In AD 793 Norse warriors struck the English isle of Lindisfarne and laid waste to it. Wave after wave of Norse 'sea-wolves' followed in search of plunder, land, or a glorious death in battle. Much of the British Isles fell before their swords, and the continental capitals of Paris and Aachen were sacked in turn. Turning east, they swept down the uncharted rivers of central Europe, captured Kiev and clashed with mighty Constantinople, the capital of the Byzantine Empire. But there is more to the Viking story than brute force. They were makers of law - the term itself comes from an Old Norse word - and they introduced a novel form of trial by jury to England. They were also sophisticated merchants and explorers who settled Iceland, founded Dublin, and established a trading network that stretched from Baghdad to the coast of North America. In *The Sea Wolves*, Lars Brownworth brings to life this extraordinary Norse world of epic poets, heroes, and travellers through the stories of the great Viking figures. Among others, Leif the Lucky who discovered a new world, Ragnar Lodbrok the scourge of France, Eric Bloodaxe who ruled in York, and the crafty Harald Hardrada illuminate the saga of the Viking age - a time which "has passed away, and grown dark under the cover of night".

The Vikings maintain their grip on our imagination, but their image is too often distorted by myth. It is true that they pillaged, looted, and enslaved. But they also settled peacefully and traveled far from their homelands in swift and sturdy ships to explore. *The Age of the Vikings* tells the full story of this exciting period in history. Drawing on a wealth of written, visual, and archaeological evidence, Anders Winroth captures the innovation and pure daring of the Vikings without glossing over their destructive heritage. He not only explains the Viking attacks, but also looks at Viking endeavors in commerce, politics, discovery, and colonization, and reveals how Viking arts, literature, and religious thought evolved in ways unequalled in the rest of Europe. *The Age of the Vikings* sheds new light on

the complex society, culture, and legacy of these legendary seafarers.

One of the most dazzling and adventurous writers now working in English takes on the enigma of the Cambridge spies in a novel of exquisite menace, biting social comedy, and vertiginous moral complexity. The narrator is the elderly Victor Maskell, formerly of British intelligence, for many years art expert to the Queen. Now he has been unmasked as a Russian agent and subjected to a disgrace that is almost a kind of death. But at whose instigation? As Maskell retraces his tortuous path from his recruitment at Cambridge to the airless upper regions of the establishment, we discover a figure of manifold doubleness: Irishman and Englishman; husband, father, and lover of men; betrayer and dupe. Beautifully written, filled with convincing fictional portraits of Maskell's co-conspirators, and vibrant with the mysteries of loyalty and identity, *The Untouchable* places John Banville in the select company of both Conrad and le Carre. Winner of the Lannan Literary Award for Fiction "Contemporary fiction gets no better than this... Banville's books teem with life and humor." - Patrick McGrath, *The New York Times Book Review* "Victor Maskell is one of the great characters in recent fiction... *The Untouchable* is the best work of art in any medium on [its] subject." - *Washington Post Book World* "As remarkable a literary voice as any to come out of Ireland; Joyce and Beckett notwithstanding." - *San Francisco Chronicle*

Ragnar Lothbrok Crux Publishing Ltd

Composed in medieval Iceland, Hrolf's Saga is one of the greatest of all mythic-legendary sagas, relating half-fantastical events that were said to have occurred in fifth-century Denmark. It tells of the exploits of King Hrolf and of his famous champions, including Bodvar Bjarki, the 'bear-warrior': a powerful figure whose might and bear-like nature are inspired by the same legendary heritage as Beowulf. Depicting a world of wizards, sorceresses and 'berserker' fighters - originally members of a cult of Odin - this is a compelling tale of ancient magic. A work of timeless power and beauty, it offers both a treasury of Icelandic prose and a masterful gathering of epic, cultic memory, traditional folk tale and myths from the Viking age and far earlier.

The Saga of the Greenlanders and Eirik the Red's Saga contain the first ever descriptions of North America, a bountiful land of grapes and vines, discovered by Vikings five centuries before Christopher Columbus. Written down in the early thirteenth century, they recount the Icelandic settlement of Greenland by Eirik the Red, the chance discovery by seafaring adventurers of a mysterious new land, and Eirik's son Leif the Lucky's perilous voyages to explore it. Wrecked by storms, stricken by disease and plagued by navigational mishaps, some survived the North Atlantic to pass down this compelling tale of the first Europeans to talk with, trade with, and war with the Native Americans.

