## OCONNOR SANAI

---

The Secret Life of Bees Houghton Mifflin Harcourt

A photograph of a missing girl on a milk carton leads Janie on a search for her real identity.

The Face on the Milk Carton Penguin

After injuring his hand, a silversmith's apprentice in Boston becomes a messenger for the Sons of Liberty in the days before the American Revolution.

Emotions of Self-assessment GENERAL PRESS

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

The Day They Came to Arrest the Book Houghton Mifflin Harcourt  
Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times  
In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the

wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.  
The Contender Macmillan

In 1687 in Connecticut, Kit Tyler, feeling out of place in the Puritan household of her aunt, befriends an old woman considered a witch by the community and suddenly finds herself standing trial for witchcraft.  
The True Confessions of Charlotte Doyle Houghton Mifflin Harcourt

Who would have believed that The Adventure of Huckleberry Finn

could cause the worst crisis in the history of George Mason High School? Certainly not Barney Roth, editor of the school paper. But when a small but vocal group of students and parents decide that the book is racist, sexist, and immoral—and should be removed from reading lists and the school library—Barney takes matters into his own hands. When the Huck Finn issue comes up for a hearing, Barney decides to print his story about previous censorship efforts at school. He's sure that investigative reporting and publicity can help the cause. But is he too late to turn the tide of censorship?

**The Giver** Random House Digital, Inc.

Originally published in hardcover in 1972, A Day No Pigs Would Die was one of the first young adult books, along with titles like The Outsiders and The Chocolate War. In it, author Robert Newton Peck weaves a story of a Vermont boyhood that is part fiction, part memoir. The result is a moving coming-of-age story that still resonates with teens today.

Algebra 1 Chapter 12 Resource Masters Random House

The first and most terrifying monster in English literature, from the great early epic Beowulf, tells his own side of the story in this frequently banned book. This classic and much lauded retelling of Beowulf follows the monster Grendel as he learns about humans and fights the war at the center of the Anglo Saxon classic epic. This is the book William Gass called "one of the finest of our contemporary fictions."

Things Fall Apart Delta

In a small village in medieval England, a young homeless girl acquires a home and a new career when she becomes the apprentice to a sharp-tempered midwife.

The Study Guide for Developing Person Through the Life Span  
Createspace Independent Pub

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third

child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

*The Midwife's Apprentice* Laurel Leaf

Offers a look at a migrant family, detailing their daily life and the struggles they endured to build an existence on the small opportunities they were given

**Little Dorrit** Macmillan

Language is a sophisticated tool which we use to communicate in a multitude of ways. Updated and expanded in its second edition, this book introduces language and linguistics - presenting language in all its amazing complexity while systematically guiding you through the basics. The reader will emerge with an appreciation of the diversity of the world's languages, as well as a deeper understanding of the structure of human language, the ways it is used, and its broader social and cultural context. Part I is devoted to the nuts and bolts of language study - speech sounds, sound patterns, sentence structure, and meaning - and includes chapters dedicated to the functional aspects of language: discourse, prosody, pragmatics, and language contact. The fourteen language profiles included in Part II reveal the world's linguistic variety while expanding on the similarities and differences between languages. Using knowledge gained from Part I, the reader can explore how language functions when speakers use it in daily interaction. With a step-by-step approach that is reinforced with well-chosen illustrations, case studies, and study questions, readers will gain understanding and analytical skills that will only enrich their ongoing study of language and linguistics.

Exploring Psychology Study Guide Simon and Schuster

The Education of Little Tree tells of a boy orphaned very young, who is adopted by his Cherokee grandmother and half-Cherokee grandfather in the Appalachian mountains of Tennessee during the Great Depression. "Little Tree" as his grandparents call him is shown how to hunt and survive in the mountains, to respect nature in the Cherokee Way, taking only what is needed, leaving the rest for nature to run its course. Little Tree also learns the often callous ways of white businessmen and tax collectors, and how Granpa, in hilarious vignettes, scares them away from his illegal attempts to enter the cash economy. Granma teaches Little Tree the joys of reading and education. But when Little Tree is taken away by whites for schooling, we learn of the cruelty meted out to Indian children in an attempt to assimilate them and of Little Tree's perception of the Anglo world and how it differs from the Cherokee Way. A classic of its era, and an enduring book for all ages, The Education of Little Tree has now been redesigned for this twenty-fifth anniversary edition.

*Inter-Racial Love* Laurel Leaf

A love story in poetry, about a couple whose love challenged the cultural beliefs they grew up with. Showing the trials of relationships that go against the norms of social convention, and demonstrating the beauty of true love.

Rain of Gold Into the Wild

In Rain of Gold, Victor Villasenor weaves the parallel stories of two families and two countries...bringing us the timeless romance between the volatile bootlegger who would become his father and the beautiful Lupe, his mother—men and women in whose lives the real and the fantastical exist side by side...and in whose hearts the spirit to survive is fueled by a family's unconditional love.

Educated Simon and Schuster

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and

Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

*A Long Way Gone* Yearling Books

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

**A Long Walk to Water** Macmillan

This study guide for David Myers' best-selling text for introductory psychology courses is compelling and concise with a global perspective on psychology. This edition has been thoroughly updated, and includes new features and a media supplements package.

*Summer of My German Soldier* Penguin

This seventh edition comes with a significant revision of cognitive development through childhood, revised and updated chapters on adolescence, and more attention to emerging and early adulthood.

**Study Guide for Psychology in Everyday Life** Houghton Mifflin Harcourt

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.
