Showing the Spirit Whitaker House  
 While not endorsing what they consider to be the excesses of Pentecostalism, the charismatic movement, and the Third Wave, Sawyer and Wallace have embraced what they have tentatively called pneumatic Christianity. They contend that the way much of evangelical cessationism has developed is reactionary and reductionistic. Rather than focus upon scriptural images of the Holy Spirit as a presence deep within the soul of the believer, many cessationists have reactively denied experience in opposition to the Pentecostal overemphasis upon experience, which at times supplanted the revealed truth of scripture.

*-divine Secrets to the Miraculous* Harper Collins

This thought-provoking book presents the four major views of miraculous gifts today and will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others.

*Why Is It Urgent That We Understand New Testament Prophecy?* P & R Publishing  
 What are spiritual gifts? Author and pastor Sam Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations that abound

and confronts the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on

the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives. *Understanding Spiritual Gifts* is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today.

**A Biblical Response to the Case for Tongues and Prophecy Today** The Church of Jesus Christ of Latter-day Saints Are the gifts of tongues, prophecy, and healing for today? No, say cessationists. Yes, say Pentecostal and Third Wave Christians. Maybe, say a large sector of open-but-cautious evangelicals. What's the answer? Is there an answer? *Are Miraculous Gifts for Today?* takes you to the heart of the charismatic controversy. It provides an impartial format for comparing the four main lines of thinking: cessationist, open but cautious, third wave, and Pentecostal/charismatic. The authors present their positions in an interactive setting that allows for critique, clarification, and defense. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. Wayne Grudem has brought online the four major views on miraculous gifts today. Downloading them into your own understanding takes effort, but the worldwide network that you join is the fellowship of the Spirit! The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

Are Miraculous Gifts for Today? Four Views Harper Collins

**Miracles Today** Wipf and Stock Publishers

This book provides a consistent examination of the primary biblical texts used in the current debate over spiritual gifts and the charismatic experience. Dr. Edgar affirms that believers can indeed be satisfied and fulfilled by the Spirit apart from miraculous gifts.

[Miraculous Gifts](#) Zondervan  
*Miraculous Gifts* is a discussion of spiritual gifts in light of the basic differences between cessationism and

Pentecostalism. Many studies of this issue are written from a primarily theological perspective, and while theological arguments are valid, charismatics assert that this controversy concerns biblical gifts and miracles, and is therefore a matter of 'faith' to believe their claims, with theological arguments proving unsatisfactory. The fundamental question is, 'Is this what the Bible discusses; is it biblical?' *Miraculous Gifts* attempts to answer that question by providing a biblically-based analysis of spiritual gifts in view of the charismatic controversy.

[Surprised by the Spirit](#) Zondervan  
What are the spiritual gifts? Do all Christians have them? Have the miraculous gifts ceased? The topic of spiritual gifts is often a point of contention among Christians. In *Spiritual Gifts: What They Are and Why They Matter*, Dr. Thomas R. Schreiner, a leading New Testament scholar, answers these questions. Schreiner shares his personal experience related to spiritual gifts, but more importantly, he unpacks what the Bible has to say about them. In doing so, he brings a spirit of humility and charity, reminding us that though spiritual gifts are important, we can have unity in Christ even where we disagree.

[Are They for Today?](#) Baker Books

In the first century A.D., miraculous gifts occurred with the baptism with the Holy Spirit. These served as signs that God was no longer using the Israelite nation but that his approval now rested on the Christian church, which had been established by his Son. (Heb 2:2-4) On the day of Pentecost, miraculous gifts followed the outpouring of the Holy Spirit, and in each case mentioned in the New Testament where the miraculous gifts of the Spirit were given, at least one of the 12 apostles or Paul was present. (Ac 2:1, 4, 14; 8:9-20; 10:44-46; 19:6) With the death of the apostles, the transmittal of the gifts of the Spirit ended. Did the miraculous gifts of the Spirit cease? Is the gift of prophecy for today? It is imperative that we know the correct answer to that question.

[What Are Spiritual Gifts?](#) Bible Studies Press

What does the New Testament teach about the spiritual gift of prophecy? What is it? How does it function? Can evangelical Christians use it in their churches today? This updated, comprehensive work answers such questions and points the way to a renewed understanding of the gift of prophecy--an understanding that suggests how the body of Christ may enjoy one of the Holy Spirit's most edifying gifts without compromising

the supremacy of Scripture. "This conservative evangelical scholarly work gives a solid theological basis for further development of a practical theology of spiritual gifts." --John Wimber, Vineyard Christian Fellowship "Careful, thorough, wise, and to my mind, convincing." --J.I. Packer "...a fresh, biblically sound, readable contribution...its depth of scholarship, pastoral solidity, and cautions against abuses are special strengths. Highly recommended." --Vern S.

