Understanding business systems Irwin Professional Publishing
 This tenth edition of Understanding Business Law includes a substantial rewriting of the Chapters on Consumer Protection (Chapters 10 and 11) and Agency (Chapter 15) and of the treatment of vicarious liability in Chapter 24 -- although all of the other Chapters have also been updated and revised in varying degrees to reflect changes in the law over the last three years. Those changes have occurred as the result of both new statutes and amendments to existing statutes and new court decisions in all federal, state and territory courts on previously untested

or, at least, unsettled points of law. The changes also cover matters such as the introduction of new or revised voluntary Industry Codes of Practice. Features Substantially reviewed and updated to consider recent legislation and case law as well as current thinking in relation to changes to the: * Australian Consumer Law; * Fair Work Act 2009 (Cth); * Corporations Act to cover matters as diverse as the introduction of director identification numbers, other measures to counter illegal phoenixing, electronic meetings, communication of documents and signing procedures and a new small business restructuring process; * establishment of the Federal Circuit and Family Court of Australia by the Federal Circuit and Family Court of Australia Act 2021 (Cth); * commencement of the Modern Slavery Act 2018 (Cth); *

amendments to the Insurance Contracts Act 1984 (Cth); Bankruptcy Act 1966 (Cth); Designs Act 2003 (Cth) in 2021 to replace the 'informed user' test with a 'familiar person' test and in 2022 to provide for a grace period before registration similar to that already existing in the Patents Act; Patents Act 1990 (Cth) in 2022 to abolish the registration of new innovation patents and, as a consequence, to phase out all existing innovation patents by 26 August 2029. Related Titles * Harris & Peters, Company Law: Theories, Principles and Applications, 3rd ed * Fitzpatrick, Symes, Parker & Veljanovski, Business and Corporations Law, 5th ed * Fisher, Taylor & Hunter, Commercial and Personal Property Law, 2nd ed

You asked for it – you got it! Based on the market leading gold standard product, Nickels, *Understanding Business 12e*, *Understanding Business: The Core 2e* provides a fully revised product with fewer chapters. Reviewers asked for fewer chapters and to include a chapter on using technology, particularly social media. *Understanding Business: The Core 2e* is now 16 chapters. Here's how we did it:

- Chapter 1, Taking Risks and Making Profits within the Dynamic Business Environment, and Chapter 2, Understanding Economics, were condensed and combined to create Chapter 1, Exploring the Business Environment and Economics. The coverage of current trends was deleted since it is covered in other chapters.
- Chapter 11, Human Resource Management: Finding and Keeping the Best Employees, and Chapter 12, Dealing with Employee-Management Issues, were condensed and combined to create Chapter 10, Human Resource Management: Finding and Keeping the Best Employees.
- Chapter 16, Financial Management, was combined with Chapter 17, Using Securities Markets for Financing and Investing Opportunities, to create Chapter 15, Financial Management. This revised chapter retains the material about selling stocks and bonds to raise capital. The content about investing in stocks and bonds was moved to Bonus Chapter C Managing Personal Finances and Investing.
- Bonus Chapter B, Using Technology to Manage Business, was expanded and promoted to the main text as Chapter 13, Using Technology to Manage Information.
- Bonus Chapter C, Managing Personal Finance and Investing, was expanded to include a condensed version of the content regarding investing in stocks and bonds that was moved from the former Securities Markets chapter.