Ragnar Lothbrok: The Extraordinary Viking From the misty depths of the Early Middle Ages comes the story of a mighty Viking warrior and king named Ragnar Lothbrok. The rich oral tradition of Norse legend, written down hundreds of years after the events happened, sifted the story of Ragnar's exploits through time and poetry to create for Ragnar a lasting image of bravery in the face of the unknown. The dramatic tale of Ragnar brings up interesting questions. For example, was Ragnar a real person? If so, have the facts about him been exaggerated to the point that they no longer have much basis in reality? And, if the story has been reshaped by its storytellers, what does this say about what the people wanted to hear? Also, how can Ragnar be called a hero when his most notable feat was invading and plundering Paris? As you read Ragnar's story, you'll find the answers to questions you may not imagine right now, such as: Why was Ragnar called Lothbrok, the Old Norse word for Shaggy-Breeches? Through his legend, you see a man who had three strong wives and many vengeful sons. What kind of father and husband could this man have been? Ragnar was

certainly no peacemaker. He was tall and powerfully-built, but what about his moral character? Modern people might see this "Scourge of England and France" as a brute and a warmonger, and rightly so - not exactly in keeping with modern mores. Yet, even modern people can appreciate what he did for the world. We can thank Ragnar's kind for creating trade routes throughout Scandinavia, Britain, Europe, and even into Russia. In expanding his empire, he aided in the settlement of the regions he conquered. Learning about Ragnar's life, times and character can give you a new way to view the world. The basic struggle of Ragnar's life was between good and evil, but these two concepts are not as clear-cut as you might think. What Medieval Norsemen saw as good, you might see as wicked, aggressive and based on self-interest alone. And, what they saw as evil, you might see as simply the natural way of the life on this planet. As you read this book, you can enjoy learning about a character that is larger than life and fascinating in a way only legends can be. After you finish reading, we suspect you'll want to know more about Ragnar Lothbrok and delve into the poetry that tells his story so beautifully. **Ragnar Lothbrok: The Extraordinary Viking** *The Anglo-Saxon Chronicle* Princeton University Press

In this extensively revised third edition of *The Viking Age: A Reader*, Somerville and McDonald successfully bring the Vikings and their world to life for twenty-first-century students and instructors. The diversity of the Viking era is revealed through the remarkable range and variety of sources presented as well as the geographical and chronological coverage of the readings. The third edition has been reorganized into fifteen chapters. Many new sources have been added, including material on gender and warrior women, and a completely new final chapter traces the continuing cultural influence of the Vikings to the present day. into the twenty-first century. The use of visual material has been expanded significantly, and updated maps illustrate historical developments throughout the Viking Age. The Norse-English translations of Norse texts, many of them new to this collection, are straightforward and easily accessible, while chapter introductions contextualize the readings. **The Tale of a Viking Warrior King** Univ of California Press

Millions love the hit television show *Vikings*—but how many fans know that its main character, Ragnar, is based on an actual Viking king whose ambitious and terrifying exploits have been legend since the ninth century AD? As fierce, cunning, and determined as the character he inspired, King Ragnar Lothbrok is perhaps most famous for his sacking of Paris in 845 AD. He is also widely regarded to be among the first Viking leaders to target the riches of the British Isles not simply for plunder, but also for Danish settlement. The *Legend of Ragnar Lothbrok* presents fascinating translations of ninth, twelfth, and thirteenth-century writings—including sagas, poems, and historical accounts—that describe, in vivid detail, the adventures of Ragnar, his sons, and his formidable wives, Lagertha the Shieldmaiden and Princess Aslaug. These absorbing convergences of fact and Norse mythology include a new translation of *The Saga of Ragnar Lothbrok*; a new translation of *The Tale of Ragnar's Sons*; *The Anglo-Saxon Chronicle*, the single most important source for English history during the early Middle Ages; *Krákumál*, a famous twelfth-century poem thought to be Ragnar's death song; and the *Gesta Danorum*, a patriotic work that describes the origin of Lagertha and her relationship with Ragnar. Whether Ragnar was a single man of a thousand deeds or an amalgam of heroes may never be proven, but *The Legend of Ragnar Lothbrok* offers thrilling insight into his brutal, unforgettable world.

The Saga of the Volsungs Independently Published

Ragnar Lothbrok was a legendary Danish and Swedish Viking hero and ruler. Ragnar distinguished himself by many raids against Francia and Anglo-Saxon England during the 9th century. According to the *Tale of Ragnar Lothbrok*, Ragnar was the son of the Swedish king Sigurd Hring. Inside you'll read about Ragnar's paternal roots Ragnar's life and loves Ragnar amid the Viking Age And much more! The Great Heathen Army is said to have been led by the sons of Ragnar Lothbrok, to wreak revenge against King Ælla of Northumbria who had supposedly executed Ragnar by casting him into a pit full of snakes. that assessment. They believe that it was another Viking, Turgesius, who may have led raids on Ireland in 837, and not Ragnar Lothbrok.

