DUNN WILCOX

Empire of Storms Vintage

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new

tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite

his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared The New Republic hailed it as "remarkable, learned and lively," while The New Yorker noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

Corporate Governance Vintage

Why do people choose authoritarianism over freedom? The classic study of the psychological appeal of fascism by a New York Times–bestselling author. The pursuit of freedom has indelibly marked Western culture since Renaissance humanism and Protestantism began the fight for individualism and self-determination. This freedom, however, can make people feel unmoored, and is often accompanied by feelings of isolation, fear, and the loss of self, all leading to a desire for authoritarianism, conformity, or destructiveness. It is not only the question of freedom that makes Fromm's debut book a timeless classic. In this examination of the roots of Nazism and fascism in Europe, Fromm also explains how economic and social constraints can also lead to authoritarianism. By the author of *The Sane Society* and *The Anatomy of Human Destructiveness*, this is a fascinating examination of the anxiety that underlies our darkest impulses, an enlightening volume perfect for readers of Eric Hoffer or Hannah Arendt. This ebook features an illustrated biography of Erich Fromm including rare images and never-

before-seen documents from the author's estate.

The Turn of the Screw John Wiley & Sons

Foucault's writings on power and control in social institutions have made him one of the modern era's most influential thinkers. Here he argues that punishment has gone from being mere spectacle to becoming an instrument of systematic domination over individuals in society - not just of our bodies, but our souls. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

The Four Loves Diggory Press Limited

The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: "GOD is love," says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God."

Fire in the Minds of Men Penguin Classics

Focusing on the arcades of 19th-century Paris--glass-roofed rows

of shops that were early centers of consumerism--Benjamin presents a montage of quotations from, and reflections on, hundreds of published sources. 46 illustrations.

Collective Actions in Europe Xist Publishing

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

A Vindication of the Rights of Woman (a feminist literature classic) Simon and Schuster

A bloodstone dagger to ward off evil... In a matter of weeks, Savannah Cross has ascended, overcome a prince of darkness, and lost one whom she loved. Her powers have become a liability in the wake of her shattered world. Her rapid descent into a delusional vortex has made her unable to tell fantasy from reality. She knows her visions cannot be real and yet are as unquestionable as the air she breathes. Her only solace is the demise of the evil that would have destroyed her loved ones, but can evil ever truly die? Willow watches as Savannah spirals into chaos, but is unable to help. She must answer Death's ultimatum with one of her own. How will she leave behind everything to embrace a sisterhood of immortals, who do not accept her? Savannah must pull herself from the dark void that has invaded her soul, while Willow must learn to embrace the hell-hound within, because an evil has awakened to avenge hell's lost prince. Will they be strong enough to face the wrath of hell?

The Sun Also Rises One World

In this new book, Bauman examines how we have moved away from a 'heavy' and 'solid', hardware-focused modernity to a 'light' and 'liquid', software-based modernity. This passage, he argues, has brought profound change to all aspects of the human condition. The new remoteness and un-reachability of global systemic structure coupled with the unstructured and under-defined, fluid state of the immediate setting of life-politics and human togetherness, call for the rethinking of the concepts and cognitive frames used to narrate human individual experience and their joint history. This book is dedicated to this task.

Bauman selects five of the basic concepts which have served to make sense of shared human life - emancipation, individuality, time/space, work and community - and traces their successive incarnations and changes of meaning. *Liquid Modernity* concludes the analysis undertaken in Bauman's two previous books *Globalization: The Human Consequences* and *In Search of Politics*. Together these volumes form a brilliant analysis of the changing conditions of social and political life by one of the most original thinkers writing today.

