The #1 New York Times–bestselling author of *Hotel and Airport* “hits with another blockbuster,” a terrorist takedown of California’s power grid (*The Observer*). In the middle of a sweltering July heat wave that has no end in sight, California’s Golden State Power and Light is on overload. An emergency brownout is already in effect. Then, GSP&L’s newest and largest generator explodes. With four people dead and a widespread loss of power, a fringe group takes responsibility. But for GSP&L vice president Nim Goldman and his family; his adversary, investigative reporter Nancy Molineaux; detective Harry London; and beautiful quadriplegic Karen Sloan, whose every breath depends on electric power, the terror is just beginning . . . A dramatic and timely story of the people and the events leading to a crisis, *Overload* presents a fascinating view of the little-known world of electric power production that is vital to contemporary life.

Master storyteller Arthur Hailey’s New York Times–bestselling novel takes readers behind the scenes of the billion-dollar pharmaceutical drug industry It starts as a routine case: Mary Rowe contracts hepatitis from unclean drinking water, and the infection should work its way out of her system in a few days. But when the illness worsens and she slips into a coma, Dr. Andrew Jordan is forced to tell Rowe’s husband that his wife is dying. It’s 1957 and there simply isn’t a drug that can save her. Pharmaceutical saleswoman Celia de Grey then offers Dr. Jordan a sample of an experimental drug that cures the dying woman overnight. This marks the beginning of an epic journey—and a great romance—for a dedicated internist and an idealistic, ambitious woman. The miracle cure establishes de Grey as a rising star within the industry. But as the years pass, she and her husband, Dr. Jordan, begin to realize that her bosses are driven not by the desire to eradicate disease, but by greed. Millions can be made in matters of life and death—for those who don’t mind getting blood on their hands.

A death row confession sparks an investigation that will tear Miami apart in this “engrossing thriller” from the #1 New York Times–bestselling author (Booklist). Detective-Sergeant Malcolm Ainslie, a former Catholic priest, is about to start his vacation when a call comes in from death row. Before serial killer Elroy Doil is taken to the electric chair, he wants to make a full confession to the cop who put him away. To close the books on additional murder cases in which Doil is a suspect, Ainslie drives four hundred miles to Florida State Prison. Although Doil confesses to ten other homicides, he insists that he didn’t commit the crime for which he will be executed the following day: the grisly slaying of a city commissioner and his wife. In his search for the real killer, Ainslie will discover that the upper levels of Miami’s government—including some of his closest colleagues—are more corrupt and dangerous than he ever imagined.

Arthur Hailey’s wife, Sheila, delivers an affectionate and deliciously candid account of her marriage to the #1–bestselling author of such popular classics as *Airport* and *Hotel* “To stay happily married to anyone for twenty-five years is an achievement. To stay happily married for that length of time to a writer is a miracle.” With wit and rare candor, Sheila Hailey shares the story of life with her famous husband—from the first time she heard his voice while transcribing a letter he’d recorded on a Dictaphone and their early days scraping together pennies to go to the movies, to Arthur’s brainstorm for his first television play, to the thrilling blockbuster success of *Airport* and their visits to Hollywood to see his novels made into movies. Providing insight into her husband’s creative processes and the book publishing business, Sheila also reveals the challenges of raising a family with a workaholic husband who craved excitement. Vibrantly written, this is the love story of two strong-willed people fiercely committed to each other and the philosophy of living life to its fullest.

Posen, a retired physician and a former English major, has indexed 1500 passages from approximately 600 novels, short stories and plays describing physicians. He also analyzes several persistent themes in literature, such as doctors' fees, lack of time, bedside manner and social status. Posen's extensive research has uncovered a resentment of doctors and a discontent with the medical profession that transcends time and place. Blandings is now a major BBC One show starring Jennifer Saunders and Timothy Spall. In this wonderfully fat omnibus, which seems to span the dimensions of the Empress of Blandings herself (the fattest pig in Shropshire and surely all England), the whole world of Blandings Castle is spread out for our delectation: the engagingly dotty Lord Emsworth and his enterprising brother Galahad, his terrifying sister Lady Constance, Beach the butler (his voice 'like tawny port made audible'),

James Wellbeloved, the gifted but not always sober pigman, and Lord Emsworth's secretary the Efficient Baxter, with gleaming spectacles, whose attempts to bring order to the Castle always end in disarray. Lurking in the wings is Sir Gregory Parsloe-Parsloe of Matchingham Hall, the neighbour with designs on the Prize which must surely belong to the Empress. As Evelyn Waugh wrote, 'The gardens of Blandings Castle are that original garden from which we are all exiled.' This omnibus contains *Something Fresh*, *Summer Lightning* and three short stories.

My Life with Arthur Hailey Open Road Media

The New York Times bestselling author of *The Splendor Before the Dark* reveals the untold story of Mary Magdalene—a disciple of Jesus Christ and the most mysterious woman in the Bible. Was Mary Magdalene a prostitute, a female divinity figure, a church leader, or all of those? Biblical references to her are tantalizingly brief, but we do know that she was the first person to whom the risen Christ appeared—and the one commissioned to tell others the good news, earning her the ancient honorific, "Apostle to the Apostles." Today, Mary continues to spark controversy, curiosity, and veneration. In a vivid re-creation of Mary Magdalene's life story, Margaret George convincingly captures this renowned woman's voice as she moves from girlhood to womanhood, becomes part of the circle of disciples, and comes to grips with the divine. While grounded in biblical scholarship and secular research, Mary, Called Magdalene ultimately transcends both history and fiction to become a "diary of a soul."

Hospital [Final diagnosis. Portuguese]. Bantam

Emily Ashcroft and her father, Sir Harrison Ashcroft, have set out to write a definitive biography of Adolph Hitler. Before they can finalize their manuscript, however, a cryptic letter from a German dentist sends Sir Harrison off to attempt the excavation of the site of the Führerbunker, where Hitler and his wife, Eva Braun, lived out the final weeks of their life before committing suicide and being cremated in a shallow pit. The thing is – maybe they didn't. Unfortunately, before the excavation can begin, Ashcroft is run down in a hit-and-run that would seem accidental – except the driver backed up and ran him over a second time. Armed only with the dentist's letter, her notes, and the determination to finish her father's book, Emily Ashcroft makes her own journey to Berlin. She is joined by a Russian museum curator, an American architect writing a book on Nazi and Third Reich

architecture, and a Mossad agent, posing as a reporter. Together they uncover what may be the greatest hoax ever perpetrated – the faked death of the Father of the Third Reich, and the plan to bring the Nazi party back to power. Through harrowing adventures, steamy romance, impersonators, SS guards, and survivors they piece together the missing puzzle pieces of what really happened so long ago. The only question is – are they up to the challenge, and, as they begin to close in, can they survive it?
