Geert Hofstede, author of
the classic Culture's
Consequences, brings
together 17 articles and
case studies in this book.
The work is grouped
around three main
themes: the impact of
jobs on people; power and

control in organizations;
and studies in training
settings. Throughout,
there is a concern with
exploring and uncovering
hidden organizational
realities, whilst moving
across the boundaries of
psychology, sociology and
anthropology.

Winner of the 2021 Kate

O'Brien Award • Winner of
the 2021 Dalkey
Emerging Writer Award
Sinéad Hynes is a tough,
driven, funny young
property developer with a
terrifying secret. No-one
knows it: not her fellow
patients in a failing
hospital, and certainly not
her family. She has
confided only in Google
and a shiny magpie. But
she can't go on like this,
tirelessly trying to outstrip

her past and in mortal fear of her future. Across the ward, Margaret Rose is running her chaotic family from her rose-gold Nokia. In the neighbouring bed, Jane, rarely but piercingly lucid, is searching for a decent bra and for someone to listen. And Sinéad needs them both. *As You Were* is about intimate histories, institutional failures, the kindness of strangers, and the darkly present past of modern Ireland; about women's stories and women's struggles; about seizing the moment to be

free. Wildly funny, desperately tragic, inventive and irrepressible, *As You Were* introduces a brilliant voice in Irish fiction with a book that is absolutely of our times.

Loveland Penguin
Animal Farm is George Orwell's brilliant political satire and allegorical fable about the corrupting effects of power. Published in 1945 it is, to this day, one of the most famous and influential works of fiction ever written. Part of the Macmillan Collector's

Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition features an introduction by journalist and writer Jason Cowley. When the old Major, a highly respected white boar, gathers his fellow farm animals to preach about freedom, rebellion and the evils of man, he incites a revolution that has been brewing for years. The animals drive

out their drunken farmer, Mr Jones and create their own society which promises equality for all. Two scheming pigs, Napoleon and Snowball, appoint themselves leaders and what begins as a supposedly equalitarian community descends into an increasingly violent and hierarchical society permeated by lies and corruption.

Project Animal Farm: An Accidental Journey into the Secret World of Farming and the Truth About Our Food Birlinn Ltd

The Citadel It stands unconquered, the last great summit of the Alps. Only one man has ever dared to approach the top, and that man died in his pursuit. He was Josef Matt, Rudi Matt's father. At sixteen, Rudi is determined to pay tribute to the man he never knew, and complete the quest that claimed his father's life. And so, taking his father's red shirt as a flag, he heads off to face the earth's most challenging peak. But before Rudi can reach the top, he must pass

through the forbidden Fortress, the gaping chasm in the high reaches of the Citadel where his father met his end. Rudi has followed Josef's footsteps as far as they will take him. Now he must search deep within himself to find the strength for the final ascent to the summit -- to plant his banner in the sky. His father died while trying to climb Switzerland's greatest mountain -- the Citadel -- and young Rudi knows he must make the assault himself.

The Ones We've Been Waiting For Biblioasis
 George Orwell's *Animal Farm* is a 1945 book about a group of animals on a farm who organise a revolution, and take over from their human owners to run the farm themselves. Adopting the Seven Commandments of Animalism, the animals are taught to read and write by two young pigs, Snowball, and Napoleon. As time goes on, rivalry between the two develops, which culminates in Snowball being chased away and

Napoleon becoming supreme leader. Growing more authoritarian, Napoleon purges the farm, executing those animals he accuses of siding with Snowball. And as more time progresses, their motto of 'All animals are equal' gets shifted to prioritise only Napoleon and the pigs. An allegory of the Stalinist era of Russia, Orwell shows that true equality can never be, as there will always be those that rise to the top, pushing others down in the process.
Fascism and Democracy