A History of the Vikings Harper Collins

From the translator of the bestselling *Poetic Edda* (Hackett, 2015) comes a gripping new rendering of two of the greatest sagas of Old Norse literature. Together the two sagas recount the story of seven generations of a single legendary heroic family and comprise our best source of traditional lore about its members—including, among others, the dragon-slayer Sigurd, Brynhild the Valkyrie, and the Viking chieftain Ragnar Lothbrok.

The Saga of the Volsungs Createspace Independent Publishing Platform

The myths and legends of the Norsemen have entertained both old and young alike for hundreds of years. This fascinating collection contains stories retold from the Icelandic Eddas, the principal sources of knowledge of Norse mythology, and the Sagas of the ancient world of the Vikings. Following the deeds of the powerful Norse gods, such as Odin, Thor and Loki, and filled with a host of fantastic creatures and objects containing magical properties, the tales in *Norse Mythology* will conjure up a world of heroism and romance that will enthrall readers.

The Legend of Ragnar Lothbrok Arcturus Publishing

Although based on historical persons from the 9th century, Ragnar Lothbrok and his sons are the subjects of compelling legends dating from the Viking era. Warriors, raiders, and rulers, Ragnar and

his sons inspired unknown writers to set down their stories over seven centuries ago. This volume presents new and original translations of the three major Old Norse texts that tell Ragnar's story: the *Saga of Ragnar Lothbrok*, the *Tale of Ragnar's Sons*, and the *Sogubrot*. Ragnar's death song, the *Krækumál*, and a Latin fragment called the *List of Swedish Kings*, complete the story. Extensive notes and commentary are provided, helping the reader to enter the world of these timeless stories of Viking adventure.

Ivar the Boneless Society for the Study of Medieval Languages and Literature

Can a peasant really catch a king? Will a king stoop below his social standing for the woman he loves? Can a son learn to love his father in spite of his faults? Fans of the Viking sagas involving Ragnar Lothbrok will be familiar with his many wives, but what about the woman who bore his son, Ubbe? Raised in the middle class of Viking society, Ragnar should never have been attracted to someone of such standing. However, against the odds, the pair find a way to be together. 'Vikings: The Trouble with Ubbe's Mother' will unravel all these secrets and reveal a story that is more interesting than anything you knew about them previously. Discover the truth today! Part One brings the whole story to life with a historically accurate novel. Part Two then examines the historical facts behind this Viking story. The 'Viking Secrets' series explores the historical fact from present day fiction in regards to the Vikings and the extraordinary women who existed in the Viking era. PLEASE NOTE: Each of the books in this series can be read as standalone books due to the nature of the sagas involved. Therefore, the book numbering indicates the order in which the stories were published and not the order in which they are required to be read.

The Age of the Vikings Hackett Publishing

University Press returns with another short and captivating portrait of one of history's most compelling figures, Ragnar Lothbrok. Ragnar Lothbrok was a legendary Viking. A warrior king whose exploits in battle won him the fierce loyalty of his people (and the name "Shaggy-Breeches"), he and his armies sowed terror as they invaded their way across 9th-century Europe. The story of Ragnar Lothbrok's life emerges from the misty depths of the early Middle Ages in the form of a rich oral tradition of Norse legend. He may be remembered for plundering cities, but upon his death he left behind new trade routes throughout Europe and many sons who would carry on their father's traditions. This short book tells the intensely human story of a man who changed the world in a way that no one else could.

Viking King and Warrior Little, Brown

From Finland to Newfoundland and Jelling to Jerusalem, follow in the wake of the Vikings—a transformative story of a people that begins with paganism and ends in Christendom. In AD 800, the Scandinavians were just barbarians in longships. Though they held sway in the north, their power meant little more than the ability to pillage and plunder, which they did to bolster their status at home. But as these Norse warriors left their strongholds to trade, raid, and settle across wide areas of Europe, Asia, and the North Atlantic, their violent and predatory culture left a unique imprint on medieval history. The twist that no one predicted, however, was a much slower, insidious takeover than any the Vikings would execute, and by a turn of the tide, they themselves became its target. For as they made their mark on Europe, Europe made its mark on them. By the year 1200, what remained of the Vikings' pagan origins floated beneath the surface and the strong, strange territories of the north had become a part of Latin Christendom. Northmen is there to tell the tale, to pay homage to what was lost and celebrate what was won. Focusing on key events, including the sack of Lindisfarne in 793 and the Battle of Stamford Bridge in 1066, medieval history expert John Haywood recounts the saga of the Viking Age, from the creation of the world through to the dwindling years of halfhearted raids and elegiac storytelling in the thirteenth century. He does so with meticulous research, engaging narrative, and sensitivity for his subject, shedding light and blood along the way.
