Adrian are deepening,
despite the fact that he is

the son of her sworn enemies and, unbeknownst to Nova, he has some dangerous secrets of his own. In this second installment of the Renegades trilogy, Nova, Adrian, and the rest of their crew – Ruby, Oscar, and Danna -- are faced with escalating crime in Gatlon City, while covert weapons and conflicting missions have Nova and Adrian questioning not only their beliefs about justice, but also the feelings they have for each other. The line between good and evil

has been blurred, but what's clear to them both is that too much power could mean the end of their city – and the world – as they know it.

Scarlet (The Lunar

Chronicles Book 2)

Penguin

In New York Times bestselling author Marissa Meyer's young adult contemporary romance, a girl is suddenly gifted with the ability to cast instant karma on those around her - both good and bad. Chronic overachiever Prudence Barnett is always quick to cast judgment on the lazy, rude, and arrogant residents of her coastal town. Her dreams of karmic justice are fulfilled when, after a night out with her friends, she

wakes up with the sudden ability to cast instant karma on those around her. Pru giddily makes use of the power, punishing everyone from public vandals to mean gossips, but there is one person on whom her powers consistently backfire: Quint Erickson, her slacker of a lab partner. Quint is annoyingly cute and impressively noble, especially when it comes to his work with the rescue center for local sea animals. When Pru resigns herself to working at the rescue center for extra

credit, she begins to uncover truths about baby otters, environmental upheaval, and romantic crossed signals—not necessarily in that order. Her newfound karmic insights reveal how thin the line is between virtue and vanity, generosity and greed . . . love and hate... and fate.

In *Gilded*, #1 New York Times bestselling author Marissa Meyer returns to the fairytale world with this haunting retelling of Rumpelstiltskin. Long ago cursed by the god of lies,

a poor miller's daughter has developed a talent for spinning stories that are fantastical and spellbinding and entirely untrue. Or so everyone believes. When one of Serilda's outlandish tales draws the attention of the sinister Erlking and his undead hunters, she finds herself swept away into a grim world where ghouls and phantoms prowl the earth and hollow-eyed ravens track her every move. The king orders Serilda to complete the impossible task of spinning straw into gold,

or be killed for telling falsehoods. In her desperation, Serilda unwittingly summons a mysterious boy to her aid. He agrees to help her... for a price. Love isn't meant to be part of the bargain. Soon Serilda realizes that there is more than one secret hidden in the castle walls, including an ancient curse that must be broken if she hopes to end the tyranny of the king and his wild hunt forever.
