Det är väldigt enkelt. Jag behövde pengar. Mycket pengar. En miljon dollar för att vara exakt. Tidsfristen var ett år. Jag hade tolv månader på mig att betala, annars skulle min pappa bli dödad. När man ställs inför ett ultimatum som det här, gör man vad man måste göra. Och det är precis vad jag gjorde. Mia Saunders har knappt hunnit flytta till Los Angeles innan hon får beskedet att hennes pappa har blivit grovt misshandlad för att han inte betalat en enorm spelskuld. Och inte nog med det, det är hennes ex-pojkvän Blaine som står bakom misshandeln och utpressningen. Mia ser en enda lösning, och det är att börja jobba på hennes mosters företag Exquisite Escorts. Uppdraget: att tillbringa en månad åt gången tillsammans med rik man och vara hans dejt i alla sorters sammanhang. En rik man som hon dessutom inte behöver ligga med om hon inte själv skulle vilja. Det skadar förstås inte att den första killen är en het Hollywood-regissör. Del 12 - December.

While the world is ravaged by a global pandemic, hotshot NFL running back Evan Sparks is locked in his own personal hell. sky. Romance writer Sadie Walsh is having the worst case of writer's block ever...until the incredible, muscular stranger staying next door gets her muse going strong. The pair of loners, never expecting to find a friend in all the madness, meet each day out on their balconies like a modern-day Romeo and Juliet. Each new day brings unique challenges for the pair as they navigate the unknown and find solace together. They quickly figure out that as long as they have one another, they can handle anything. Even falling in love under quarantine. \*\*\* Writing together for the first time, New York Times bestselling authors Kylie Scott and Audrey Carlan team up to tell a story that not only is a beautiful escape during a trying time, but a true lesson on the power of humanity's ability to survive. "Kylie Scott and Audrey Carlan weave a charming and witty romance into a confusing and stressful real-life scenario and the result is magic. I am in love with these books. -Hooks & Books Blog "This story was exciting, quick; but well paced and full of loveable characters. I haven't met a character in this series that I haven't liked yet!" -Nice and Nau Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go.

 "Damn, Audrey did it again! Made me

smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Mountains, miracles, and marriage. I had no idea what to expect when the producers of Dr. Hoffman sent me to the pristine white mountains of Aspen, Colorado. As the town of Aspen is known for being a winter haven for uber-rich Americans, I knew this desert cactus was going to be way out of her element. The ace up my sleeve however, was a high-class movie-making surfer whose family owned a cabin in those snowy hills. With him by my side, I'd make the most out of the experience. The job was assigned under unusual circumstances. An anonymous mountain man paid a hefty fee to persuade the producers of my show to send me out for a segment on local artisans. Suited up in my parka and Ugg boots, I put the warmth of the California sun in the rearview mirror and headed to a winter wonderland. With my newfound family in tow, I was prepared to celebrate the best month the year had to offer...until the one woman who drastically changed my life all those years ago appeared like a shadow out of pure frosted air, shattering my soul all over again. \*\*\* In the twelfth and final book in the Calendar Girl serial, Mia is off to Aspen, Colorado to film a segment on local artists. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. Twice my life changed in a single day. The first was when I lost my parents. Hand in hand I walked with my

big sister up the steps of Kerrighan House, a foster home for girls. We were lucky to be met with open arms and a house filled with children just like us. Children who'd lost everything. From that day forward, we were raised as one big family. Our bonds of sisterhood were strengthened through shared experience, pain, sacrifice, and love. Sisters not by blood, but by choice. Soul sisters. The second day my life changed was on the worst day of my adult life. My boyfriend broke up with me via text. My sleazy boss hit on me, forcing me to quit a job I desperately needed. And the cherry on top, was getting pulled over by an FBI Agent. Little did I know, he'd also save my life that night. From the moment we met, Agent Fontaine wouldn't dare let me out of his sight. And between his alpha ways, kind brown eyes, and heroism, I was lost to the man who hid behind his job. But this agent had a rule: never fall for a woman you've saved. Yet I wasn't just any woman. I was known among my sisters for taking risks and dreaming big. I was the wild child of the group. We were raised to appreciate every day as the gift it was, and not let anything stand in our way. The more I got to know the brooding, serious FBI man, the more I realized maybe it was my duty to save him.

