Ara . . . I made a mistake, we all did . . . go back to the beginning . . . it's not too late. As the only female to survive the devastating virus, Ara hasn't seen another human in months—not since her father disappeared. The plague has swept away humanity, and Ara's world is desolate, haunted by the ghosts of her former life. Her mother. Her sister. Kaden and his crew live by a code: stay alert, stay alive. When they catch Ara stealing from them, they are furious—and confused. She is the first girl they have seen in three years. And while Kaden knows taking her captive is wrong, he tells himself he's doing it to protect her. But with Ara determined to follow through on her father's mission—Go back to the beginning. End the plague—Kaden becomes mesmerized by Ara's will and beauty. He knows he will do anything to help her, even if it tears their worlds apart.

Love in English Penn State University Press

"A delightful novel...impossible to resist."—Barbara Kingsolver, Los Angeles Times Book Review Sofia and her fated daughters, Fe, Esperanza, Caridad, and la Loca, endure hardship and enjoy love in the sleepy New Mexico hamlet of Tome, a town teeming with marvels where the comic and the horrific, the real and the supernatural, reside.

Among the Hidden Library of Alexandria Eleven years before Uncle Tom's Cabin fanned the fires of abolition in North America, an aristocratic Cuban woman told an impassioned story of the fatal love of a mulatto slave for his white owner's daughter. So controversial was Sab's theme of miscegenation and its

parallel between the powerlessness and enslavement of blacks and the economic and matrimonial subservience of women that the book was not published in Cuba until 1914, seventy-three years after its original 1841 publication in Spain. Also included in the volume is Avellaneda's *Autobiography* (1839), whose portrait of an intelligent, flamboyant woman struggling against the restrictions of her era amplifies the novel's exploration of the patriarchal oppression of minorities and women.

Ana Maria Reyes Does Not Live in a Castle University of Texas Press

A novel set in the backstreets of Medellin, Colombia, captures the lives of the beggars, thieves, drug addicts, and other lost souls of a city overwhelmed by the drug trade.

Look, I Can Talk More! - Regardez-Moi, Je Peux Parler Plus! The Last She

A fresh, joyful YA novel that is layered with themes of immigration, cultural identity, and finding your voice in any language. Sixteen-year-old Ana is a poet and a lover of language. Except that since she moved to New Jersey from Argentina, she can barely find the words to express how she feels. At first Ana just wants to return home. Then she meets Harrison, the very cute, very American boy in her math class, and discovers the universal language of racing hearts. But when she begins to spend time with Neo, the Greek Cypriot boy from ESL, Ana wonders how figuring out what her heart wants can be even more confusing than the grammar they're both trying to master. After all, the rules of English may be confounding, but there are no rules when it comes to love. With playful and poetic breakouts exploring the idiosyncrasies of the English language, Love in English is witty

and effervescent, while telling a beautifully observed story about what it means to become "American."

This is a dictionary of Cebuano Visayan, the language of the central part of the Philippines and much of Mindanao. Although the explanations are given in English, the aim of this work is not to provide English equivalents but to explain Cebuano forms in terms of themselves. It is meant as a reference work for Cebuano speakers and as a tool for students of the Cebuano language. There is a total of some 25,000 entries and an addenda of 700 forms which were prepared after the dictionary had been composed. This dictionary is the product of eleven years work by more than a hundred persons. The work was edited by John Wolff but the sources are entirely native, and all illustrations are composed by native speakers. To date, this work probably represents the most authoritative dictionary of the Cebuano Visayan language.

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

If you want to learn how to shoot a basketball, you begin by carefully observing someone who knows how to shoot a basketball. If you want to be a writer, you begin by carefully observing the work of accomplished writers. Recognizing the importance that modeling plays in the learning process, high school English teacher Kelly Gallagher shares how he gets his students to stand next to and pay close attention to model writers, and how doing so elevates his students' writing abilities. *Write Like This* is built around a central premise: if students are to grow as writers, they need to read good writing, they need to study good writing, and, most important, they need to emulate good writers. In *Write Like This*, Kelly emphasizes real-world writing purposes, the kind of writing he wants his students to be doing twenty years from now. Each chapter focuses on a specific discourse: express and reflect, inform and explain, evaluate and judge, inquire and explore, analyze and interpret, and take a stand/propose a solution. In teaching these lessons, Kelly provides mentor texts (professional samples as well as models he has written in front of his students), student writing samples, and numerous assignments and strategies proven to elevate student writing. By helping teachers bring effective modeling practices into their classrooms, *Write Like This* enables students to become better adolescent writers. More important, the practices found in this book will help our students develop the writing skills they will need to become adult writers in the real world.

Although her mother and sisters make fun of her decision to marry a green bird, to Mirabel he is a prince and so when her family's jealousy endangers him, she sets out to save his life and their love.

The Collected Stories of Machado de Assis University Press of America

Her last name may mean kings, but Ana María Reyes REALLY does not live in a castle. Rather, she's stuck in a tiny apartment with two parents (way too lovey--dovey), three sisters (way too dramatic), everyone's friends (way too often), and a piano (which she never gets to practice). And when her parents announce a new baby is coming, that means they'll have even less time for Ana María. Then she hears about the Eleanor School, New York City's best private academy. If Ana María can win a scholarship, she'll be able to get out of her Washington Heights neighborhood school and achieve the education she's longed for. To stand out, she'll need to nail her piano piece at the upcoming city showcase, which means she has to practice through her sisters' hijinks, the neighbors' visits, a family trip to the Dominican Republic . . . right up until the baby's birth! But some new friends and honest conversations help her figure out what truly matters, and know that she can succeed no matter what. Ana María Reyes may not be royal, but she's certain to come out on top.

Things have never been easy for Oscar.

A ghetto nerd living with his Dominican family in New Jersey, he's sweet but disastrously overweight. He dreams of becoming the next J.R.R. Tolkien and he keeps falling hopelessly in love. Poor Oscar may never get what he wants, thanks to the Fukú - the curse that has haunted his family for generations. With dazzling energy and insight Díaz immerses us in the tumultuous lives of Oscar; his runaway sister Lola; their beautiful mother Belicia; and in the family's uproarious journey from the Dominican Republic to the US and back. Rendered with uncommon warmth and humour, *The Brief Wondrous Life of Oscar Wao* is a literary triumph, that confirms Junot Díaz as one of the most exciting writers of our time.

"Anna Mei Banfa!" is a short, simple novel in Chinese characters and Pinyin that emphasizes and repeats the highest-frequency words and phrases of the language while telling a story. First in a series for Chinese learners, "Anna Mei Banfa" tells the story of Anna, a high school freshman living in upstate New York, who is frustrated with her family and her problems. An unexpected opportunity presents itself when her high school announces a chance for a student to travel to Taiwan for a summer. While living in southern Taiwan, Anna experiences the local culture and makes new friends. Learners of Chinese may choose to read the Chinese characters or turn the page to see the Hanyu Pinyin romanization.
