"Go and make disciples . . ." It's one of the most familiar phrases in the Bible, but one of the most puzzling and challenging to see fulfilled. How does one "make" a disciple? What's the cost? What's the reward? Why do so many Christians struggle with this Great Commission directive from the Lord? This book presents seven clear, biblical principles of ministry for serious Christians who want to have significant personal ministries. It gives

encouragement, motivation, and practical instruction for success in making disciples for Jesus Christ. These are principles such as "Be what you want others to be," "Give your life to people, not just your knowledge," and "Don't use people to build your ministry; use your ministry to build people." This book will deepen your appreciation for the power of lay ministry and help you be a disciple-maker for Christ, right where you are.

Fully Accomplish Your Ministry --2 Timothy 4:5 (Vol. 6) Crossway ECPA Christian Book Award Finalist Your Battle against Porn Isn't about Porn. It's about Hope. Pornography may seem inescapable, but God can free us from its destructive power. The gospel replaces the dehumanizing lies of pornography with this surprising truth: God created us as royalty. How then can we reclaim our God-given identity to take a stand against—and ultimately starve—the predatory porn industry? In *The Death of Porn*, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. Through Scripture and personal stories, Ortlund assures readers that God loves them the most tenderly in their moments of deepest shame. *The Death of Porn* inspires men to come together in new ways to fight the injustice of porn and build a world of nobility for every man and woman—for the sake of future generations.

This is a thorough, full-scale English commentary on the Greek text of 1 and 2 Timothy and Titus. While author George W. Knight gives careful attention to the comments of previous interpreters of the text, both ancient and modern, his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles. Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context, Knight's commentary includes an introduction that treats at length the question of authorship (he

argues for Pauline authorship and proposes, on the basis of stylistic features, that Luke might have been the amanuensis for the Pastoral Epistles), the historical background of these letters, and the personalities and circumstances of the recipients. Knight also provides two special excursuses: the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders; the other excursus examines the motivations for conduct in Titus 2:1-10 with a view to their applicability to present-day situations.
