What Is the What is the story of Valentino Achak Deng, a refugee in war-ravaged southern Sudan who flees from his village in the mid-1980s and becomes one of the so-called Lost Boys. Valentino's travels bring him in contact with enemy soldiers, with liberation rebels, with hyenas and lions, with disease and starvation, and with deadly murahaleen (militias on horseback)-the same sort who currently terrorize Darfur. Eventually Deng is resettled in the United States with almost 4000 other young Sudanese men, and a very different struggle

begins. Based closely on true experiences, What Is the What is heartbreaking and arresting, filled with adventure, suspense, tragedy, and, finally, triumph.

Twain's Heroes, Twain's Worlds Eye On Education

"Seelye's version seems even funnier than the original, and also more moving, since Seelye's Huck Finn is even less sentimental about life and Tom Sawyer than Twain's Huck Finn. He is also more perceptive about black people than the original." -- Hughes Rudd, CBS News "Seelye has stitched together a whale of a book. Without reference to Twain's own version, it is almost impossible to see the seams where 1970 joins 1884." -- Geoffrey Wolff, Newsweek

The raft that carries Huck and Jim down the Mississippi River is often seen as a symbol of adventure and freedom, but the physical specifics of the raft itself are rarely considered. Peter Beidler shows that understanding the material world of Huckleberry Finn, its limitations and possibilities, is vital to truly understanding Mark Twain's novel. He illustrates how experts on Twain's works have misinterpreted important aspects of the story due to their unfamiliarity with the various rivercraft that figure in the book. Huck and Jim's little raft is not made of logs, as it is often depicted in illustrations, but of sawn planks, and it was originally part of a much larger raft. Beidler explains why this matters and describes the other rivercraft that appear in the book. He gives what will almost certainly be the last word on the vexed question of whether the lengthy "raft episode," removed at the publisher's suggestion from the novel, should be restored to its original place.

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every section, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: The Adventures of Huckleberry Finn, written by Mark Twain, is the

classic story of a young boy who travels down the Mississippi on a raft with a runaway slave. The story begins with Huck Finn and Tom Sawyer, who have each earned themselves \$6,000. Feeling restless, Huck yearns for the freedom he once had before finding himself under the care of the Widow Douglas. He is then taken away by his estranged father, who sets his sights on Huck's newfound fortune. Huck soon runs away, setting off down the Mississippi River, where he befriends a runaway slave named Jim. During their journey, they encounter many characters and hardships that threaten their freedom. The Adventures of Huckleberry Finn is a classic tale of freedom, society, and social prejudices. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.
