What the Cat Dragged In
Penguin
Years ago, Evangeline Hollis spent a blistering night with a darkly seductive man she can't forget. But that evening of addictive pleasure has become a disaster of biblical proportions: She's

been branded with the Mark of Cain. Thrust into a world where sinners are marked and drafted to kill demons, Eve's former one-night stand, Cain, is now her mentor--and his equally sexy brother Abel is her new boss. Now Eve has become the latest point of contention in the oldest case of sibling rivalry in history... Cursed by God, hunted by demons, desired by Cain

and Abel... All in a day's work.

Don't Tempt Me Claudia Burgoa

The desire that exploded in *Mastered* continues its conflagration in the second novel in the *Enforcers* series—from the New York Times bestselling author of the *Surrender Trilogy*. In Drake's shadowy world, his enemies would exploit any weakness he had in

order to bring him to his knees, and so he's never allowed himself to care about anyone...never exhibited any vulnerability, and it made him a force to be reckoned with. Until Evangeline—his angel. A woman who slipped past his defenses like no one had ever managed. She was his to protect and ultimately, to do that, he had to do the unthinkable and drive the only good thing in his world away. Devastated and destroyed, Evangeline doesn't know what made

Drake turn on her in such a shocking manner. She only knows she'll never be the same. He once freed her from all her inhibitions, only now she is a prisoner to never-ending pain. But when Drake finds her again, she realizes there is more to his world than she ever imagined, and she must decide if she can once more trust—and submit—to the man who holds her wounded heart in his hands. And he must convince her of just how far he'll go to regain her love and forgiveness.

 They called him Baby Moses when they shared his story on the ten o'clock news: the little baby left in a basket at a dingy Laundromat, born to a crack addict and expected to have all sorts of problems. People love babies, even sick babies. Even crack babies. But babies grow up to be kids, and kids grow up to be teenagers. Nobody wants a messed up teenager. And Moses was messed up. To be with him, Georgia would change her life in ways she could

never have imagined ...

Faking the Game The PageSmith LLC

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His

arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of

the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure-I intend to

find out.

*A Touch of Crimson (A
Renegade Angels Novel)*

Kensington Books

I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside

drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around?

Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well... things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well... I might need a little more practice.

Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers

through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's *Eve of Darkness*. A reformed rake sets his sights on true love in this steamy Regency romance by the #1 New York Times–bestselling author of *Butterfly in Frost*. The Marquess of Grayson never felt a twinge of guilt

when he stole the beautiful Lady Pelham right out from under his best friend's nose. After all, they were well matched in all things—their sensual appetites, wicked wits, provocative reputations, and their absolute refusal to ruin their marriage of convenience by falling in love. But then a shocking turn of events sent her roguish husband from her side. Four years later, he has returned a powerful, irresistible man who is determined to seduce his way into her affections.

No, this is not at all the man she married. But he is the man who might finally steal her heart . . . a distraction from ineffectual dating apps, Paige volunteers with a cat rescue organization, where she actually meets a guy with some real relationship potential. Recent law school grad Josh Harlow is putting in long hours at a Manhattan law firm as he gets over a messy breakup. When his boss requires him to do some volunteer work, Josh's sister sets him up to help capture feral cats. Partnered with Paige, Josh is insistently drawn to the dynamic event planner and sparks between them

fly. One problem: after a steamy night together, Paige discovers Josh is Lauren's brother and dating him would be a spectacularly awful idea. Particularly considering Paige's track record. They're both in too deep to walk away—but if they let the cat out of the bag, it's going to wreak havoc with friends, family, and jobs alike. Praise for Kate McMurray: "McMurray offers up some irresistible animal magnetism in this quirky romance...Colorful locals and the leads' convincing chemistry give

Claudia Burgoa comes this fake-relationship-office romance that'll leave readers laughing and swooning! What happens when the guy who's afraid of love finds

himself in it? Know what they say about never mixing business with pleasure? I thought it was dumb. The one about never sleeping with your boss? I ignored it, too. I blame Aslan Spearman, the boss. He's a wealthy playboy who doesn't believe in happily ever after. He's demanding, a workaholic, and a cynical...jerk. He'd rather have a root canal than be in a romantic relationship. Do you want to know a secret? I think he's afraid of love. So when he has to go to the Spearman

family reunion in Hawaii with his girlfriend, he's in big trouble. That's what happens when you lie to your family about your relationship status. It wasn't important—until now. What does he do? He comes to me, his VP of Operations and right hand for assistance. After all, I'm a problem solver. Except my personal life is complete chaos. So we make a deal. I'll be his girlfriend if he helps me solve my problems. It's a win-win situation, right? I mean, how hard can it be? It's not like I plan to fall in

tenement in the early
 days of the pandemic,
Fourteen Days is a
 dazzling, heartwarming
 novel with an unusual
 twist: each character has
 been secretly written by a
 different, major literary
 voice - from Margaret

 Manhattan have begun to
 gather on the rooftop and

more neighbours gather, bringing chairs and milk crates and overturned pails. Gradually the tenants - some of whom have barely spoken to each other - become real neighbours. In this Decameron-like serial novel, general editor Margaret Atwood, Authors Guild president Douglas Preston, and a star-studded list of contributors create a beautiful ode to the people who couldn't get away from the city when the pandemic hit. A dazzling, heartwarming

collection, *Fourteen Days* reveals how beneath the loss and suffering, some communities managed to become stronger.
