MIDDLETON CROSS

The Myth of Sisyphus by Albert Camus Oxford University Press

"The myth of Sisyphus symbolizes the archetypal process of becoming without the consolation of absolute achievement. It is both a poignant reflection of the human condition and a prominent framing text for classical, medieval, and renaissance theories of human perfectibility. In this unique reading of the myth through classical philosophies, pagan and Christian religious doctrines, and medieval and renaissance literature, we see Sisyphus, "the most cunning of human beings," attempting to transcend his imperfections empowered by his imagination to renew his faith in the infinite potentialities of human excellence."--BOOK JACKET.

Birth and Death of Meaning Simon and Schuster

'So, Will, are you going to come with me and my team of merry performers to the sunny climes of Australia, where the crowds are already queuing and the streets are paved with gold?' In the second half of the 19th century, Melbourne is a veritable boom town, as hopefuls from every corner of the globe flock to the gold fields of Victoria. And where people crave gold, they also crave entertainment. Enter stage right- brothers Will and Max Worthing and their wives Mabel and Gertie. The family arrives from England in the 1880s with little else but the masterful talents that will see them rise from simple travelling performers to sophisticated entrepreneurs. Enter stage left- their rivals, Carlo and Rube. Childhood friends since meeting in

a London orphanage, the two men have literally fought their way to the top and are now producers of the bawdy but hugely popular 'Big Show Bonanza'. The fight for supremacy begins. Waiting in the wings- Comedy, tragedy, passion and betrayal; economic depression, the Black Death and the horrors of World War One...

Humanistic Existentialism University of Chicago Press

Edited and with an Introduction by Gordon Marino Basic Writings of Existentialism, unique to the Modern Library, presents the writings of key nineteenth- and twentieth-century thinkers broadly united by their belief that because life has no inherent meaning humans can discover, we must determine meaning for ourselves. This anthology brings together into one volume the most influential and commonly taught works of existentialism. Contributors include Simone de Beauvoir, Albert Camus, Fyodor Dostoevsky, Ralph Ellison, Martin Heidegger, Søren Kierkegaard, Friedrich Nietzsche, Jean-Paul Sartre, and Miguel de Unamuno y Jugo.

Finding Meaning in an Imperfect World Createspace Independent Publishing Platform

Poetry. Women's Studies. Art. Music. SISYPHUSINA is a cross-genre collection of prose, poetry, visual art, and improvisatory music, centered on female aging. Faced with linguistic and literary traditions that lack rich vocabularies to describe female aging, Shira Dentz uses the hybrid form as an attempt to suture new language that reflects internal and physical processes that constitute a shifting identity. By deviating from formal classical construction, and using the recurring image of a rose, SISYPHUSINA circles around conventions of beauty, questioning traditional aesthetic values of continuity, coherence, and symmetry. Some of the book's images are drawn from separate multimedia collaborations between the author and

composer Pauline Oliveros, artist Kathy High, and artist Kathline Carr. A musical composition improvised by Pauline Oliveros, based on one of her text scores, titled "Aging Music," is the book's coda, and readers can listen to it online by scanning a QR code inside the book. The interweaving of these collaborations with the author's voice and voices from other sources imbue this book with a porous texture, and reimagines the boundary of the book as a membrane.

The Myth of Sisyphus Vintage

Essays dealing with nihilism and the problem of suicide.

Oxford University Press

The Myth of Sisyphus is a 1942 philosophical essay by Albert Camus. The English translation by Justin O'Brien was first published in 1955. In the essay, Camus introduces his philosophy of the absurd: man's futile search for meaning, unity, and clarity in the face of an unintelligible world devoid of God and eternal truths or values. Does the realization of the absurd require suicide? Camus answers: "No. It requires revolt." He then outlines several approaches to the absurd life. The final chapter compares the absurdity of man's life with the situation of Sisyphus, a figure of Greek mythology who was condemned to repeat forever the same meaningless task of pushing a boulder up a mountain, only to see it roll down again. The essay concludes, "The struggle itself [...] is enough to fill a man's heart. One must imagine Sisyphus happy." The work can be seen in relation to other absurdist works by Camus: the novel *The Stranger* (1942), the plays *The Misunderstanding* (1942) and *Caligula* (1944), and especially the essay *The Rebel* (1951).

