This book lays bare a fast, thrilling method for getting the results you deserve. Whatever you lust for can be yours. Sex magick works whether you are single or in a relationship. *Adventures In Sex Magick* offers you a no-nonsense approach to make your vision a reality. This is not a book about sexual technique or seduction. It's about attracting money, power, love and success. Please only proceed with this book if you have an extremely open mind when it comes to magick and to sexual practice. Most sex magick methods compel you to learn obscure breathing techniques, and train yourself in sexual denial, but this book is smoldering with the pleasures of the flesh. Damon Brand reveals an approach to magick that can work for you the very first time. You will discover: How to achieve several magickal goals at once. A secret sigil that gives access to angelic sexual power. The unique secret of The Major Process. The deep power of sigil magick. If you enjoy sex, and have an open mind, take the first step to a more rewarding life.

Crone's Book of Magical Words Library of Alexandria

This book contains 77 sigils, seals and talismans, each printed on its own page (with nothing on the back), so you can use them easily in rituals. It was designed to be used by magickal workers who are familiar with Damon Brand's first seven books, released by The Gallery of Magick. This book contains all the ritual images from *Magickal Cashbook*, *Wealth Magick*, *Magickal Angels*, *Magickal Seduction*, *Adventures In Sex Magick*, *The Magickal Job Seeker* and *Words of Power*. You can photocopy the images, use them directly in the book or even cut the book up and use the sigils in your magickal work. Images that contain color - such as the red central seal on the sigils from *Magickal Angels* - have been printed with color. The book also contains colored versions of the *Magickal Cashbook* sigils, to help them blend with your cashbook, along with the newly revised version of the Nitika sigil. This book is not essential for students of Damon Brand, but was requested by many readers, because they lack quality printers, or because they wanted high-quality copies of the sigils. *Ritual Offerings* Hellfire

Advancing to higher levels of ritual magic with purpose and power requires an exaltation of consciousness-a spiritual transformation that can serve as an antidote to the seeming banality of modern life. Based on Kabbalistic techniques, the teachings of the Hermetic Order of the Golden Dawn, and an Hermetic tradition spanning nearly two thousand years, this innovative new work introduces the history of the Golden Dawn and its mythology, the

Tree of Life, Deities, demons, rules for practicing magic, and components of effective ritual. A comprehensive course of self-initiation using Israel Regardie's seminal Golden Dawn as a key reference point, *Kabbalah, Magic and the Great Work of Self-Transformation* guides you through the levels of the Golden Dawn system of ritual magic. Each grade in this system corresponds with a sphere in the Kabbalistic Tree of Life and includes daily rituals, required reading, written assignments, projects, and additional exercises. Knowledgeable and true to tradition, author Lyam Thomas Christopher presents a well-grounded and modern step-by-step program toward spiritual attainment, providing a lucid gateway toward a more awakened state. Damon Brand reveals the closely guarded secrets of the super-rich. This much sought-after volume is available once more. It contains a complete magickal system for attracting great wealth. The system has been developed over thirty years by a group of occultists known as The Gallery of Magick. Magick is not for everybody, and the magick in this book is certainly not suitable for the casual user, or for somebody who just wants a little extra cash. Although you do not need any particular skills or experience to benefit from this book, you do need to dedicate time, effort and mental energy to the working, as well as moving the focus of your life to wealth. If you are prepared for that level of commitment, there can be great rewards. This book is designed for those who want to focus on long term wealth creation. It is not designed for those in desperate poverty, but for those who can afford to turn their attention to wealth. Damon says, "To be clear, and for the sake of complete honesty, I am not super-rich, but I am extremely wealthy compared to where I was a few years ago, and compared to my childhood I feel like a billionaire. I have also found that the effects of the working grew long after it was initially performed, with my wealth continuing to expand years later." How rich you become is up to you. *Wealth Magick* concentrates magick into a series of workings that will enable you to attract the wealth you desire. If you want money, it's yours. As Damon Brand points out, magick is often over-complicated. He says, "Before you know it you're trying ten different methods at once and your house is filled with candles, altars, incense and all sorts of images, crystals and magickal gadgets. The good news is that most of this can be thrown out. Everything you need is contained in *Wealth Magick*." You do not have to spend years performing endless spells or make offerings to dangerous spirits. This method has been concentrated into the purest magick. You begin attracting wealth from day one. You should note, however, that this is not a quick fix, and although the daily rituals are brief, several months

