Mister Pip Liverpool University Press

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Life, Love, Laughter. Three things I never expected to experience in the month of giving thanks, but that is just what I received. Wes had survived Hell on Earth, and was back where he was meant to be...in my arms and my bed. For good. There would be no breaking us apart after the trauma we experienced up to this point. My new job with Century Production sent me to the big apple to interview celebrities for a special segment on being thankful. What is a girl to do when she has an entire host of celebrity friends from her past year of travels? You better believe I called up my friends Mason Murphy, all-star pitcher for the Red Sox, and Anton Santiago, the Latin Lovah, to participate. They were all too happy to oblige, only my guy's feathers were a bit ruffled by the ease with which they came running. Add in my new family and you've got a fairytale Thanksgiving. Except for one tiny detail...the single seat at the table, left open by the hole in my heart that only one person could fill. *** In the eleventh book of the Calendar Girl serial, Mia is off to New York City to film a segment for her new job. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Luxury Arts of the Renaissance Waterhouse Press

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his

hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée. *No Logo* ReadHowYouWant.com

Queen Levana is a ruler who uses her 'glamour' to gain power. but long before she crossed paths with Cinder, Scarlet, and Cress, Levana lived a very different story - a story that has never been told ... until now.

May Laurel Leaf

"Mia's whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch." –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A muse. Me. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist's muse. For a month. I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. "Love on Canvas" he calls his exhibit, a combination of photographic stills and paint entwined to create the most awe-inspiring pieces the world will ever see. Except every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. *** Mia Saunders continues her mission to bail out her comatose father whose life is on the line to a dangerous loan-shark who happens to be Mia's ex-boyfriend. For this journey, she serves as a high-priced escort to French artist named Alec Dubois in Seattle, Washington. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Beyond Mars and Venus Getty Publications

The classic guide to how computers work, updated with new chapters and interactive graphics "For me, Code was a revelation. It was the first book about programming that spoke to me. It started with a story, and it built up, layer by layer, analogy by analogy, until I understood not just the Code, but the System. Code is a book that is as much about Systems Thinking and

abstractions as it is about code and programming. Code teaches us how many unseen layers there are between the computer systems that we as users look at every day and the magical silicon rocks that we infused with lightning and taught to think." - Scott Hanselman, Partner Program Director, Microsoft, and host of Hanselminutes Computers are everywhere, most obviously in our laptops and smartphones, but also our cars, televisions, microwave ovens, alarm clocks, robot vacuum cleaners, and other smart appliances. Have you ever wondered what goes on inside these devices to make our lives easier but occasionally more infuriating? For more than 20 years, readers have delighted in Charles Petzold's illuminating story of the secret inner life of computers, and now he has revised it for this new age of computing. Cleverly illustrated and easy to understand, this is the book that cracks the mystery. You'll discover what flashlights, black cats, seesaws, and the ride of Paul Revere can teach you about computing, and how human ingenuity and our compulsion to communicate have shaped every electronic device we use. This new expanded edition explores more deeply the bit-by-bit and gate-by-gate construction of the heart of every smart device, the central processing unit that combines the simplest of basic operations to perform the most complex of feats. Petzold's companion website, CodeHiddenLanguage.com, uses animated graphics of key circuits in the book to make computers even easier to comprehend. In addition to substantially revised and updated content, new chapters include: Chapter 18: Let's Build a Clock! Chapter 21: The Arithmetic Logic Unit Chapter 22: Registers and Busses Chapter 23: CPU Control Signals Chapter 24: Jumps, Loops, and Calls Chapter 28: The World Brain From the simple ticking of clocks to the worldwide hum of the internet, Code reveals the essence of the digital revolution.

ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME • NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The

students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don't miss the sequel, *Love, Stargirl*, as well as *The Warden's Daughter*, a novel about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion." —The New York Times

What the Heart Wants Waterhouse Press

From the #1 bestselling author of the beloved *Calendar Girl* books comes the first in a witty, wise and emotionally compelling new series, where coming home is just the beginning... "Fly free." For ten years those words, written on pink parchment paper in her mother's beautiful handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth birthday, she opens the letter that sends her home. Returning to Colorado means confronting everything—and everyone—she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and überresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home—or if the most important part of her never really left. Don't miss *On the Sweet Side*, the next book in Audrey Carlan's *The Wish* series! With the emotional pull of Susan Wiggs' and Robyn Carr's engaging family dramas, *On the Sweet Side* is a sassy and emotional strangers-to-sisters story about the enduring power of family—both the one you're born with and the one you choose.

DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Corcoran Gallery of Art Harper Collins

The author of the most well-known and trusted relationship book of all time returns with an updated guide for today's generation. Two decades ago, *Men Are from Mars, Women Are from Venus* revolutionized the way we thought about love and partnership. John Gray's work has helped countless readers improve and even save their relationships. But as society evolves, relationships do, too. It's time to move beyond Mars and Venus, toward a new relationship model for modern couples. Today, men and women are no longer trapped by rigid societal roles. Now more than ever, we have the freedom to be our authentic selves. Women can access their masculine side, and men can embrace their feminine side. This new freedom is a good thing, but it also brings new challenges. Men and women still need the right tools and skills to help build stronger relationships. While previous generations sought "role mate" relationships, based on the more rigid gender roles of the time, today's couples need a new kind of relationship: a "soul mate" relationship. These more emotionally satisfying relationships require a deeper understanding of our partners' individual needs. In *Beyond Mars and Venus*, Gray teaches you how to strengthen your bond and grow in love together, so you and your loved one can meet each other's needs in the best way possible, bringing you lasting happiness and a fulfilling partnership.

The Big Sleep Microsoft Press

Straight from the heart—real-life couples share inspiring, edifying stories of Mars and Venus in love. Millions of readers have learned about relationships from John Gray's previous bestsellers, such as

Men Are from Mars, Women Are from Venus; *Mars and Venus on a Date*; and *Mars and Venus in the Bedroom*. Inspired by this enthusiasm, Gray asked a number of readers to share their own stories of how they've put his principles to work in their relationships. The result is this amazing collection of first-person accounts—along with Gray's own enlightening commentary—that will have you laughing, crying, and nodding in recognition. Gray's contributors answer such questions as: What problems have you had in your relationship, and how have you overcome them? What special things do you and your partner do for each other? How do you best communicate with each other? How do you practice what you've learned? How does your love feel different now from how it felt before? Their answers illustrate more eloquently than any textbook how to use Gray's advice and counsel to create your own fulfilling, healthy, and loving relationships.

Édith Piaf University of Illinois Press

200 years ago, the women of revolutionary Paris were demanding legal equality in marriage; educational opportunities for girls; and public instruction, licensing, and support for midwives. This title presents sixty documents which focuses on these and other socioeconomic struggles by women and their impact on the French Revolutionary era.

Stargirl Createspace Independent Publishing Platform

Lloyd Jones' new novel is set mainly in a small village on Bougainville, a country torn apart by civil war. Matilda attends the school set up by Mr Watts, the only white man on the island. By his own admission he's not much of a teacher and proceeds to educate the children by reading them *Great Expectations*. Matilda falls in love with the novel, strongly identifying with Pip. The promise of the next chapter is what keeps her going; Pip's story protects her from the horror of what is happening around her - helicopters menacing the skies above the village and rebel raids on the ground. When the rebels visit the village searching for any remaining men to join their cause, they discover the name Pip written in the sand and instigate a search for him. When Pip can't be found the soldiers destroy the book. Mr Watts then encourages the children to retell the story from their memories. Then when the rebels invade the village, the teacher tells them a story which lasts seven nights, about a boy named Pip, and a convict . . .

NEW YORK TIMES BESTSELLER • The bestselling author of *Morning Star* returns to the Red Rising universe with the thrilling sequel to *Iron Gold*. "Brown's plots are like a depth charge of nitromethane dropped in a bucket of gasoline. His pacing is 100% him standing over it all with a lit match and a smile, waiting for us to dare him to drop it."—NPR (Best Books of the Year) He broke the chains. Then he broke the world.... A decade ago Darrow led a revolution, and laid the foundations for a new world. Now he's an outlaw. Cast out of the very Republic he founded, with half his fleet destroyed, he wages a rogue war on Mercury. Outnumbered and outgunned, is he still the hero who broke the chains? Or will he become the very evil he fought to destroy? In his darkening shadow, a new hero rises. Lysander au Lune, the displaced heir to the old empire, has returned to bridge the divide between the Golds of the Rim and Core. If united, their combined might may prove fatal to the fledgling Republic. On Luna, the embattled Sovereign of the Republic, Virginia au Augustus, fights to preserve her precious democracy and her exiled husband. But one may cost her the other, and her son is not yet returned. Abducted by enemy agents, Pax au Augustus must trust in a Gray thief, Ephraim, for his salvation. Far across the void, Lyria, a Red refugee accused of treason, makes a desperate bid for freedom with the help of two unlikely new allies. Fear dims the hopes of the Rising, and as power is seized, lost, and reclaimed, the worlds spin on and on toward a new Dark Age. Don't miss any of Pierce

Drawdown BenBella Books, Inc.

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

The Kite Runner Del Rey

Popular marriage counselor and seminar leader John Gray

provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles ("get close", "back off"), and female self-esteem fluctuations ("I'm okay", "I'm not okay"). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional "trash from the past" from invading new relationships, *Men Are from Mars, Women Are from Venus* is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.