[Experience and Reflection in Camus and Sartre](#) Courier Corporation

National Bestseller "Beautifully written and delightfully strange...as earthy as it is sublime...in the truest sense, an eye-opener." --Daily News From Annie Dillard, the Pulitzer Prize-winning author of *Pilgrim at Tinker Creek* and one of the most compelling writers of our time, comes *For the Time Being*, her most profound narrative to date. With her keen eye, penchant for paradox, and yearning for truth, Dillard renews our ability to discover wonder in life's smallest--and often darkest--corners. Why do we exist? Where did we come from? How can one person matter? Dillard searches for answers in a powerful array of images: pictures of bird-headed dwarfs in the standard reference of human birth defects; ten thousand terra-cotta figures fashioned for a Chinese emperor in place of the human court that might have followed him into death; the paleontologist and theologian Teilhard de Chardin crossing the Gobi Desert; the dizzying variety of clouds. Vivid, eloquent, haunting, *For the Time Being* evokes no less than the terrifying grandeur of all that remains tantalizingly and troublingly beyond our understanding. "Stimulating, humbling, original--. [Dillard] illuminate[s] the human perspective of the world, past, present and future, and the individual's relatively inconsequential but ever so unique place in it."--Rocky Mountain News

The Myth of Sisyphus and the Stranger by Albert Camus Vintage

Uses the disciplines of psychology, anthropology, sociology and psychiatry to explain what makes people act the way they do.

A Psychoanalytic Study of Camus, The Stranger, and The Myth of Sisyphus Vintage

"Originally published in the United States by Alfred A. Knopf, a division of Penguin Random House LLC, in 1955"--Title page verso.

Discourse on Method and Meditations Vintage

'Dark Feelings, Grim Thoughts' talks about the early work of Camus and Sartre, including Camus' 'The Stranger', 'The Myth of Sisyphus', 'The Plague', and Sartre's 'Nausea', 'No Exit' and the concepts of 'Bad Faith' and 'Being-for-Others'.

Mythe de Sisyphe. English;The Myth of Sisyphus, and Other Essays Allen & Unwin

In the speech he gave upon accepting the Nobel Prize for Literature in 1957, Albert Camus said that a writer "cannot serve today those who make history; he must serve those who are subject to it." And in these twenty-three political essays, he demonstrates his commitment to history's victims, from the fallen maquis of the French Resistance to the casualties of the Cold War. Resistance, Rebellion and Death displays Camus' rigorous moral intelligence addressing issues that range from colonial warfare in Algeria to the social cancer of capital punishment. But this stirring book is above all a reflection on the problem of freedom, and, as such, belongs in the same tradition as the works that gave Camus his reputation as the conscience of our century: *The Stranger*, *The Rebel*, and *The Myth of Sisyphus*.

The Rebel CreateSpace

Few would question that Albert Camus (1913-1960), novelist, playwright, philosopher and journalist, is a major cultural icon. His widely quoted works have led to countless movie adaptations, graphic novels, pop songs, and even t-shirts. In this Very Short Introduction, Oliver Gloag chronicles the inspiring story of Camus' life. From a poor fatherless settler in French-Algeria to the winner of the Nobel Prize for Literature, Gloag offers a comprehensive view of Camus' major works and interventions, including his notion of the absurd and revolt, as well as his highly original concept of pure happiness through unity with nature called "bonheur". This original introduction also addresses debates on coloniality, which have arisen around Camus' work. Gloag presents Camus in all his complexity a staunch defender of many progressive causes, fiercely attached to his French-Algerian roots, a writer of enormous talent and social awareness plagued by self-doubt, and a crucially relevant author whose major works continue to significantly impact our views on contemporary issues and events. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Abstract at end: 6 leaves.

