The Saintly Scoundrel

Back Bay
Books

Tracing her moral struggles to the day she accidentally took a sip of water before her Communion—a mortal sin—Mary McCarthy gives us eight funny and heartrending essays about the illusive and redemptive nature of memory “During the course of writing this, I’ve often wished that I were writing fiction.” Originally published in large part as standalone essays in the *New Yorker* and *Harper’s Bazaar*, Mary McCarthy’s acclaimed

memoir begins with her recollections of a happy childhood cut tragically short by the death of her parents during the influenza epidemic of 1918. Tempering memory with invention, McCarthy describes how, orphaned at six, she spent much of her childhood shuttled between two sets of grandparents and three religions—Catholic, Protestant, and Jewish. One of four children, she suffered abuse at the hands of her great-aunt and uncle until she moved to Seattle to be raised by her maternal grandparents. Early on, McCarthy lets the reader in on her secret: The chapter you just read may not be wholly reliable—facts have been distilled through

the hazy lens of time and distance. In *Memories of a Catholic Girlhood*, McCarthy pays homage to the past and creates hope for the future.

Reminiscent of Nabokov's *Invitation of a Memory*, this is a funny, honest, and unsparring account blessed with the holy sacraments of forgiveness, love, and redemption. This ebook features an illustrated biography of Mary McCarthy including rare images from the author's estate.

City of Scoundrels

HarperCollins

In 1952, Hellman joined the ranks of intellectuals and artists called before Congress to testify about political subversion. Terrified yet defiant, Hellman refused to incriminate herself or

others, and managed to avoid trial.

Nonetheless the experience brought devastating controversy and loss. First published in 1972, her retelling of the time features a remarkable cast of characters, including her lover, novelist Dashiell Hammett, a slew of famous friends and colleagues, and a pack of "scoundrels" -- ruthless, ambitious politicians and the people who complied with their demands.

The third book in Sarah
MacLean's witty and
romantic Scandal &
Scoundrel series
featuring a ravishing
heroine and the man,
desperately in love,
who now has to make
amends. The one
woman he will never
forget... Malcolm
Bevingstoke, Duke of
Haven, has lived the
last three years in self-
imposed solitude,
paying the price for a
mistake he can never
reverse and a love he
lost forever. The
dukedom does not
wait, however, and
Haven requires an heir,
which means he must

find himself a wife by summer's end. There is only one problem—he already has one. The one man she will never forgive... After years in exile, Seraphina, Duchess of Haven, returns to London with a single goal—to reclaim the life she left and find happiness, unencumbered by the man who broke her heart. Haven offers her a deal; Sera can have her freedom, just as soon as she finds her replacement...which requires her to spend the summer in close quarters with the husband she does not want, but somehow cannot resist. A love that neither can deny... The duke has a single summer to woo his wife and convince her that, despite their broken past, he can give her forever,

making every day the Day of the Duchess. *And the Triumph of the Irish in the English-Speaking World* Entangled: Amara The ideal concise biography of an American icon- now available in paperback for the bicentennial of his birth The self-made man from a log cabin, the great orator, the Emancipator, the Savior of the Union, the martyr-Lincoln's story is at the very heart of American history. But who was he, really? In this outstanding biography, award-winning author Thomas Keneally follows Lincoln from his impoverished birth through his education and presidency. From the development of his political philosophy to his troubled family life and his actions during

the Civil War, Abraham Lincoln is an incisive study of a turning point in our history and a revealing portrait of a pivotal figure.

The Scoundrel and the Debutante

HarperCollins
Historian Michael Martinez surveys political sex scandals in American history, from the earliest years of the Republic to today, to explore how these events impacted the politics of the day and the legacy they left for future generations of American leaders.

The Great Shame

Anchor
Lady Ophelia Darby exists in two worlds. In one, she is the impudent, willful daughter of a powerful marquess and darling of the ton. In the other, she moves through the underworld's shadows

as songstress Lady Starlight, protected only by the notoriously wealthy scoundrel Devlin Byrne. But when she stumbles upon her beloved father's darkest secrets, the line between her two worlds quickly blurs. Now she needs the help of the one man a lady should never trust. Devlin Byrne stands on the edge of London society, knowing he will never be accepted. No one else knows that his obscene wealth and ruthlessness aren't without purpose. Or that his purpose has golden-brown eyes that shimmer with mischief, the palest of skin, and a lush mouth that beckons to be kissed, and deeply. But having Ophelia is only the beginning of Devlin's plans. It's

undeniable that Devlin Byrne is a dangerous temptation—but just as Ophelia begins to trust him, maybe even fall for him, she discovers she’s not the only one with secrets. And his would lead her down more than just the path of scandal... Each book in the Sinful Wallflowers series is

A Confederate general who ranks with Lee, Jeb Stuart, and Stonewall Jackson but whose achievements have been unfairly neglected until now, finally receives his due in this invaluable biography by a noted historian of the Civil War. Drawing extensively on newly

unearthed documents, this work provides a gripping battle-by-battle assessment of Hill's role in Antietam, Fredericksburg, Gettysburg, and other battles. 8 pages of photographs.

