Revised 2016 Edition:

Despite the sensational
nature of its subject, *Lost
in Translation*:

*Rediscovering the Hebrew
Roots of our Faith* is
written in simple, clear,
rational language that
relies 100 percent on the
Bible as the ultimate
authority. The book's
authors clear away
centuries of confusion
surrounding subjects that
are seldom addressed in
modern sermons and
Bible studies. Using the
ancient Hebrew language
and culture, the authors
clarify many of the Bible's
so-called "mysteries" and
help the reader rediscover
many of the foundational
truths that have been
"lost in translation."

Topics include: - Who is
the Bride of Messiah? - Is
there a difference
between covenant and
testament? - Israel: Who
are they really? - What is
the difference between
devils, demons, and
nephilim? Join us on an
exciting adventure to
rediscover the treasures

still buried within the
pages of *The Book* that
reveal the pathway to the
heart of God. "A must-
read for the church!

Providing foundational
insights which lead to a
greater understanding of
God's master plan, this
book will open your eyes
to scriptural distortions
due to the centuries of
Greek influence on the
church." - Corey Berti,
Senior Pastor, Silver
Valley Worship Center, ID
"I've been a believer for
12 years, and I've read
numerous scriptures that
didn't make sense. The
authors do a tremendous
job of explaining the
importance of
understanding our
Hebrew roots which
provide context and
clarity to the overall
theme of God's message.
It's like watching TV in
black and white and then
suddenly seeing it in
color. The truth hasn't
changed, but it's meaning
becomes more vivid." -
Jason Carr

The award-winning author
of *Grateful* goes beyond
the culture wars to offer a
refreshing take on the
comprehensive, multi-
faceted nature of Jesus,
keeping his teachings
relevant and alive in our
daily lives. How can you
still be a Christian? This is
the most common
question Diana Butler
Bass is asked today. It is a
question that many
believers ponder as they
wrestle with
disappointment and
disillusionment in their
church and its leadership.
But while many Christians
have left their churches,
they cannot leave their
faith behind. In *Freeing
Jesus*, Bass challenges the
idea that Jesus can only
be understood in static,
one-dimensional ways and
asks us to instead

consider a life where Jesus grows with us and helps us through life's challenges in several capacities: as Friend, Teacher, Savior, Lord, Way, and Presence. Freeing Jesus is an invitation to leave the religious wars behind and rediscover Jesus in all his many manifestations, to experience Jesus beyond the narrow confines we have built around him. It renews our hope in faith and worship at a time when we need it most.

You were born to lead. Now it's time to become a leader. Leaders may be found in boardrooms, but they may also be found in families, schools, and organizations of all kinds—anywhere people interact, nurture, create, or build. Contrary to popular opinion, leadership is not meant for an elite group of people who, by fate or accident, become leaders while everyone else is consigned to being a lifelong follower. After personally training thousands of leaders from around the world, best-selling author Dr. Myles Munroe reports that while every person possesses the potential of leadership, many do not

understand how to cultivate the leadership nature and how to apply it to their lives. In *The Spirit of Leadership*, Dr. Munroe defines the unique attitudes that all effective leaders exhibit, explains how to eliminate hindrances to your leadership abilities, and helps you to fulfill your particular calling in life. "...a defining portrait of true and effective leadership. On these pages you will discover your purpose, your passion, and your potential to become the leader God has destined you to be." —Pastor John Hagee, Cornerstone Church "[Dr Myles Munroe's] wisdom is to the believer what a phone booth was to Superman! Step into every page and be charged!" —Bishop T. D. Jakes, The Potter's House of Dallas "The world is groaning in travail, waiting for the manifestation of those who will rise up as followers of God and leaders of men.... Dr. Myles Munroe will give you invaluable insight in your quest to discover and develop the spirit of a leader." —Pastor Rod Parsley, World Harvest Church "Are you aware that God has ordained you to be a leader? In *The*

Spirit of Leadership, Dr. Myles Munroe gives us the key to find the hidden leader within ourselves. I highly recommend this inspired book to all."

—Paul F. Crouch, Trinity Broadcasting Network "In *The Spirit of Leadership*, Dr. Myles Munroe taps into the core truths of authentic, successful leadership. Through decades of study and careful observation, Dr. Munroe has identified the key—the missing ingredient that activates the potential to lead found within every human being." —Marilyn Hickey, Marilyn Hickey Ministries

What is true faith? In *The Power of Kingdom Faith*, Dr. Myles Munroe strips away the common errors and misconceptions surrounding faith to reveal the nature, character, and power of true faith, or, Kingdom faith. Kingdom faith trusts not in the promises of God but in the God who promises; seeks not the blessings of God, but the God who blesses. Kingdom faith will always be tested, but because it places its trust in the King of the universe, will always prevail under testing. Kingdom faith,

therefore is a triumphant faith that will overcome the world.

The End of Faith: Religion, Terror, and the Future of Reason Destiny Image Publishers

Best-selling author Myles Munroe reveals in this book the key to personal fulfillment: purpose. We must pursue purpose because our fulfillment in life depends upon our becoming what we were born to be and do. In Pursuit of Purpose will guide you on that path to finding God's purpose for your life.

This book is about your original purpose for existence and the source of meaning behind your life. In these pages you will discover the Creator's divine motivation, design, and mandate for His creation and your role in that creation. After reading this book, you will be equipped with the knowledge to answer some of the questions addressing the heart cries of humanity in our search for a better world. I am convinced also that you will come to believe, as I do, that there is hope for mankind, but only as we reconnect to the source of creation and our Creator's original concepts for life

on planet earth. It is this concern that this book will attempt to address. The goal of this book is to reintroduce the concepts, principles, and nature of true authentic kingdoms as presented by the Creator and show the superior and advantageous nature of kingdom as compared to any religion, political ideology, government system, or social program. Join me as we explore and understand the precepts and principles of "the Kingdom."

In Rediscovering Faith, Dr. Myles Munroe strips away misconceptions surrounding faith and reveals the nature, character, and power of true faith. True Kingdom faith: Trusts not in the promises of God, but in the God who promises. Seeks not the blessings of God, but the God who blesses. This is the triumphant faith that overcomes the world of bad economic times, health problems, fleshly desires, and whatever else Satan throws at you. As author and pastor Myles Munroe says, "There are questions in life we can never answer. First you must settle that,

because if you don't come to that conclusion you will always be depressed. I decided that over 30 years ago; so that's why I have no depression. I have no problems. I have no frustrations in my life." Turning of Days Destiny Image Publishers

How does Christianity change the way we view the natural world? In this addition to a critically acclaimed series, renowned theologian Norman Wirzba engages philosophers, environmentalists, and cultural critics to show how the modern concept of nature has been deeply problematic. He explains that understanding the world as creation rather than as nature or the environment makes possible an imagination shaped by practices of responsibility and gratitude, which can help bring healing to our lands and communities. By learning to give thanks for creation as God's gift of life, Christians bear witness to the divine love that is reconciling all things to God.  Who was Jesus? And how was this first-century political revolutionary, whose teachings are meant to lead the way to freedom, turned into a meek and mild servant of the status quo? How is it possible to profess a belief in Jesus, yet ignore the suffering of the poor and the needy? Just how truly faithful to the vision of Jesus are the many politicians who claim to be Christian? These are the kinds of questions Obery Hendricks, a biblical scholar, activist, and minister, asks in this provocative new book. In this day and age of heated political debate, Hendricks's *The Politics of Jesus* stands out as much for its brilliant re-creation of the life and mind of Jesus of Nazareth as for its scathing critique of modern politicians "of faith."
