The Catholic Children's Bible Strategic Reading Resource is a first of its kind, using forty powerful stories from Sacred Scripture to bridge the gap between teaching religion and reading. In this

resource, educators will find innovative, engaging, and proven classroom techniques that connect Featured Stories from The Catholic Children's Bible with essential reading strategies originally published in the International Reading Association's bestseller *Creating Strategic Readers*, by Valerie Ellery. In The Catholic Children's Bible Strategic Reading Resource, each Featured Story is supported by resource pages outlining three essential skills early readers must develop: Fluency, Vocabulary, and Comprehension. Within these resource pages are five instructional elements educators should consider when planning learning experiences: Research-proven reading strategies Engaging techniques for classroom application Clear and concise purpose for each technique Higher-order "Teacher Talk" to raise students' level of thinking Aligned Common Core State Standards (Anchor and Grade-Level Standards) The structure of the Featured Story resource pages enables you to adjust your instructional content based on the needs of your students. Each Fluency, Vocabulary, and Comprehension page offers you the ability to differentiate

between two levels of instruction. Each level of instruction provides the opportunity to integrate strong cross-curricular connections between religion and reading, as well as to implement techniques that dive deeper into the educational shifts required by the Common Core State Standards.

**NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the

beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