of dedication are required. The magickal operations in this book are not about attracting a little extra cash. They are about creating a completely new lifestyle, based on a flow of extreme prosperity. Only go ahead if you genuinely want to focus on creating wealth and if you are willing to accept the challenges and changes that come with extreme wealth. You will discover: The number one mistake people make when trying to manifest money. A set of unique secret seals, drawn from ancient texts and combined with modern magick. The power of *The Daily Practice*. Seven wealth workings that can not be found anywhere else. WARNING: This book uses angels and demons to attain your desires. The entire working is made safe by three omnipotent angels who oversee the operation, but if the thought of working with demons makes you uneasy, look to my other books such as *Magickal Cashbook* and *Magickal Riches*, which have no demonic content. DISCLAIMER: Magick is not for everybody. If you are drawn to magick, you will get good results. If you are afraid of magick, you will not. The magick in Damon Brand's books has been developed by The Gallery of Magick to get results safely. There is plenty of evil in the world, but there is no evil in these books. You will not be punished by karma or chased down by demons, and there is no magickal backlash that will punish you for being rich. But if you are afraid of magick or think that magick is evil or that you are underserving of wealth, this book is not for you. If you're uncertain, you can read more about magick on the website. If you feel that magick can help you take control of your life, then welcome the power that this book offers.

Crone's Book of Magical Words (previously published as *The Crone's Book of Words*) by Valerie Worth is the book you've been waiting for! In its pages are over 125 spells, incantations, and charms. If you can think of a purpose for a spell, it's probably in this book. Need a spell to summon a ghost? Or perhaps you want the opposite: a spell to free a house from being haunted. They're both in this book. Do you need something to help you lose weight or have longevity? You'll find them here. Or perhaps you want to pass through a locked door. It's all in this book. Even if you don't know a thing about magic, you can use this book. The spells are easy, poetic, and evocative. For example, to cure a wart the instructions are: "Stamp within a silver cup mullein and houseleek together. Stir them with a sparrow's feather. Let it draw the juices up; Twenty times upon one day, brush them over the excrescence; Under sunlight dry the essence--Soon the wart must shrink away." The range in this book is phenomenal. You'll find a simple fertility charm and a way to conjure with smoke. You'll read about how to bring rain and how to stop rain from falling. You'll learn how to tell fortunes with sand or with tea leaves. This is more than just a book about magic, it is a folklorist's bonanza. If

you're ready to win another's love or to sweeten someone's disposition, if you want to turn hair long and golden or discover tree spirits, this is the book you must have. Whether you have been doing magic for a long time or are a beginner, this book is a must.

THE ordinary fields of psychological inquiry, largely in possession

of the pathologist, are fringed by a borderland of occult and dubious experiment into which pathologists may occasionally venture, but it is left for the most part to unchartered explorers. Beyond these fields and this borderland there lies the legendary wonder-world of Theurgy, so called, of Magic and Sorcery, a world of fascination or terror, as the mind which regards it is tempered, but in either case the antithesis of admitted possibility. There all paradoxes seem to obtain actually, contradictions coexist logically, the effect is greater than the cause and the shadow more than the substance. Therein the visible melts into the unseen, the invisible is manifested openly, motion from place to place is accomplished without traversing the intervening distance, matter passes through matter. There two straight lines may enclose a space; space has a fourth dimension, and untrodden fields beyond it; without metaphor and without evasion, the circle is mathematically squared. There life is prolonged, youth renewed, physical immortality secured. There earth becomes gold, and gold earth. There words and wishes possess creative power, thoughts are things, desire realises its object. There, also, the dead live and the hierarchies of extra-mundane intelligence are within easy communication, and become ministers or tormentors, guides or destroyers, of man. There the Law of Continuity is suspended by the interference of the higher Law of Fantasia. But, unhappily, this domain of enchantment is in all respects comparable to the gold of Faerie, which is presumably its medium of exchange. It cannot withstand daylight, the test of the human eye, or the scale of reason. When these are applied, its paradox becomes an anticlimax, its antithesis ludicrous; its contradictions are without genius; its mathematical marvels end in a verbal quibble; its elixirs fail even as purges; its transmutations do not need exposure at the assayer's hands; its marvel-working words prove barbarous mutilations of dead languages, and are impotent from the moment that they are understood; departed friends, and even planetary intelligences, must not be seized by the skirts, for they are apt to desert their draperies, and these are not like the mantle of Elijah.

The magick of demons can lead to a life of success, power and extraordinary peace. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from material pleasure. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick in this book is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. The names of 288 angels used to constrain the demons. 144 demonic and angelic seals. 72 colored sigils for working the rituals. The Ritual Opening that calls on five archangels. Words of Power for achieving altered states of consciousness. The safest and simplest methods for evoking demons.
