STEWART BRUNO

Playing Jazz Piano Amadeus Press
 "A dreamy summer rom-com that'll make you believe in love again." --Bustle "Full of not only sigh-inducing swoons but the social commentary [Thorne] is talented at writing." --Paste Music was Ruby's first love, but did it ever love her back? After a nightmare audition at the music school where her famous father teaches, the answer to this question is unavoidable. And so, it seems, is Oscar Bell. Musical genius, YouTube sensation, and her dad's new protégé, Oscar is the last person Ruby needs in her life. Being around him feels dangerously like being with her first love again--except music never kissed her like

this. Oscar is falling for Ruby too, but he knows how it'll look to the ultra-privileged, ultra-white world of classical music--a Black guy dating his mentor's white daughter. As the New York City summer heats up, though, so does the spark between them. Can two people still figuring themselves out figure out how to be together? And will Ruby get over her first love in time to save what she has with her second? "Delightful...Hits all the right notes." --Mackenzi Lee, author of *The Gentleman's Guide to Vice and Virtue* "Seriously swoony...I loved it." --Rachel Hawkins, author of *Royals* "Sweet and intense...[An] engrossing romance with a social conscience." --Kirkus "Utterly romantic." --Tanaz Bhathena, author of *A Girl Like That* "Full of heart and humor. It crackles with energy." --Kelly Loy Gilbert, author of *Picture Us in the Light* "Timely

and romantic." --Publishers Weekly "Beautiful, heartfelt, aware, and raw." --Lauren Gibaldi, author of *This Tiny Perfect World* "Thoughtful, nuanced." --Booklist Encore!, Book 3 Alfred Music A beautifully illustrated, totally engrossing celebration of the piano, and the composers and performers who have made it their own. With honed sensitivity and unquestioned expertise, Stuart Isacoff—pianist, critic, teacher, and author of *Temperament: How Music Became a Battleground for the Great Minds of Western Civilization*—unfolds the ongoing history and evolution of the piano and all its myriad wonders: how its very sound provides the basis for emotional expression and individual style, and why it has so powerfully entertained generation upon generation of listeners. He illuminates the groundbreaking music of

Mozart, Beethoven, Liszt, Schumann, and Debussy. He analyzes the breathtaking techniques of Glenn Gould, Oscar Peterson, Vladimir Ashkenazy, Arthur Rubinstein, and Van Cliburn, and he gives musicians including Alfred Brendel, Murray Perahia, Menahem Pressler, and Vladimir Horowitz the opportunity to discuss their approaches. Isacoff delineates how classical music and jazz influenced each other as the uniquely American art form progressed from ragtime, novelty, stride, boogie, bebop, and beyond, through Scott Joplin, Fats Waller, Duke Ellington, Bill Evans, Thelonious Monk, Chick Corea, Herbie Hancock, Cecil Taylor, and Bill Charlap. *A Natural History of the Piano* distills a lifetime of research and passion into one brilliant narrative. We witness Mozart unveiling his monumental concertos in Vienna's coffeehouses, using a special piano with one keyboard for the hands and another for the feet; European virtuoso Henri Herz entertaining rowdy miners during the California gold rush; Beethoven at his piano, conjuring healing angels to console a grieving mother who had lost her child; Liszt fainting in the arms of a page turner to spark an entire hall into hysterics. Here is the instrument in all its complexity and beauty. We learn of the incredible craftsmanship of a modern Steinway, the peculiarity of specialty pianos built for the Victorian household, the continuing innovation in keyboards including electronic ones. And most of all, we hear the music of the masters, from centuries ago and in our own age, brilliantly evoked and as marvelous as its most recent performance. With this wide-ranging volume, Isacoff gives us a must-have for music lovers, pianists, and the armchair musician.

A Natural History of the Piano Hal Leonard Corporation

In this eloquent, intimate exploration of the delights and demands of the piano, world-renowned concert pianist and music writer Charles Rosen draws on a lifetime's wisdom to consider every aspect of the instrument: from what makes a beautiful sound to suffering from stage fright, from the physical challenges of playing to tales of great musicians, including Vladimir Horowitz's recording tricks, Rachmaninov's hands and why Artur Rubenstein applied hairspray to the keys. Gracefully blending anecdote, history, expertise and memoir, *Piano Notes* will enchant anyone with a passion for music.