A Life HarperCollins

Historian and novelist Thompson mixes fact and fiction with intense characterization and a riveting story. Readers will never view the American Revolution or the Founding Fathers the same way again.

Scoundrel in the Thick University of Illinois Press

Sparks fly in this irresistible final installment of the fan-favorite Cabot Sisters trilogy in New York Times bestselling author Julia London’s classic, *The Scoundrel and the Debutante*. The dust of the Cabot

sisters' shocking plans to rescue their family from certain ruin may have settled, but Prudence Cabot is left standing in the rubble of scandal. Now regarded as an unsuitable bride, she's tainted among the ton. Yet this unwilling wallflower is ripe for her own adventure. And when an irresistibly sexy American stranger on a desperate mission enlists her help, she simply can't deny the temptation. The fate of Roan Matheson's family depends on how quickly he can find his runaway sister and persuade her to return to her betrothed. Scouring the rustic English countryside with the sensually wicked Prudence at his side—and in his bed—he's out of his

element. But once Roan has a taste of the sizzling passion that can lead to forever, he must choose between his heart's obligations and its forbidden desires. Originally published in 2015 *The Life and Times of Dr. John Cook Bennett* Regnery History Explores the life of the scientist, religious leader, and talented flimflam man who, in addition to selling medical degrees, advanced his cause by befriending the founder of Mormon church, Joseph Smith **The Life and Death of a Scoundrel : the Biography of Jefferson Randolph Smith II** Pelican Publishing Winner of the National Book Critics Circle Award in Biography In this critically acclaimed

true crime tale of "welfare queen" Linda Taylor, a Slate editor reveals a "wild, only-in-America story" of political manipulation and murder (Attica Locke, Edgar Award-winning author). On the South Side of Chicago in 1974, Linda Taylor reported a phony burglary, concocting a lie about stolen furs and jewelry. The detective who checked it out soon discovered she was a welfare cheat who drove a Cadillac to collect ill-gotten government checks. And that was just the beginning: Taylor, it turned out, was also a kidnapper, and possibly a murderer. A desperately ill teacher, a combat-traumatized Marine, an elderly woman hungry for companionship -- after

Taylor came into their lives, all three ended up dead under suspicious circumstances. But nobody -- not the journalists who touted her story, not the police, and not presidential candidate Ronald Reagan -- seemed to care about anything but her welfare thievery. Growing up in the Jim Crow South, Taylor was made an outcast because of the color of her skin. As she rose to infamy, the press and politicians manipulated her image to demonize poor black women. Part social history, part true-crime investigation, Josh Levin's mesmerizing book, the product of six years of reporting and research, is a fascinating account of American racism, and

an exposé of the "welfare queen" myth, one that fueled political debates that reverberate to this day. The Queen tells, for the first time, the fascinating story of what was done to Linda Taylor, what she did to others, and what was done in her name. "In the finest tradition of investigative reporting, Josh Levin exposes how a story that once shaped the nation's conscience was clouded by racism and lies. As he stunningly reveals in this "invaluable work of nonfiction," the deeper truth, the messy truth, tells us something much larger about who we are (David Grann, #1 New York Times bestselling author of Killers of the Flower Moon).
The Soldier's Scoundrel

Rowman & Littlefield Examines the life of nineteenth-century politician and military leader Dan Sickles, a notorious womanizer and scoundrel who killed his wife's lover and, thanks to the influence of political friends, got away with murder.
Portraits of American Scoundrels in Verse
Open Road + Grove/Atlantic
From abject poverty to undisputed political boss of Pennsylvania, Lincoln's secretary of war, senator, chair of the Senate Foreign Relations Committee, and a founder of the Republican Party, Simon Cameron (1799-1889) was one of the nineteenth century's most prominent political figures. In his wake, however, he left a

series of questionable political and business dealings and, at the age of eighty, even a sex scandal. Far more than a biography of Cameron, *Amiable Scoundrel* is also a portrait of an era that allowed—indeed, encouraged—a man such as Cameron to seize political control. The political changes of the early nineteenth century enabled him not only to improve his status but also to exert real political authority. The changes caused by the Civil War, in turn, allowed Cameron to consolidate his political authority into a successful, well-oiled political machine. A key figure in designing and implementing the Union’s military strategy during the Civil War’s crucial first year, Cameron played

an essential role in pushing Abraham Lincoln to permit the enlistment of African Americans into the U.S. Army, a stance that eventually led to his forced resignation. Yet his legacy has languished, nearly forgotten save for the fact that his name has become shorthand for corruption, even though no evidence has ever been presented to prove that Cameron was corrupt. *Amiable Scoundrel* puts Cameron’s actions into a larger historical context by demonstrating that many politicians of the time, including Abraham Lincoln, used similar tactics to win elections and advance their careers. This study is the fascinating story of Cameron’s life

and an illuminating
portrait of his times.