Poythress, Professor of New Testament Interpretation, Westminster Theological Seminary "If Grudem's convincing thesis could be heard, a new path of dialog could perhaps be opened up in the Christian community. The research, clarity, and typical Grudem candor continue to make this the finest book on the subject to date." --L. Russ Bush, Professor of Philosophy of Religion, Southeastern Baptist Theological Seminary "...thorough, biblical, and practical. It deserves the attention of all who are concerned about the spiritual development of the church today." --Stanley Horton, Distinguished Professor Emeritus of Bible and Theology, Assemblies of God Theological Seminary

**The Final Word** Harper Collins  
Foundational Teaching from a Charismatic Healing Minister and a Catholic Scholar  
International healing minister Randy Clark teams up with Mary Healy, a respected Catholic scholar, to show not only that the gifts of the Spirit still exist today, but that they are not optional; they are the necessary tools God has given for both building his Church and spreading the Gospel. With wisdom and practical insight, Clark and Healy walk you through biblical texts, dispel misconceptions, and show that there is an endless variety of gifts. They also show how the gifts are not just for a select few, but distributed freely by the Holy Spirit among believers. After laying this foundation, the authors reveal how you can activate the gifts in your own life and use them to benefit others. In this hurting world, you can give people more than just a message--you can help usher them into an encounter with God.

[To Be Continued?](#) Apollos

The Holy Spirit Wants to Work Through You! Because of division over these controversial questions, many Christians have embraced a major deception about the Holy Spirit--that He is no longer powerfully at work in the world today. Randy Clark has been an eyewitness to the miraculous work of the Holy Spirit and a key participant in watching Him powerfully transform lives across the Earth. This easy-to-read guide equips everyday believers to understand and

activate the Spirit's power in their lives today. The Essential Guide to the Power of the Holy Spirit will help you: Discover the gifts of the Holy Spirit that are still in operation and available to you today Recognize an authentic move of God in your church, community, and life Understand how miracles, signs, and wonders play a key role in you sharing the Gospel To fulfill your destiny, you must unlock the power of the Holy Spirit in your life. He is God on the Earth and He wants to use you to release His Kingdom today!

**Who's Afraid of the Holy Spirit?** New World Library

This thought-provoking book presents the four major views of miraculous gifts today and will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others.

**Surprised by the Power of the Spirit** Zondervan

Eschewing extremes, Bible scholar D. A. Carson explores the controversial subject of the role of the Holy Spirit in the life of a believer and in the life of the church. Unpacking 1 Corinthians 12-14, as well as touching on relevant passages in Acts, Carson faithfully follows the evidence of the text and offers an honest look at the strengths and weaknesses of both charismatic and non-charismatic viewpoints.

Practicing the Power Christian Publishing House

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

A Dare to Live Fully Right Where You Are

Multnomah

Spirit and Sacrament by pastor and author Andrew Wilson is an impassioned call to join together two traditions that are frequently and unnecessarily kept separate. It is an invitation to pursue the best of both worlds in worship, the Eucharistic and the charismatic, with the grace of God at the center. Wilson envisions church services in which healing testimonies and prayers of confession coexist, the congregation sings When I Survey the Wondrous Cross followed by Happy Day, and creeds move the soul while singing moves the body. He imagines a worship service that could come out of the book of Acts: Young men see visions, old men dream dreams, sons and daughters prophesy, and they all come together to the same Table and go on their way rejoicing. In short, Spirit and Sacrament is an appeal to bring out of the church's storehouse all of its treasures, so that God's people can worship our unrivaled Savior with sacraments and spiritual gifts, raised hands and lowered faces.

Spiritual Gifts InterVarsity Press

Tells of the place which prayer, the Beatitudes and the gifts of the Holy Spirit should occupy in your daily life.

*Charismatic Chaos* Zondervan

Life abundant? Jesus promised it and we long for it, yet few Christians seem to have it. Blending lively anecdotes, commentary, and teachings from the Bible, Dr. Charles Stanley introduces you to the Holy Spirit. "A big part of the Spirit-filled life is learning to recognize the fingerprint of the Holy Spirit. Once you know what to look for and once you begin looking for it, you will be amazed at how real the Holy Spirit

will become to you. Learning to recognize the Holy Spirit is the first step in learning to live the Spirit-filled life."

*Spirit and Sacrament* Kregel Academic

This thorough study of spiritual gifts will help Christians understand their God-given gifts and how they should use those gifts in the church. Thomas explains each gift, examining them in the light of the Word. He also deals with the issues concerning the source, purpose, and nature of spiritual gifts. Understanding Spiritual Gifts will give readers new insight into how their gifts can be used for God's glory and service.

*The Work of the Holy Spirit Today* Abrams

What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in popular style-with the care of a scholar but the passion of personal experience-this book is a vital resource for people on both sides of the debate about miraculous gifts.
