AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than "just a book." It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new, exciting, in-demand products, as well as highlighting trusted favorites. The well-organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties/Parts Unlimited Tire catalog. It has tires, tire accessories and tire/wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties/Parts Unlimited Helmet/Apparel catalog. Combine all three catalogs for the most

complete powersports resource of 2014.

Whether it's a big-bore, high-end custom sportbike you're after, or a naked, bare knuckles streetfighting drag racer, this book has the goods for getting you there. In three different scenarios, the nation's top builders give blow-by-blow instructions for completely rebuilding three popular streetbikes -- from performance modifications and exhaust systems to flawless finishes and detail work. Focusing on highly customized Hayabusa drag bikes, including a slammed and lowered Suzuki GSX1300R Hayabusa, John Dantzer of the Charlotte, North Carolina, shop Two Wheel Customs outlines the suspension and engine modifications that the serious street and quarter-mile racer can make. He takes a salvaged, late-model four-cylinder street machine and transforms it into the kind of machine that both professional stunt riders and corner-carving enthusiasts favor. Next, author Mike Seate covers the details on constructing and installing popular modifications -- everything from engine crash guards and wheelie bars to motocross-style handlebars and bikini fairings -- while stunt riders and streetfighter builders from the United States and Europe weigh in with tips and advice. Last but not least, the builders at Wisconsin's Patrick's Performance and South Carolina's Coastal Motorcycles provide a step-by-step account of the construction of two high-end custom sportbikes -- transforming a Yamaha YZF

R-1 and a Suzuki GSX-R 1000 into the kind of machines that are eye-popping everywhere-on the streets or on the motorcycle show circuit.

Ten essays discuss federal democracy, the form of government of the United States. The first essay discusses the origins of American federalism. The second examines why we have a federal system, the functions federalism serves, and the consequences of federalism for the American political system. Federalism in the Constitution and constitutional law are treated in the third essay. The importance of cultural pluralism in American life and the role of American federalism in supporting pluralism are the foci of the fourth essay. The roles that the local community, the states, and political parties play in the federal system are examined in essays 5, 6, and 7, respectively. State, local, and professional roles in citizenship education are discussed in the eighth essay. The ninth essay explores how high school U.S. history and government textbooks approach federalism. The concluding essay describes resources on federalism that can be used in curriculum development at the secondary and college levels. Many of the essays are followed by topics for further study and suggested readings for teachers. (RM)

From the bestselling authors of Tryin' to Sleep in the Bed You Made comes a heartwarming tale of how true friendship can overcome life's obstacles. Gayle Saunders and Patricia Reid have been lifelong friends, as close as sisters. When they were teens their dreams led them down separate paths and away from each other. But they reunited as adults, drawn back together by a bond of friendship that stood the test of time. Now Pat and Gayle co-own the Ell & Me Company, a business they founded based on a character Gayle created years ago for her daughter. Things are going well, but real-life dramas ensue as each must face issues from the past in order to protect the future. Pat and Marcus look like the perfect twenty-first-century couple -- smart, talented, each at the helm of a high-profile enterprise and at the top of their game. But behind closed doors their marriage is challenged by the stresses of a two-entrepreneur household. Will their professional pursuits leave them time for each other and a family, or carry them into the arms of others? Will a paternity claim prove to be too much of an obstacle to overcome? Gayle faces her own family drama and struggles to maintain control of her life. Despite dating other men, has she ever really gotten over her ex-husband, Ramsey, the gambler who left her and their daughter, Vanessa, in financial ruin? Gayle bends over backward to provide a stable,

comfortable home for Vanessa, and support her dream of becoming a dancer. And Vanessa, a rebellious and hurtful teen, seems just as devoted to making Gayle pay for every mistake she has ever made. And what ever happened to Ramsey? In *Gotta Keep on Tryin'*, Virginia DeBerry and Donna Grant bring us heroines who remind you, for better and worse, of women everywhere -- women who know that true friendship keeps us grounded. And when things get rough the bond between women can be stronger than any trials we face.