Faber & Faber
 An optimistic look at the future of American leadership by a brilliant young reporter A new generation is stepping up. There are now twenty-six millennials in Congress--a fivefold increase gained in the 2018 midterms alone. They are governing Midwestern cities and college towns, running for city councils, and serving in state legislatures. They are acting urgently on climate change (because they are going to live it); they care deeply about student debt (because

they have it); they are utilizing big tech but still want to regulate it (because they understand how it works). In *The Ones We've Been Waiting For*, TIME correspondent Charlotte Alter defines the class of young leaders who are remaking the nation--how grappling with 9/11 as teens, serving in Iraq and Afghanistan, occupying Wall Street and protesting with Black Lives Matter, and shouldering their way into a financially rigged political system has shaped the people who

will govern the future. Through the experiences of millennial leaders--from progressive firebrand Alexandria Ocasio-Cortez to Democratic presidential hopeful Pete Buttigieg to Republican up-and-comer Elise Stefanik--Charlotte Alter gives the big-picture look at how this generation governs differently than their elders, and how they may drag us out of our current political despair. Millennials have already revolutionized technology, commerce, and media and have powered the

major social movements of our time. Now government is ripe for disruption. *The Ones We've Been Waiting For* is a hopeful glimpse into a bright new generation of political leaders, and what America might look like when they are in charge. [A Novel](#) SAGE Publications, Incorporated When the downtrodden animals of Manor Farm overthrow their master Mr Jones and take over the farm themselves, they imagine it is the beginning of a life of freedom and equality. But

gradually a cunning, ruthless elite, masterminded by the pigs Napoleon and Snowball, starts to take control. Soon the other animals find themselves hopelessly ensnared as one form of tyranny is replaced with another . . .

Runner-up for the 2016

New England Book Festival Award Finalist for the 2015 Chautauqua Prize (longlist) Sonia Faruqi, an Ivy League graduate and investment banker, had no idea that the night she arrived at the doorstep of a dairy farm would mark the beginning of a journey that would ultimately wind all the way around the world. Instead of turning away from the animal cruelty she came to witness, Sonia made the most courageous decision of her life: a commitment to change

things. Driven by impulsive will and searing passion, Sonia left behind everything she knew and loved to search the planet for solutions to benefit animals, human health, and the environment. Over the course of living with farmers, hitchhiking with strangers, and risking her life, she developed surprising insights and solutions—both about the food industry and herself. Lively and heartfelt, Sonia takes readers on an unforgettable adventure from top-secret egg warehouses in Canada to

dairy feedlots in the United States, from farm offices in Mexico to lush pastures in Belize, from flocks of village chickens in Indonesia to factory farms in Malaysia. Revelatory in scope, Project Animal Farm illuminates a hidden world that plays a part in all of our lives.

Animal Farm Penguin Classics
 A Gathering of Old MenVintage
Animal Farm Flame Tree Collections
 2021 Facsimile of the 1945 Edition. This is now

considered a classic Satire on dictatorship and one of Orwell's most enduring short novels. Fueled by Orwell's intense disillusionment with Soviet Communism, *Animal Farm* is a nearly perfect piece of writing, both an engaging story and an allegory that actually works. When the downtrodden beasts of Manor Farm oust their drunken human master and take over management of the land, all are awash in collectivist zeal. The future, however, is far

from certain as the drama plays out in actual events. A cautionary tale. Reviews "Animal Farm remains our great satire on the darker face of modern history."- Malcolm Bradbury "As lucid as glass and quite as sharp...[Animal Farm] has the double meaning, the sharp edge, and the lucidity of Swift."-Atlantic Monthly "A wise, compassionate, and illuminating fable for our times."-The New York Times "Orwell has worked out his theme with a simplicity, a wit, and a dryness that are close to

La Fontaine and Gay, and has written in a prose so plain and spare, so admirably proportioned to his purpose, that Animal Farm even seems very creditable if we compare it with Voltaire and Swift."-Edmund Wilson, The New Yorker "Orwell's satire here is amply broad, cleverly conceived, and delightfully written."-San Francisco Chronicle "The book for everyone and Everyman, its brightness undimmed."-Ruth Rendell
[Legends in Exile](#) Infobase Publishing

When a savage creature known only as the Adversary conquered the fabled lands of legends and fairy tales, all of the infamous inhabitants of folklore were forced into exile. Disguised among the normal citizens of modern-day New York, these magical characters have created their own peaceful and secret society within an exclusive luxury apartment building called Fabletown. But when Snow White's party-girl sister, Rose Red, is apparently murdered, it is

up to Fabletown's sheriff, a reformed and pardoned Big Bad Wolf, to determine if the killer is Bluebeard, Rose's ex-lover and notorious wife killer, or Jack, her current live-in boyfriend and former beanstalk-climber.

