**John** Paternoster  
The Word Biblical  
Commentary delivers  
the best in biblical  
scholarship, from the  
leading scholars of our  
day who share a  
commitment to  
Scripture as divine  
revelation. This series

emphasizes a thorough  
analysis of textual,  
linguistic, structural,  
and theological  
evidence. The result is  
judicious and balanced  
insight into the  
meanings of the text in  
the framework of  
biblical theology. These  
widely acclaimed  
commentaries serve as  
exceptional resources  
for the professional  
theologian and

instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization  
Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes:  
Pericope  
Bibliography—a helpful resource containing the most important works that pertain to each particular pericope.  
Translation—the author’s own translation of the biblical text, reflecting

the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.  
Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope.  
Rhetorical or compositional features

important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.

Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the

commentary. *Romans 1-8, Volume 38A* Zondervan Academic  
The Book of Job, among the greatest masterpieces of world literature, deserves a commentary alert both to the windings of its arguments and to the massive theological problem it raises: the conflict of faith and experience, that is, does it have to do primarily with the why of suffering, or is the chief issue rather the problem of the moral order of the world, of the principles on which it is governed? While many feel that Job is too long, full of windy and tedious words, Professor David J. A. Clines shows in detail how every element is essential and how only the interweaving of literary and theological

perspectives can reveal the richness of the writing. To this end, he supplies a uniquely comprehensive General Bibliography (as well as pericope bibliographies), unrestricted by scholarly apartheid, which includes works of sermons and popular devotions valuable for their theological and spiritual insights. A verse-by-verse commentary, this volume never loses sight of the forest for the trees and, especially in the Explanation sections, constantly surveys the progress of the Book of Job. A particular focus is the unraveling of the arguments and the identification of the distinctive viewpoints of the book's speakers.

The textual Notes, which center on explaining why the English versions of Job differ so amazingly from one another, support the author's carefully worded Translation. In his Introduction, Professor Clines says: "Reading and close-reading the Book of Job, the most theologically and intellectually intense book of the Old Testament, is a perennially uplifting and not infrequently euphoric experience. The craftsmanship in the finest details, the rain of metaphors, the never-failing imagination of the poet are surpassed only by the variety and delicacy of the theological ideas and the cunning of this most open of texts confronting its readers

with two new questions along with any answer."

*1, 2, 3 John, Revelation*

Wm. B. Eerdmans  
Publishing

*Baptism In The New*

*Testament* In this

thorough and well-

documented study of

the sacrament of Holy

Baptism, G.R. Beasley-

Murray presents a

critical defense of the

doctrine of believers'

baptism on the basis of

the New Testament

evidences. The author--

one of the leading New

Testament scholars in

England--is himself a

Baptist; but his

discussion transcends

denominatioal lines.

Beasley-Murray begins

by discussing various

rites that precede

Christian baptism

historically, and

analyzes the

relationship between

these earlier rites and

baptism. From these

antecedents--Old

Testament ritual

washings, Jewish

proselyte baptism, the

lustrations practiced at

Qumran, and the

baptism of John the

Baptist--the author

proceeds to the

foundations of

Christian baptism in

the career of Jesus, its

emergence as

recorded in the Acts of

the Apostles, and its

development in the

New Testament

epistolary literature. In

his consideration of the

doctrine of Christian

baptism as articulated

in the New Testament,

Beasley-Murray

focuses his attention

on the necessity of

baptism and its

relationship to grace,

faith, the Spirit, the

church, ethics, and

hope. A careful

examination of the rise

and significance of infant baptism follows, and the study concludes with a selected bibliography and several indices. Daniel, Volume 30 Zondervan Academic The Book of Job, among the greatest masterpieces of world literature, deserves a commentary alert both to the windings of its arguments and to the massive theological problem it raises: the conflict of faith and experience, that is, does it have to do primarily with the why of suffering, or is the chief issue rather the problem of the moral order of the world, of the principles on which it is governed? While many feel that Job is too long, full of windy and tedious words, Professor David J .A. Clines shows in detail

how every element is essential and how only the interweaving of literary and theological perspectives can reveal the richness of the writing. To this end, he supplies a uniquely comprehensive General Bibliography (as well as pericope bibliographies), unrestricted by scholarly apartheid, which includes works of sermons and popular devotions valuable for their theological and spiritual insights. A verse-by-verse commentary, this volume never loses sight of the forest for the trees and, especially in the Explanation sections, constantly surveys the progress of the Book of Job. A particular focus is the unraveling of the

arguments and the identification of the distinctive viewpoints of the book's speakers. The textual Notes, which center on explaining why the English versions of Job differ so amazingly from one another, support the author's carefully worded Translation. In his Introduction, Professor Clines says: "Reading and close-reading the Book of Job, the most theologically and intellectually intense book of the Old Testament, is a perennially uplifting and not infrequently euphoric experience. The craftsmanship in the finest details, the rain of metaphors, the never-failing imagination of the poet are surpassed only by the variety and delicacy of the

theological ideas and the cunning of this most open of texts confronting its readers with two new questions along with any answer."

### **Exodus, Volume 3**

Wm. B. Eerdmans Publishing  
The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources

for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization

The Gospel of John

Zondervan Academic

A companion series to

the acclaimed Word

Biblical Commentary

Finding the great

themes of the books of

the Bible is essential to

the study of God's

Word and to the

preaching and teaching

of its truths. These

themes and ideas are

often like precious

gems: they lie beneath

the surface and can

only be discovered

with some difficulty.

While commentaries

are useful for helping

readers understand the

content of a verse or

chapter, they are not

usually designed to

help the reader to

trace important

subjects systematically

within a given book a

Scripture. The Word

Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series: Written by top biblical scholars Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series Distill deep and focused study on a biblical book into the most important themes and practical applications of them Give reader's an ability to see the "big picture" of a book of the Bible by understanding what topics and concerns were most important to

the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series, and will help pastors, bible teachers, and students as they seek to understand and apply God's word to their ministry and learning.

Ruth-Esther, Volume 9  
Paternoster

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a

commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Word Biblical Themes Collection Word Biblical Commentary

Many today find the Old Testament a closed book. The cultural issues seem insurmountable and we are easily baffled by that which seems obscure. Furthermore, without knowledge of the ancient culture we can easily impose our own culture on the text, potentially distorting it. This series invites you to enter the Old Testament with a company of guides, experts that will give new insights into these cherished writings. Features include \* Over 2000 photographs, drawings, maps, diagrams and charts provide a visual feast that breathes fresh life into the text. \*

Passage-by-passage

commentary presents archaeological findings, historical explanations, geographic insights, notes on manners and customs, and more. \* Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages. \* Written by an international team of 30 specialists, all top scholars in background studies.

**Hebrews 1-8, Volume 47A** Thomas Nelson Incorporated The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough

analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Hosea-Jonah Zondervan Academic WBC series delivers the best in biblical scholarship, from the leading scholars who share a commitment to Scripture as divine revelation. It

emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. *Holy Bible* Wipf and Stock Publishers WBC series delivers the best in biblical

scholarship, from the leading scholars who share a commitment to Scripture as divine revelation. It emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology.
