Penguin
The Threads of The

Scarlet Letter offers new discoveries regarding the origins of Hawthorne's masterpiece, as well as critical interpretations based on these discoveries. Relying on a blend of close reading, biographical analysis, and archival research, this book demonstrates anew the power of traditional scholarship. *The Threads of The Scarlet Letter* illuminates Hawthorne's transformation of Poe's celebrated tale *The Tell-Tale Heart* and Lowell's long-neglected poem *A Legend of Brittany* and, identifying the hitherto-unknown author of the seminal narrative *The Salem Belle*, investigates Hawthorne's brilliant borrowing from that novel as well. The present volume argues that Hawthorne repeatedly attenuated his sources, but also allowed sufficient detail to permit their recognition. Furthermore, this volume elaborates Hawthorne's reworking of formal traditions in *The Scarlet Letter*--traditions that importantly clarify the meaning of the whole. *The Scarlet Letter* is shown to be a complex rendering of man's fall and redemption, and a triumphant assertion of literary vocation. *The Threads of The Scarlet*

Letter includes a useful bibliographical overview of the history of the study of the origins of Hawthorne's greatest work.

Gale, Cengage Learning REA's MAXnotes for Nathaniel Hawthorne's *The Scarlet Letter* The MAXnotes provides a comprehensive summary and analysis of *The Scarlet Letter* and a biography of Nathaniel Hawthorne. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. *The Scarlet Letter Thrift Study Edition* *The Scarlet Letter Thrift Study Edition* "Thou and thine, Hester Prynne, belong to me."

With these chilling words a husband claims his wife after a two-year absence. But the child she clutches is not his, and Hester must wear a scarlet 'A' upon her breast, the sin of adultery visible to all. Under an assumed name her husband begins his search for her lover, determined to expose what Hester is equally determined to protect. Defiant and proud, Hester witnesses the degradation of two very different men, as moral codes and legal imperatives painfully collide." "Set in the Puritan community of seventeenth-century Boston, *The Scarlet Letter* also sheds light on the nineteenth century in which it was written, as Hawthorne explores his ambivalent relations with his Puritan forebears. The text of this edition is taken from the Centenary Edition of Hawthorne's works, the most authoritative critical edition."--BOOK JACKET.

" . . . in the view of Infinite Purity, we are sinners all alike . . . the holiest among us has but attained so far above his fellows as to discern more clearly the

Mercy which looks down, and repudiate the phantom of human merit which would look aspiringly upward." *The Scarlet Letter* is set in the Massachusetts Bay Colony sometime between 1640 and 1650. Hester Prynne has traveled alone to America to prepare a home for herself and her husband. In her husband's long absence Hester commits adultery and gives birth to a child. In accordance with the town's strict biblical law, Hester is punished, though leniently for that time in the colony. She is sentenced to stand for several hours on the town's scaffold exposed to public shame and to wear a scarlet "A" for the rest of her life. Hester's partner in sin, a prominent member of the community, remains silent about his own guilt, and Hester refuses to reveal his identity. Meanwhile, Hester's long-absent husband, Roger Chillingworth, returns on the very day Hester must endure her public humiliation. He decides to remain silent concerning his own identity but determines to seek revenge on Hester's lover. He discovers the guilt-ridden man's identity, and by posing as a physician

draws close to his victim and undermines the man's health and will to live. *The Scarlet Letter* examines the web of interaction between these characters and the themes of guilt, perception, and redemption. Interactive CD-rom.

In her acclaimed novels, Susan Vreeland has given us portraits of painting and life that are as dazzling as their artistic subjects. Now, in *The Forest Lover*, she traces the courageous life and career of Emily Carr, who—more than Georgia O'Keeffe or Frida Kahlo—blazed a path for modern women artists.

Overcoming the confines of Victorian culture, Carr became a major force in modern art by capturing an untamed British Columbia and its indigenous peoples just before industrialization changed them forever.

From illegal potlatches in tribal communities to artists' studios in pre-World War I Paris, Vreeland tells her story with gusto and suspense, giving us a glorious novel that will appeal to lovers of art, native cultures, and lush historical fiction.
