I feel that I have been sleeping all my life and I have woken up and opened my eyes to the world. A beautiful world! But impossible to live in. These are the words of fifteen-year-old Hadiya, blogging from the city of Mosul, Iraq, to let the world know what life is really like as the military occupation of her country unfolds. In many ways, her life is familiar. She worries about exams and enjoys watching Friends during the rare hours that the electricity in her neighborhood is running. But the horrors of war surround her everywhere—weeklong curfews, relatives killed, and friends whose families are forced to flee their homes. With black humor and unflinching honesty, Hadiya shares the painful stories of lives changed forever. "Let's go back," she writes, "to my un-normal life." With her intimate reflections on family, friendship, and community, *IraqiGirl* also allows us to witness the determination of one girl not only to survive, but to create, amidst the devastation of war, a future worth living for. "Hadiya's authentically teenage voice, emotional struggles and concerns make her story all the more resonant." —Publishers Weekly "Despite all the news coverage about the war in Iraq, very little is reported about how it affects the daily lives of ordinary citizens. A highschooler in the city of Mosul fills in the gap with this compilation of her blog posts about living under U.S. occupation. She writes in English because she wants to reach Americans, and in stark specifics, she records the terrifying dangers of car bombs on her street and American warplanes overhead, as well as her everyday struggles to concentrate on homework when there is no water and electricity at home. Her tone is balanced: she does not hate Americans, and although she never supported

Saddam Hussein, she wonders why he was executed... Readers will appreciate the details about family, friends, school, and reading Harry Potter, as well as the ever-present big issues for which there are no simple answers." —Hazel Rochman, Booklist "IraqiGirl has poured reflections of her daily life into her blog, reaching all over the cyber-world from her home in northern Iraq. She writes about the universals of teen life—school, family, TV, food, Harry Potter—but always against the background of sudden explosions, outbursts of gunfire, carbombs, death.... [A]n important addition to multicultural literature." —Elsa Marston, author of *Santa Claus in Baghdad and Other Stories About Teens in the Arab World* "A book as relevant to adults as teenagers and children. Hadiya's clear, simple language conveys the feelings of a teenager, offering a glimpse into the daily life of a professional middle-class Iraqi family in an ancient-modern city subjected to a brutal occupation." —Haifa Zangana, author of *City of Widows: An Iraqi Woman's Account of War and Resistance*

The Diary of a Young Girl Crown

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and

talented young author. *Tales from the Secret Annex* is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. *Tales from the Secret Annex* is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

Hana's Suitcase Houghton Mifflin Harcourt

New edition with foreword by Nobel Peace Prize winner Desmond Tutu: "How extraordinary that this humble suitcase has enabled children all over the world to learn through Hana's story the terrible history of what happened and that it continues to urge them to heed the warnings of history." In the spring of 2000, Fumiko Ishioka, the curator of a small Holocaust education centre for children in Tokyo, received a very special shipment for an exhibit she was planning. She had asked the curators at the Auschwitz museum if she could borrow some artifacts connected to the experience of children at the camp. Among the items she received was an empty suitcase. From the moment she saw it, Fumiko was captivated by the writing on the outside that identified its owner - Hana Brady, May 16, 1931, Waisenkind (the German word for orphan). Children visiting the centre were full of questions. Who was Hana Brady? Where did she come from? What was she like? How did Hana become an orphan? What happened to her? Fueled by the children's curiosity and her own need to know, Fumiko began a year of detective work, scouring the world for clues to the story of Hana Brady. Writer Karen Levine follows Fumiko in her search through history, from present-day Japan, Europe and North America back to 1938 Czechoslovakia and the young Hana Brady, a fun-loving child with a passion for ice skating. Together with Fumiko, we learn of Hana's loving parents and older brother, George, and discover how the family's happy life in a small town was turned upside down by the invasion of the Nazis. Based on an award-winning CBC documentary, *Hana's Suitcase* takes the reader on an incredible journey full of mystery and memories, which come to life through the perspectives of Fumiko, Hana and later Hana's brother, who now lives in Canada. Photographs and original wartime documents enhance this extraordinary story that bridges cultures, generations and time. Ideal for young readers aged 9 and up. *Hana's Suitcase* is part of the award-winning Holocaust Remembrance Series for Young Readers.