Minima Moralia Anchor

25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The Arcades Project Transaction Publishers

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the

most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally

charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

The Justice of God in the Damnation of Sinners Modern Library

In the wake of the dramatic series of corporate meltdowns: Enron; Tyco; Adelphia; WorldCom; the timely new edition of this successful text provides students and business professionals with a welcome update of the key issues facing managers, boards of directors, investors, and shareholders. In addition to its authoritative overview of the history, the myth and the reality of corporate governance, this new edition has been updated to include: analysis of the latest cases of corporate disaster; An overview of corporate governance guidelines and codes of practice in developing and emerging markets new cases: Adelphia; Arthur Andersen; Tyco Laboratories; Worldcom; Gerstner's pay packet at IBM Once again in the new edition of their textbook, Robert A. G. Monks and Nell Minow show clearly the role of corporate governance in making sure the right questions are asked and the necessary checks and balances in place to protect the long-term, sustainable value of the enterprise. A CD-ROM containing a comprehensive case study of the Enron collapse, complete with senate hearings and video footage, accompanies the text. Love in the Time of Cholera (Illustrated Edition) Open Road Media
 "Immensely talented... Christy's muscular, vivid writing and John le Carré-esque talent for thrusting us deep into unfamiliar territory ensure that what could lapse into cliché instead sounds

fresh and exciting... Klay is a great, flawed hero, in the vein of the classic hard-drinking, hard-living, hard-loving loner."--New York Times Book Review In this intricate and propulsive thriller--from National Geographic's founder of Special Investigations--Tom Klay an investigative reporter leading a double life as a CIA spy, discovers that he has been weaponized in a global game of espionage pitting him against one of the world's most ruthless men. Tom Klay is a celebrated investigative wildlife reporter for the esteemed magazine *The Sovereign*. But Klay is not just a journalist. His reporting is cover for an even more dangerous job: CIA agent. Klay's press credentials make him a perfect spy--able to travel the globe, engage both politicians and warlords, and openly record what he sees. When he needs help, the Agency provides it to him, and asks little in return. But while on assignment in Kenya, Klay is attacked and his closest friend is murdered. Soon Klay's carefully constructed double life unravels as his ambition turns to revenge. The CIA has an answer. Klay is offered a devil's bargain to capture the man who killed his friend by infiltrating the offices of the woman he once loved, South Africa's special prosecutor, Hungry Khoza. But Klay soon discovers that he and Hungry are part of a larger, more lethal game--one that involves a ruthless mercenary and a global superpower. The deeper he digs, the more Klay realizes that everything he thought he knew about his work may have been a lie, and his sworn enemy may be his only ally. In this riveting, timely thriller, the lines between good and evil blur, and absolutely nothing is as it seems.

In the Company of Killers Springer Nature

A brilliant work from the most influential philosopher since Sartre.

In this indispensable work, a brilliant thinker suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

Discipline and Punish Bloomsbury Publishing USA

This open access book offers an analytical presentation of how Europe has created its own version of collective actions. In the last three decades, Europe has seen a remarkable proliferation of collective action legislation, making class actions the most successful export product of the American legal scholarship. While its spread has been surrounded by distrust and suspiciousness, today more than half of the EU Member States have introduced collective actions for damages and from those who did, more than half chose, to some extent, the opt-out system. This book demonstrates why collective actions have been felt needed from the perspective of access to justice and effectiveness of law, the European debate and the deep layers of the European reaction and resistance, revealing how the Copernican turn of class actions questions the fundamentals of the European thinking about market and public interest. Using a transsystemic presentation of the European national models, it analyzes the way collective actions were accommodated with the European regulatory environment, the novel and peculiar regulatory questions they had to address and how and why they work differently on this side of the Atlantic.

The Damnation of Theron Ware or Illumination Wiley-Blackwell

Written between 1944 and 1947, *Minima Moralia* is a collection of rich, lucid aphorisms and essays about life in modern capitalist

society. Adorno casts his penetrating eye across society in mid-century America and finds a life deformed by capitalism. This is Adorno's theoretical and literary masterpiece and a classic of twentieth-century thought.

