their friendship.

Diario de Greg Penguin
Mejor no preguntarle a
Greg qué tal lo ha pasado
durante las vacaciones de
verano, porque no quiere

ni oír hablar del asunto.
De hecho, al empezar el
nuevo curso Greg está
deseando olvidar los
últimos tres meses de su
vida, en particular cierto
acontecimiento.. .Por
desgracia para él, su
hermano Rodrick lo sabe
todo sobre ese incidente
que él querría enterrar
para siempre. Y es que
todos los secretos acaban
saliendo a la luz...sobre

todo cuando hay un diario de por medio.

Raina Telgemeier's #1

New York Times

bestselling, Eisner Award-winning graphic memoir based on her childhood! Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so

friendly.

A Novel Scholastic UK From the New York Times bestselling author of *The Giver of Stars*, discover the love story that captured over 20 million hearts in *Me Before You*, *After You*, and *Still Me*. “You’re going to feel uncomfortable in your new world for a bit. But I hope you feel a bit exhilarated too. Live boldly. Push yourself. Don’t settle. Just live well. Just live. Love. Will.” How do you move on after losing the person you loved? How do you build a

life worth living? Louisa Clark is no longer just an ordinary girl living an ordinary life. After the transformative six months spent with Will Traynor, she is struggling without him. When an extraordinary accident forces Lou to return home to her family, she can't help but feel she's right back where she started. Her body heals, but Lou herself knows that she needs to be kick-started back to life. Which is how she ends up in a church basement with the members of the Moving

On support group, who share insights, laughter, frustrations, and terrible cookies. They will also lead her to the strong, capable Sam Fielding—the paramedic, whose business is life and death, and the one man who might be able to understand her. Then a figure from Will's past appears and hijacks all her plans, propelling her into a very different future. . . . For Lou Clark, life after Will Traynor means learning to fall in love again, with all the risks that brings. But here

Jojo Moyes gives us two families, as real as our own, whose joys and sorrows will touch you deeply, and where both changes and surprises await.

"Life was better in the old days. Or was it? That's the question Greg Heffley is asking as his town voluntarily unplugs and goes electronics-free. But modern life has its conveniences, and Greg isn't cut out for an old-fashioned world. With tension building inside

and outside the Heffley home, will Greg find a way to survive?"--

After You Diario de Greg 11 - ¡A por todas!

La decimoprimer entrega del diario más tronchante y desternillante: Diario de Greg. Un auténtico FENÓMENO MUNDIAL. La presión le puede a Greg Heffley. Su madre cree que los videojuegos disminuyen su capacidad intelectual y quiere que se olvide de la consola para explorar su «lado creativo». Y entonces descubre la vieja cámara de vídeo de sus padres.

Gracias a ella, Greg le demostrará al mundo todo su talento tramando un plan para filmar una peli de terror... y, de paso, hacerse rico y famoso. Pero ¿ir A POR TODAS con una peli es un buen plan? ¿O es la receta perfecta para multiplicar TODOS sus problemas? Reseñas: «Los niños aman estos libros». The New York Times «Una mezcla muy divertida que se devora en poco más de una hora y que está causando furor». El País «Una de las series infantiles de mayor éxito de todos los

tiempos». Washington Post «El humor llega de la mano de Greg, con su hilarante (y lúcida) crítica del mundo de los mayores». La Vanguardia *Hard Luck Turtleback* While trying to find a new best friend after feuding with Rowley, middle-school slacker Greg Heffley is warned by older family members that adolescence is a time to act more responsibly and to think seriously about his future.

The Meltdown Molino The young rabbit Podkin One-Ear and his allies

battle to save their land from the evil Gorm tribe. The Longburrow series is Middle Earth for middle graders! Podkin and his sister and baby brother, Paz and Pook, struggle to keep their ragtag clan of refugees safe from enemies who are destroying the forest in an effort to find them. When they are separated from their clan, the siblings encounter the mysterious and mystical creatures who are the heart of the forest itself. As the fate of all rabbitkind hangs in the balance, the youngsters

must recruit these new allies and convince feuding clans to come together in a desperate final battle to defeat the diabolical Gorm. Action and high stakes propel the climactic struggle in the series that shows anyone--even little rabbits--can do great things.

 Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland,

a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid

impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
