This is an invaluable study guide for learning essential Japanese characters. The First 100 Japanese Kanji is intended for beginning students or experienced speakers who need to practice writing

Japanese characters. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise the written components of Japanese. This book presents the kanji characters that are most commonly used. They have been carefully selected for rapid and efficient learning. Each kanji's readings, meanings, and common compounds are presented, and romanized pronunciations for English speakers (romanji) are included as well. Stroke order guides are designed to teach students the standard sequence of strokes used to write each character. Three indexes at the back allow the characters to be looked up as with a dictionary or by their readings. This book includes: Step-by-step stroke order

diagrams for each character. Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.

vocabulary, grammar, sentence structure, and listening skills. This book presents 100 Japanese sentences with JLPT N5 level grammar and vocabulary. It breaks down all the vocabulary and then quizzes you with fill-in-the-blank and translation exercises. \* 100 N5 Level (Upper Beginner) Japanese Sentences \* Completely defined and broken down \* 100 Sound Files (Free download link found on the last page) \* Fill-in-the-Blank and Translation exercises to thoroughly practice the sentences \* Anki Flashcard Deck (Free download link found on the last page) HOW TO USE THIS BOOK We will tackle the 100 sentences in groups of 5 each. Going through a chapter (5 sentences) a day means you'll finish the book in 20 days—less than a month. Read each sentence, study the literal

and more natural English translation, and learn any unknown vocabulary. Listen to the sound files for these five sentences and practice shadowing (repeating or speaking with the speaker). If you find the sentences in this section too easy, start with the exercises in the next section and then come back to look up any unknown word. Next comes a fill in the blank exercise. Choose the most logical choice for the missing word in the sentence. The answers and explanation is found at the end of each chapter. Lastly, translate the sentences either in your head or on paper. The goal is not to sprint through all the sentences, but rather to digest each one slowly, gaining a deep understanding of the meaning, sentence structure, and vocabulary involved.