The accolades speak for themselves: "Fritz draws the readers into scenes from her youth in the turbulent China of the mid-twenties. One comes to appreciate the generous affection of her nurse/companion Lin Nai-Nai, the isolating distance in her mother's grief over losing a second child, the dynamics of a suffering population venting its hostility on foreigners, and most of all, the loneliness of a child's exile from a homeland she has imagined constantly but never seen....A remarkable blend of truth and storytelling." --Booklist, starred review "An insightful memory's-eye-view of her childhood...Young Jean is a strong character, and many of her reactions to people and events are timeless and universal." --School Library Journal, starred review "Told with an abundance of humor--sometimes wry, sometimes mischievous and irreverent--the story is vibrant with atmosphere, personalities, and a palpable sense of place." --The Horn Book "Every now and then a

book comes along that makes me want to send a valentine to its author. Homesick is such a book....Pungent and delicious." --Katherine Paterson, *The Washington Post*

"Prose's book is a stunning achievement. . . . Now Anne Frank stands before us. . . a figure who will live not only in history but also in the literature she aspired to create." — *Minneapolis Star Tribune* In June, 1942, Anne Frank received a diary for her thirteenth birthday, just weeks before she and her family went into hiding from the Nazis in an Amsterdam attic. For two years, she described life in hiding in vivid, unforgettable detail and grappled with the unfolding events of World War II. Before the attic was raided in August, 1944, Anne Frank furiously revised and edited her work, crafting a piece of literature that she hoped would be read by the public after the war. And read it has been. In *Anne Frank*, bestselling author Francine Prose deftly parses the artistry, ambition, and enduring influence of Anne Frank's beloved classic, *The Diary of a Young Girl*. She investigates the diary's unique afterlife: the obstacles and criticism Otto Frank faced in publishing his daughter's words; the controversy surrounding the diary's Broadway and film adaptations, and the social mores of the 1950s that reduced it to a tale of adolescent angst and love; the conspiracy theories that have cried fraud, and the scientific analysis that proved them wrong. Finally, having assigned the book to her own students, Prose considers the rewards and challenges of teaching one of the world's most read, and banned, books. How has the life and death of one girl become emblematic of the lives and deaths of so many, and why do her words continue to inspire? Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, *Anne Frank* unravels the fascinating story of a memoir that has become one of the most compelling, intimate, and important documents of modern history.

The twentieth-anniversary edition of Marion Blumenthal Lazan's acclaimed Holocaust memoir features new material by the author, a reading group guide, a map, and additional photographs.

"The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what's said and in what is left out."—ALA Booklist (starred review) Marion Blumenthal Lazan's unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler's rise to power, the Blumenthal family—father, mother, Marion, and her brother, Albert—were trapped in Nazi Germany. They managed eventually to get to Holland, but soon thereafter it was occupied by the Nazis. For the next six and a half years the Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Their story is one of horror and hardship, but it is also a story of courage, hope, and the will to survive. Four Perfect Pebbles features forty archival photographs, including several new to this edition, an epilogue, a bibliography, a map, a reading group guide, an index, and a new afterword by the author. First published in 1996, the book was an ALA Notable Book, an ALA Quick Pick for Reluctant Readers, and IRA Young Adults' Choice, and a Notable Trade Book in the Field of Social Studies, and the recipient of many other honors. "A harrowing and often moving account."—School Library Journal

The Freedom Writers Diary (20th Anniversary Edition) Laurel Leaf

These eight new stories from the celebrated novelist and short-story writer Nathan Englander display a gifted young author grappling with the great questions of modern life, with a command of language and the imagination that place Englander at the very forefront of contemporary American

fiction. The title story, inspired by Raymond Carver's masterpiece, is a provocative portrait of two marriages in which the Holocaust is played out as a devastating parlor game. In the outlandishly dark "Camp Sundown" vigilante justice is undertaken by a group of geriatric campers in a bucolic summer enclave. "Free Fruit for Young Widows" is a small, sharp study in evil, lovingly told by a father to a son. "Sister Hills" chronicles the history of Israel's settlements from the eve of the Yom Kippur War through the present, a political fable constructed around the tale of two mothers who strike a terrible bargain to save a child. Marking a return to two of Englander's classic themes, "Peep Show" and "How We Avenged the Blums" wrestle with sexual longing and ingenuity in the face of adversity and peril. And "Everything I Know About My Family on My Mother's Side" is suffused with an intimacy and tenderness that break new ground for a writer who seems constantly to be expanding the parameters of what he can achieve in the short form. Beautiful and courageous, funny and achingly sad, Englander's work is a revelation.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