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!"  
 -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his

escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

"Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California, Aaron Shipley. Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. Me, I'd always thought

politics were boring...boy was I wrong. Democracy had never been more exciting. \*\*\* In the sixth book of the Calendar Girl serial, Mia is sent to our nation's capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. I'm a magnet for evil and controlling men. Chase, my big business tycoon and love of my life, thinks he can protect me...he can't. No one can. It became clear far too late how serious my stalker was, that his threats weren't idle. He proved more than once that he would do what it takes, that there were no stakes too high to his sick and twisted games and delusions of worship. We should have been better prepared. The roses, images, lingerie soaked in his seed, even his calling card written in blood didn't penetrate. I had faith that my love could make it go away, that eventually he'd be caught. I was wrong. \*\*\* In the second highly anticipated erotic suspense novel in the Trinity Trilogy, MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs. While Chase and Gillian plan their wedding, follow them and the entire gang as the stalker acts out his revenge and plots his attack on Gillian, Chase, and their friends. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the story line, and Gillian experiences many

disturbing flashbacks of the past, alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. MIND is book 2 of a three-part trilogy. Body (Trinity Trilogy - Book 1) must be read prior to reading MIND.

I was a dead woman. I'd finally had a glimpse of true love, admiration, and the kind of devotion only your soulmate, your other half, could provide...until it was physically ripped away. Taken. My stalker had me, and there was little hope I'd be found. I knew Chase would use all his money and resources to search the ends of the Earth for me, but I knew the monster I was dealing with. Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire. If Chase didn't find me soon, I'd be gone forever. \*\*\* In the third and final novel in the erotic suspense, Trinity Trilogy, SOUL connects with the reader by providing the story through the eyes of Gillian, Chase, and the man that wants to own her soul but can't for she's already given it to another. Everyone is on the hunt to save Gillian from the arms of a killer. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the storyline, and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. As with all my books, the characters will ultimately have their happily ever after. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some

may find disturbing. SOUL is book 3 of a three-part trilogy. Body (Trinity Trilogy - Book 1) and Mind (Trinity Trilogy - Book 2) must be read prior to reading SOUL.

**Hit the Spot** International Guy Volume  
The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. When I was born, I was beloved by my parents. I felt their warmth from the tips of my toes to the untamable curls in my hair—until tragedy hit and I lost them both. With no extended family, I ended up in Kerrighan House, a home for girls just like me—girls who'd lost everything. Mama Kerri took me in and treated me with nothing but love, as did the rest of my sisters of the soul. In that house, we formed a bond that could never be broken. Now danger seems to follow all of us. But what danger could come to me: a petite, high-school Spanish teacher who'd never hurt a fly? The only one on my tail is Omar Alvarado, the bodyguard hired to protect me from the danger lurking around my sisters. The more I shun his advances though, the harder he tries to earn my favor. Omar seems to like my brand of sass and doesn't hide the fact he wants me for his own. I'm determined to not get caught up in his beautiful smile, the sexy suggestions he whispers in my ear, or that incredible body that would make any woman swoon with desire. Even with the tension rising between us, all seemed to be kept in check—until I found myself in the middle of a high stakes bank robbery. And the only one who could save me, was the one man I tried so desperately to push away.

Author of the Hacker Series Synopsis Vegas, Viscous Exes, and Ventilators. My life felt like a fast ride on a too short highway. Coming home should be roses and rainbows, but nothing that comes out of the desert blooms free. I was most certainly not free. I'd missed my payment to Blaine, owed the last client a hundred grand I didn't have, and my father was on his deathbed. To make matters worse, Wes was missing in action. As in, no one had seen or heard from him in three weeks. Devastation didn't begin to explain where my mental state was at. Like anything life had thrown my way, I pulled on my big girl panties, not the sexy lacy ones I enjoyed teasing my guy with, but the kind that said, "This ass means business." I had no choice but to make the decision I made. My ex, the man that ruined the concept of love for me, put my father in the hospital, was about to get everything he ever wanted...at least that's what I led him to believe. \*\*\* In the ninth book of the Calendar Girl serial, Mia rushes back home to Las Vegas, Nevada. Things have taken a turn for her father, putting her into debt up to her eyeballs. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.
