As her 21st birthday approaches, April reluctantly moves closer to her Grandmother Sarah, to her mother's childhood home of Bury St Edmunds, in the heart of the Suffolk countryside. As she struggling to adjust, pining for her seaside upbringing, she takes solace in the bond she shares with her grandmother. In a visit to the attic one December afternoon, she discovers more than just dusty tea chests and old suitcases. She encounters an ancestor that has remained, a ghostly apparition whispering secrets in the shadows. Confronted with visions and dreams; memories of a lost time, grave secrets, sisterly love, romance and family loyalties that stretch beyond even love's limits. April is thrown into turmoil, living moments in two eras, experiencing love and loss in both. Piecing together snippets of another life, giving peace back to the house and laying ghosts to rest; she unfolds the mystery of her family's Supernatural legacy.

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttlea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

[The Hidden Ways](#) Birlinn

'Alistair Moffat's Bannockburn is a pacy account of the days leading up to the battle' - Saturday Herald 'A carefully considered account of a well-trodden historical event, Moffat enlightens and educates with an up-to-date interpretation of a battle firmly cemented in Scottish history' - Scottish Field 'Mr Moffat's account of the duel between Bruce and de Bohun is totally gripping and he is particularly enthralling about the councils of war on the eve of the second day's battle' - Country Life From the Ice Age to the recent Scottish Referendum, historian and author Alistair Moffat explores the history of the Scottish nation. As well as focusing on key moments in the nation's history such as the Battle of Bannockburn and the Jacobite Risings, Moffat also features other episodes in history that are perhaps less well documented. From prehistoric timber halls to inventions and literature, Moffat's tale explores the drama of battle, change, loss and invention interspersed with the lives of ordinary Scottish folk, the men and women who defined a nation.

A Year in the Valley CreateSpace

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Gallia has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Gallia. The Quartar family must betray their world in order to save Gallia from a brutal civil war.

SAMMy year didn't start so well. I discovered my boyfriend was cheating on me during the Golden Globes ceremony, of all places. After that, everything went from bad to worse. Admittedly, it was partly my fault. Now here I am, in Scotland, trying to start over. I have the chance of a lifetime, and I can't afford to get in trouble - again. Still, despite the amazing opportunity, I can't help feeling

homesick. Until I meet a stranger who catches my eye. To no one's surprise but my own, he's the lead actor. He's beautiful, charming and humble and the more time we spend together, the more I find myself falling for him...but we can't be together. I got a bad reputation, and he's supposed to pretend to date his costar for the cameras. HUGH! I've been chasing my big break for more than a decade, and the moment has finally arrived. I'm the lead actor on a new TV series based on a

fantasy saga everyone is crazy about. Work is the only thing on my radar, until I meet her, a bonnie dark beauty with caramel skin and black hair. I can't stop thinking about her, nor I can stay away from her, even when the producers of the shows want me and my costar to cozy up for the camera. How am I supposed not to fall for the sexy brunette who's around me every single day? Getting lost in each other might be wrong, or it might be exactly what we need.
