SONICflex™ quick 2008 / L - KaVo Dental

Kavo Sonicflex Quick 2008 L The KaVo SONICflex™ quick 2008 L is the most powerful air scaler of its class. The handpiece with a wide range of uses. It supports your efforts with adjustable performance levels, for every indication – strong and precise. The wide range of options offered will soon make it one of your most-used instruments. SONICflex™

quick 2008 L Powerful Air Scaler | KaVo Dental Your KaVo SONICflex comes with an especially robust and easy to grip Plasmatec coating. This metal ceramic surface allows you to safely and securely position your KaVo SONICflex in your hand. Your fingers are more relaxed during treatment, and the grip is pleasantly warm. The Plasmatec surface is provided with the KaVo hygienic seal. SONICflex™ quick 2008 / L Air scaler KaVo SONICflex - The ... With the KaVo straight and contra-angle dental handpieces, you have the

daily working of your practice well under control. High-quality manufacture ensures a very long life, top material quality for ideal cleaning and sterilization possibilities (fully sterilizable at 135°C in an autoclave or washable in a thermal disinfectant). SONICflex quick 2008 / 2008 L | KaVo Resources | KaVo KAVO SONICFLEX QUICK 2008 L. Categories: HAND PIECES | KAVO HAND PIECES. Handpiece for gentle prophylactic treatment. • Comprehensive spectrum of clinical indications due

to the wide range of tips available. • Gentle oscillations, particularly suitable for pain-sensitive patients, helps preserve tooth tissue. • Low noise and wide elliptical strokes, minimise the development of heat. KAVO SONICFLEX QUICK 2008 L - Dental Equipment UK The KaVo SONICflex 2008 L/LS is the most powerful air scaler of its class. The handpiece with a wide range of uses. It supports your efforts with adjustable performance levels, for every indication – strong and precise. The wide range of options offered will soon make it one of your most-used instruments. Choose the right tip for your needs from the wide range of options.