50 Most Popular Classical Melodies

(Songbook) Hal Leonard Corporation

"Explosively passionate, this story of forbidden love and unmet potential is ... for anyone who's ever felt the ineffable

power of music." —Aja Gabel, author of *The Ensemble* *The Piano Student* is a novel about regret, secrecy, and music, involving an affair between one of the 20th century's most celebrated pianists, Vladimir Horowitz, and his young male student, Nico Kaufmann, in the late 1930s. As Europe hurtles toward political catastrophe and Horowitz ascends to the pinnacle of artistic achievement, the great pianist hides his illicit passion from his wife Wanda, daughter of the renowned conductor Arturo Toscanini. Based on unpublished letters by Horowitz to Kaufmann that author Lea Singer discovered in Switzerland, this is a riveting and sensitive tale of musical perfection, love, and longing denied, with multiple historical layers and insights into artistic creativity.

Piano Roles Hal Leonard Corporation (Piano). 269 pieces by 32 composers nearly 400 pages of music!

ShowTime Piano Classics - Level 2A Alfred Music

(Amadeus). In this groundbreaking book, prize-winning pianist and noted educator William Westney helps readers discover their own path to the natural, transcendent fulfillment of making music. Drawing on experience, psychological insight, and wisdom ancient and modern, Westney shows how to trust yourself and set your own musicality free. He offers healthy alternatives for lifelong learning and suggests significant change in the way music is taught. For example, playing a wrong note can be constructive, useful, even enlightening. The creator of the acclaimed Un-Master Class workshop also explores the special potential of group work, outlining the basics of his revelatory workshop that has transformed the music experience for participants the world over. Practicing, in Westney's view, is a lively, honest, adventurous, and spiritually rewarding enterprise, and it can (and should) meet with daily success, which empowers us to grow even more. Teachers, professionals, and students of any instrument will benefit from this unique guide, which brings artistic vitality, freedom, and confidence within everyone's reach.

Play It! Christmas Songs Scarecrow Press

The Negro Motorist Green Book was a groundbreaking guide that provided African American travelers with crucial information on safe places to stay, eat, and visit during the era of segregation in the United States. This essential resource, originally published from 1936 to 1966, offered a lifeline to black motorists navigating a deeply divided nation, helping them avoid the dangers and

indignities of racism on the road. More than just a travel guide, *The Negro Motorist Green Book* stands as a powerful symbol of resilience and resistance in the face of oppression, offering a poignant glimpse into the challenges and triumphs of the African American experience in the 20th century.

Chopin's Prophet Courier Corporation

Encore Book 3 contains 25 pieces of early-advanced literature---perfect for students who have completed their method book studies and are preparing to perform more advanced repertoire. Includes music from the Baroque, Classical, Romantic and Contemporary eras, and editor's commentary.

Piano Adventures Practicetime Assignment Book Hal Leonard Corporation

Originally compiled and edited by Louis Klinger, this edition contains some of the most popular keyboard sonatinas, rondos and other works (including symphonic transcriptions) of Beethoven, Clementi, Haydn, Kuhlau and Mozart, among others. In clarifying this edition, editor Allan Small has removed impractical fingerings and unnecessary accidentals found in other editions.

The Perfect Wrong Note Alfred Music

Strauss, Jr. * Theme from Symphony No. 1 (Third Movement, "Frere Jacques" theme) by Mahler * Prince of Denmark's March (Trumpet Voluntary) by Clarke.

Notes from the Pianist's Bench Neil A. Kjos Music Company

Vladimir de Pachmann was perhaps history's most notorious pianist. Widely regarded as the greatest player of Chopin's works, Pachmann embedded comedic elements—be it fiddling with his piano bench or flirting with the audience—within his classic piano recitals to alleviate his own anxiety over performing. But this wunderkind, whose admirers included Franz Liszt and music critic James Gibbons Huneker (who cheekily nicknamed Pachmann the "Chopinzee"), would by the turn of the century find his antics on the concert stage scorned by critics and out of fashion with listeners, burying his pianistic legacy. In *Chopin's Prophet: The Life of Pianist Vladimir de Pachmann*, the first biography ever of this remarkable figure, Edward Blickstein and Gregor Benko explore the private and public lives of this master pianist, surveying his achievements within the context of contemporary critical opinion and preserving his legacy as one of the last great Romantic pianists of his time. *Chopin's Prophet* paints a colorful portrait of classical piano performance and celebrity at the turn of the 20th century while also documenting Pachmann's attraction to men, which ultimately ended his marriage but was overlooked by his audiences. As the authors illustrate, Pachmann lived in a radically different world of music making, one in which

eccentric personality and behavior fit into a much more flexible, and sometimes mysterious, musical community, one where standards were set not by certified experts with degrees but by the musicians themselves. Detailing the evolution of concert piano playing style from the era of Chopin until World War I, *Chopin's Prophet* tells the fantastic and true story of an artist of and after his time.

The Amadeus Anthems Colchis Books
A renowned concert pianist traces the instrument's design, manufacture, and music in a delightful "piano's eye-view" of the social history of Western Europe and the United States from the 16th to the 20th centuries.