Scoundrel! Savas
Beatie

A scoundrel who lives
in the shadows Jack
Turner grew up in the
darkness of London's
slums, born into a life
of crime and willing to
do anything to keep his
belly full and his
siblings safe. Now he
uses the tricks and
schemes of the
underworld to help
those who need the
kind of assistance only
a scoundrel can
provide. His distrust of
the nobility runs deep
and his services do not
extend to the gorgeous
high-born soldier who
personifies everything
Jack will never be. A
soldier untarnished by
vice After the chaos of
war, Oliver Rivington
craves the safe
predictability of a
gentleman's life-one

that doesn't include
sparring with a ne'er-
do-well who flouts the
law at every turn. But
Jack tempts Oliver like
no other man has
before. Soon his
yearning for the
unapologetic criminal
is only matched by
Jack's pleasure in
watching his genteel
polish crumble every
time they're together.
Two men only meant
for each other

Yet his legacy has languished, nearly forgotten save for the fact that his name has become shorthand for corruption, even though no evidence has ever been presented to prove that Cameron was corrupt. *Amiable Scoundrel* puts Cameron’s actions into a larger historical context by demonstrating that many politicians of the time, including Abraham Lincoln, used similar tactics to win elections and advance

their careers. This study is the fascinating story of Cameron's life and an illuminating portrait of his times. *Moments in History II* Vintage
Murder, Love and politics in Civil War America. On the last, cold Sunday of February 1859, Daniel Sickles shot his wife's lover in Washington's Lafayette Square, just across from the White House ... this is the story of that killing and its repercussions. Charming and ambitious, Dan Sickles literally got away with murder. His protector was none other than the President himself, the ageing James Buchanan; his political friends quickly gathered round; and Sickles was acquitted. His trial is described with all Thomas

Keneally's powers of dash and drama, against a backdrop of double-dealing, intrigue and 'the slavery question'. Enslaved, in her turn, by the hypocrisy of nineteenth-century society, his wife was shunned and thereafter banned from public life. Sickles, meanwhile, was free to accept favours and patronage. He raised a regiment for the Union, and went on to become a general in the army, rising to the rank of brigadier-general and commanding a flank at the Battle of Gettysburg - at which he lost a leg, which he put into the military museum in Washington where he would take friends to visit it. Thomas Keneally brilliantly recreates an extraordinary period,

when women were punished for violating codes of society that did not bind men. And the caddish, good-looking Dan Sickles personifies the extremes of the era: as a womaniser, he introduced his favourite madam to Queen Victoria while his wife stayed at home; as minister to Spain, he began an affair with the queen while courting one of her ladies in waiting; and in his later years, he installed his housekeeper as his mistress while his second wife took up residence nearby. The brio with which Thomas Keneally tells the tale is equal to the pace and bravado of Sickles's life. But, more than this, *American Scoundrel* is the lens through which the

reader can view history at a time when America was being torn apart. This book resonates with uncomfortable truths, as relevant now as they were then.

Amiable Scoundrel

American Scoundrel: The Life of the Notorious Civil War General Dan Stickles
In *The Comedians*, comedy historian Kliph Nesteroff brings to life a century of American comedy with real-life characters, forgotten stars, mainstream heroes and counterculture iconoclasts. Based on over two hundred original interviews and extensive archival research, Nesteroff's groundbreaking work is a narrative exploration of the way comedians have reflected, shaped, and changed American

culture over the past one hundred years. Starting with the vaudeville circuit at the turn of the last century, Nesteroff introduces the first stand-up comedian—an emcee who abandoned physical shtick for straight jokes. After the repeal of Prohibition, Mafia-run supper clubs replaced speakeasies, and mobsters replaced vaudeville impresarios as the comedian's primary employer. In the 1950s, the late-night talk show

brought stand-up to a wide public, while Lenny Bruce, Mort Sahl, and Jonathan Winters attacked conformity and staged a comedy rebellion in coffeehouses. From comedy's part in the Civil Rights movement and the social upheaval of the late 1960s, to the first comedy clubs of the 1970s and the cocaine-fueled comedy boom of the 1980s, *The Comedians* culminates with a new era of media-driven celebrity in the twenty-first century.