A Game of Thrones One World

"Profound, funny ... wild and moving ... heartbreaking accounts of a lonely black childhood.... Brown sees racial oppression in national and global context; every political word she writes pounds home a lesson about commerce, money, racism, communism, you name it ... A glowing achievement." —Los Angeles Times Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words: "I have all the guns and all the money. I can withstand challenge from without and from within. Am I right, Comrade?" It was August 1974. From a small Oakland-based cell, the Panthers had grown to become a revolutionary national organization, mobilizing black communities and white supporters across the country—but relentlessly targeted by the police and the FBI, and increasingly riven by violence and strife within. How Brown came to a position of power over this paramilitary, male-dominated organization, and what she did with that power, is a riveting, unsparing account of self-discovery. Brown's story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school, where she first sensed what it meant to be black, female, and poor in America. She describes her political awakening during the bohemian years of her adolescence, and her time as a foot soldier for the Panthers, who seemed to hold the promise of redemption. And she tells of her ascent into the upper echelons of Panther leadership: her

tumultuous relationship with the charismatic Huey Newton, who would become her lover and her nemesis; her experience with the male power rituals that would sow the seeds of the party's demise; and the scars that she both suffered and inflicted in that era's paradigm-shifting clashes of sex and power. Stunning, lyrical, and acute, this is the indelible testimony of a black woman's battle to define herself.

Perestroika in Paris Harper Collins

Only the greatest sacrifice can turn the tide of war. War is brewing in the fifth book of the #1 bestselling Throne of Glass series by Sarah J. Maas. The long path to the throne has only just begun for Aelin Galathynius as war looms on the horizon.

Loyalties have been broken and bought, friends have been lost and gained, and those who possess magic find themselves increasingly at odds with those who don't. With her heart sworn to the warrior-prince by her side and her fealty pledged to the people she is determined to save, Aelin will delve into the depths of her power to protect those she loves. But as monsters emerge from the horrors of the past, dark forces stand poised to claim her world. The only chance for salvation lies in a desperate quest that may take more from Aelin than she has to give, a quest that forces her to choose what-and who-she's willing to sacrifice for the sake of peace. Kingdoms collide in this fifth book in the #1 New York Times bestselling Throne of Glass series.

The Spectacle of the Scaffold St. Martin's Press

The Best Nonfiction Masterpiece of the 20th Century? "There are two lives, the natural and the spiritual, and we must lose the one before we can participate in the other." - William James, *The Varieties of Religious Experience: A Study in Human Nature* The

Varieties of Religious Experience: A Study in Human Nature is not a book about a specific religion. The author, psychologist William James does not try to convince the reader one religion is better than the other. He doesn't even make a case for atheism and the scientific approach. The book is in fact about human nature and how we experience religion at a psychological level. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

In Darkest England Anchor

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's *Book of the Damned* was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

Shoulder Season Modernista

Named a Best Book of Summer by Good Morning America • CNN • Parade • EW • Travel & Leisure • PopSugar • New York Post • BuzzFeed • Brit & Co • SheReads • Women.com A dazzling portrait of a young woman coming into her own, the youthful allure of sex, drugs, and rock and roll, and what we lose—and gain—when we leave home. **ONCE IN A LIFETIME, YOU CAN HAVE THE TIME OF YOUR LIFE** The small town of Lake Geneva, Wisconsin is an unlikely location for a Playboy Resort, and nineteen-year old Sherri Taylor is an unlikely bunny. Growing up in neighboring East Troy, Sherri plays the organ at the local church and has never felt comfortable in her own skin. But when her parents die in quick succession, she leaves the only home she's ever known for the chance to be part of a glamorous slice of history. In the winter of 1981, in a costume two sizes too small, her toes pinched by stilettos, Sherri joins the daughters of dairy

farmers and factory workers for the defining experience of her life. Living in the “bunny hutch”—Playboy’s version of a college dorm—Sherri gets her education in the joys of sisterhood, the thrill of financial independence, the magic of first love, and the heady effects of sex, drugs, and rock and roll. But as spring gives way to summer, Sherri finds herself caught in a romantic triangle—and the tragedy that ensues will haunt her for the next forty years. From the Midwestern prairie to the California desert, from Wisconsin lakes to the Pacific Ocean, this is a story of what happens when small town life is sprinkled with stardust, and what we lose—and gain—when we leave home. With a heroine to root for and a narrative to get lost in, Christina Clancy's *Shoulder Season* is a sexy, evocative tale, drenched in longing and desire, that captures a fleeting moment in American history with nostalgia and heart.
