Bible teacher and acclaimed spoken-word artist David Bowden reveals the secret to winning the battle with sin. Many Christians believe the only way to fight sin is to grit our teeth, strengthen our resolve, and rise above the onslaught of temptation. But in reality, we have a far better weapon in our struggle with sin than the will-power mantras associated with diet and exercise. This weapon is not saying "no" to sin but saying "yes" to God. In *Rewire Your Heart*, David Bowden helps us discover

God's plan to overcoming sin by rewiring our desires with the Gospel. When we invite the Holy Spirit to transform our underlying affections with the good news of Jesus, we begin to break free from the patterns of sin, guilt, and determination, and discover the richer fulfillment found in joyfully obeying God's commands.

Renovations is more than the sum of its parts. It's a sensitive portrait of a father-son relationship. It's a funny, thoughtful account of dealing with the challenges of midlife. It's also an inside look at modern home renovations. And the end result is as rewarding as the most challenging home project (with or without Bob Vila's help).

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.

Renovation of the Church Zondervan

The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to "make disciples of all the nations." But Christians have responded by making "Christians," not "disciples." This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. "The word disciple occurs 269 times in the New Testament," writes Willard. "Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make

realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God." Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.

Renovating a house can be an exciting and rewarding experience. But the act of renovation can often leave the house in a state of disarray, causing stress and frustration. In the same way, God wants to renovate your life by altering the "old you" and creating a "new you" with an improved heart. It's not going to be easy, and your life might experience some disarray, but renovating with God is the opportunity of a lifetime. Using the Book of Nehemiah, popular author and pastor Jacob Armstrong explores the physical and spiritual renovation experienced by the nation of Judah. Nehemiah knew that his plan for renovating the wall and gates of Jerusalem would be hard work. But equally hard would be the spiritual renovation of the Jewish people as they returned to their homeland. Thankfully, spiritual renovation is not a do-it-yourself project. We need God's great power working through us to renovate our lives by the power of the Holy Spirit. Chapters include: Never Too Late for a Renovation It Starts with Tears What to Know Before You Build When Others Don't Like Your Plans Inviting Others to Come Home The Big Reveal Additional components for a six-week study include a comprehensive Leader Guide and a DVD featuring author and pastor Jacob Armstrong.
