*Oscar Wilde's The Selfish Giant* Capstone  
One of comic art's most respected and pioneering artists, well known for his opera adaptations and beautiful fantasy work, P. Craig Russell retells Oscar Wilde's famous

fairy tales in a series of landmark volumes. In *The Selfish Giant*, the eponymous creature kicks a bunch of frolicking youngsters out of his garden, only to find that frosty winter moves in to take their place. 'The Star Child' depicts a beautiful but mean, terribly vain boy who becomes physically repulsive when he rebuffs a ragged beggar with a hidden identity... Artistic talent meets literary genius - magical.'

A Tale Alma Classics

"The Selfish Giant" is a short fantasy story for children by the Irish author Oscar

Wilde. The story's plot revolves around a giant who builds a wall to keep children out of his garden, but learns compassion from the innocence of the children. The short story contains significant religious imagery. The Selfish Giant owns a beautiful garden which has 12 peach trees and lovely fragrant flowers, in which children love to play after returning from the school. The Giant put a notice board "TRESPASSERS WILL BE PROSECUTED". The garden falls into perpetual winter. One day, the giant is awakened by a linnet, and discovers that spring has returned to the garden, as the children have found a way in through a gap in the wall... It was first published in 1888 in the anthology *The Happy Prince and Other Tales*, which, in addition to its title story, also includes "The Nightingale and the Rose", "The Happy Prince", "The Devoted Friend" and "The Remarkable Rocket".

*The Selfish Giant* Before you is one of the most beloved Children's Classics of all time - *The Selfish Giant*. The children love to play in the Selfish Giant's beautiful garden. After building a wall to keep them out, Snow, Frost, the North Wind, and Hail come to take over the garden. The Selfish Giant eventually realizes he was wrong to

keep the children away, and he resolves to break down the wall he has built. One of the children that melt the giant's heart is a young child. We learn the young boy is actually the Christ child, who later takes the joyful giant to His home in Paradise.

Musical / Characters: 5 female, 4 male (or 3f, 2m with doubling) Scenery: Unit Set  
When four bored children decide to play in the Giant's garden, they are in for a nasty surprise. The Giant builds a fence to keep them out, and threatens anyone who tries to come in. But when winter comes and sees that no one is having any fun, it decides to stay forever. It's up to the new girl in town to take down the fence and teach the Giant a lesson in friendship. Based on the story by Oscar Wilde. The Selfish Giant was originally produced by the celebrated and critically-acclaimed Manhattan Children's Theatre. "The Selfish Giant is a kids' show, but the theme is universal. Its simple message may influence your child, but its effect on you may be refreshingly unexpected." -The Tribeca Tribune.