All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould. *A Fairy Story* Oxford

University Press
The Ethiopian People's Revolutionary Democratic Front (EPRDF) came to power after winning an impressive military victory over the army dictatorship of Mengistu's DERG just a decade ago. This volume is the outcome of an intensive monitoring, based on empirical research over the intervening years in various parts of Ethiopia, of the growing gap between the new regime's democratic intentions and the very different outcome. Focusing in

particular on the elections held in 2000 and 2001 but also providing a more wide-ranging presentation of issues and context, the contributors focus on various aspects, including gender dimensions, urban and rural contrasts, class and caste conflict, and environmental factors.

George Orwell Visions of Dystopia

Simon and Schuster
"Shooting an Elephant and Other Essays" is a collection of 23 essays by George Orwell. Eric Arthur Blair (25 June 1903 – 21 January 1950), known by

his pen name George Orwell, was an English novelist, essayist, journalist and critic. His work is characterised by lucid prose, biting social criticism, opposition to totalitarianism, and outspoken support of democratic socialism. Included in this collection:
- Why I Write - The Spike - A Hanging - Shooting an Elephant - Bookshop Memories - Charles Dickens - Boys' Weeklies - My Country Right or Left - Looking Back on the Spanish War - In Defence of English Cooking - Good

Bad Books - The Sporting Spirit - Nonsense Poetry - The Prevention of Literature - Books v. Cigarettes - Decline of the English Murder - Some Thoughts on the Common Toad - Confessions of a Book Reviewer - Politics v. Literature: An Examination of Gulliver's Travels - How the Poor Die - Such, Such Were the Joys - Reflections on Gandhi - Politics and the English Language

Animal Farm : and Related Readings Simon and Schuster
Orwell is most well-known

for his two famous books Nineteen Eighty Four and Animal Farm, but their dystopian vision was informed by observations of poverty in England (Down and Out in Paris' and London and Road to Wigan Pier), and disillusion with political and national events of the 1930s and 1940s. Homage to Catalonia chronicled his experience of the Spanish Civil War and formulated his revulsion against totalitarianism, highlighted in his subsequent novels. The

new collection (with Professor Richard Bradford's new introduction, and a foreword by Whitbread Prize winner D.J. Taylor) brings together his celebrated novels and seminal non-fiction, with work that influenced him by Jack London, who also explored poverty and totalitarian in The Iron Heel (fiction) The People of the Abyss (non-fiction), and the Russian dissident Yevgeny Zamyatin whose own work We (1921) offers a strong warning about a dystopian police

state. A new addition to the Flame Tree deluxe Gothic Fantasy series on classic and modern writers, exploring origins and cultural themes in myth, fable and speculative fiction. The Flame Tree Gothic Fantasy, Classic Stories and Epic Tales collections bring together the entire range of myth, folklore and modern short fiction. Highlighting the roots of suspense, supernatural, science fiction and mystery stories, the books in Flame Tree Collections series are beautifully

presented, perfect as a gift and offer a lifetime of reading pleasure. [Our Animal Friends at Maple Hill Farm](#) Houghton Mifflin Harcourt THE JURA EDITION with new introduction by Alex Massie 'For him, Jura was home' - Richard Blair on his father George Orwell 'The book of the twentieth century . . . haunts us with an ever-darker relevance' - Ben Pimlott, Independent 'The greatest British novel to have been written since the war' - Time Out 'His final masterpiece . . .

enthraling and indispensable for understanding modern history' - New York Review of Books The year is 1984 and war and revolution have left the world unrecognisable. Great Britain, now known as Airstrip One, is ruled by the Party, led by Big Brother. Mass surveillance is everything and The Thought Police are employed to ensure that no individual thinking is allowed. Winston Smith works at The Ministry of Truth, carefully rewriting history, but he dreams of

freedom and of rebellion. It is here that he meets and falls in love with Julia. They start a secret, forbidden affair - but nothing can be kept secret, and they are forced to face consequences more terrifying than either of them could have ever imagined. In this new edition of a modern classic, Alex Massie's

introduction highlights the importance that Jura had on the writing of one of the twentieth century's most important works of fiction.

George Orwell Large Print Press

A powerful depiction of racial tensions arising over the death of a Cajun farmer at the hands of a black man--set on a Louisiana sugarcane

plantation in the 1970s. The Village Voice called *A Gathering of Old Men* "the best-written novel on Southern race relations in over a decade."

As You Were Turtleback A textbook reader for young adults features George Orwell's "Animal Farm," plus short stories, poems, and essays designed to build reading comprehension.