The Stranger Vintage

Edited by Philip Thody, translated by Ellen Conroy Kennedy. "Here now, for the first time in a complete English translation, we have Camus' three little volumes of essays, plus a selection of his critical comments on literature and his own place in it. As might be expected, the main interest of these

writings is that they illuminate new facets of his usual subject matter."--The New York Times Book Review "...a new single work for American readers that stands among the very finest."--The Nation

The Myth of Sisyphus And Other Essays Basic Books

One of the most influential works of this century, this is a crucial exposition of existentialist thought. Influenced by works such as *Don Juan* and the novels of Kafka, these essays begin with a meditation on suicide: the question of living or not living in an absurd universe devoid of order or meaning. With lyric eloquence, Camus posits a way out of despair, reaffirming the value of personal existence, and the possibility of life lived with dignity and authenticity

The Myth of Sisyphus and the Stranger by Albert Camus Oxford University Press

Unlock the more straightforward side of *The Myth of Sisyphus* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *The Myth of Sisyphus* by Albert Camus, a philosophical essay which focuses on the issue of suicide in an absurd world. Camus uses Greek mythology to highlight why life, in spite of its inherent pointlessness, is still worth living, coming to the conclusion that revolt is the only way to live in such an absurd world. First published in France in 1942, *The Myth of Sisyphus* is a part of Camus' cycle of the absurd and can be seen as a companion to *The Stranger*. Camus himself was born in French Algeria in 1913 and, despite often being likened to Sartre, never identified as an existentialist. He was highly regarded as a prominent absurdist philosopher, and in 1957 won the Nobel Prize in Literature. Find out everything you need to know about *The Myth of Sisyphus* in a fraction of the time! Need help understanding the writing of Albert Camus? Ray's Study Guides will meet your needs. This guide for students is aimed to support the study of the two texts, not to replace that study. *The Myth of Sisyphus* provides Camus' philosophical introduction to *The Stranger*. Introductions and commentaries keep readers on-track, but the questions are designed to get you thinking and talking and deepen your understanding.

The Myth of Sisyphus Random House Australia

Do you want to really understand this demanding text? *The Myth of Sisyphus* is essential reading for anyone who wants fully to understand Camus' classic novel *The Stranger*. In one of the most important and influential philosophical statements of the twentieth century, Camus explores the plight of man condemned to live in an apparently meaningless universe. This book provides: - a clear introduction to the intellectual background and themes of *The Myth of Sisyphus*; - a commentary on each section of the text followed by a series of questions designed to promote thought and discussion; - a critical analysis of the text; and - a detailed bibliography. This Study Guide is designed to lead the reader to a deeper understanding of a text that challenges all of us to define the nature of the values by which we live.

[Detailed Summary, Analysis and Reading Guide](#) Modern Library

Until now it has been impossible to read the full story of the relationship between Albert Camus and Jean-Paul Sartre. Their dramatic rupture at the height of the Cold War, like that conflict itself, demanded those caught in its wake to take sides rather than to appreciate its tragic complexity. Now, using newly available sources, Ronald Aronson offers the first book-length account of the twentieth century's most famous friendship and its end. Albert Camus and Jean-Paul Sartre first met in 1943, during the German occupation of France. The two became fast friends. Intellectual as well as political allies, they grew famous overnight after Paris was liberated. As playwrights, novelists, philosophers, journalists, and editors, the two seemed to be everywhere and in command of every medium in post-war France. East-West tensions would put a strain on their friendship, however, as they evolved in opposing directions and began to disagree over philosophy, the responsibilities of intellectuals, and what sorts of political changes were necessary or possible. As Camus, then Sartre adopted the mantle of public spokesperson for his side, a historic showdown seemed inevitable. Sartre embraced violence as a path to change and Camus sharply opposed it, leading to a bitter and very public falling out in 1952. They never spoke again, although they continued to disagree, in code, until Camus's death in 1960. In a remarkably nuanced and balanced account, Aronson chronicles this riveting story while demonstrating how Camus and Sartre developed first in connection with and then against each other, each keeping the other in his sights long after their break. Combining biography and intellectual history, philosophical and political passion, Camus and Sartre will fascinate anyone interested in these great writers or the world-historical issues that tore them apart.
