Examine American history through the lens of contested equality REVEL for "Created Equal: A History of the United States" frames the American experience as the stories of various groups of men and women, all created equal in their common humanity, claiming an American identity for themselves. Presenting a rich historical analysis in a chronological framework, the authors challenge students to think critically about the ongoing struggles over equal rights and the shifting boundaries of inclusion and acceptance that have characterized American history. Updated with the latest data and statistics, REVEL for the Fifth Edition covers contemporary issues of inclusion such as marriage equality and the reopening of diplomatic

relations with Cuba. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience for less than the cost of a traditional textbook. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL. "

Created Equal Oxford University Press Explores American History through the theme of equality. With its inclusive view of American history, **Created Equal, Brief Edition** emphasizes social history-including the lives, labors, and legacies of women, immigrants, working people, and minorities in all regions of the country-while delivering the fundamental elements of political and economic history. In the new edition of **Created Equal**, the authors have preserved the chronological framework and strong narrative thread, the engaging and illuminating stories of everyday people and events, and the **Interpreting History** features of the previous edition, but have sharpened the presentation, prose, and pedagogy by incorporating additional examples and end of chapter review material. **Revel for Created Equal** Pearson This package contains the following components: -0205728898: **Created Equal: A History of the**

United States, Brief Edition, Volume 2 -0136060226: MyHistoryLab with Pearson eText -- for US History, 2-semester *Created Equal* Pearson Why should Americans who are not gay care about gay rights? In *Created Equal*, Michael Nava and Robert Dawidoff argue that the movement for gay equality is central to the continuing defense of individual liberty in America. Beginning with an examination of the determined assault on gay issues by the religious right, the authors show how this sectarian movement to legislate private religious morality into law undermines the purpose of American constitutional government: the protection of the individual's right to determine how best to live his or her life. The book starts from the premise that gay men and lesbians are, first and foremost, American citizens, and then looks to what rights belong to every individual American citizen, arguing from the Declaration of Independence and the Constitution. Addressing their argument to the great majority of their fellow Americans,

Dawidoff and Nava emphasize that what is at stake is not the fate of the gay community, but the future of constitutional principle and the rights of free individuals in American society. *Created Equal* Pearson Managing Human Resources prepares all future managers with a business understanding of human resource management skills. The non-functional HR approach used in this text also makes human resources relevant to anyone who has to deal with HR issues, even those who do not hold the title of manager. This new edition of the complete transcripts of the debates and eyewitness interpretations of them (previously published under the title *Created Equal*?) includes a new Foreword by David Zarefsky. Zarefsky analyzes the rhetoric of the speeches, showing how Lincoln and Douglas chose their arguments and initiated a debate that shook the nation. Their eloquent, statesmanlike discussion of the morality of slavery illustrates the masterful use of rhetorical strategies and tactics in the public forum: a form of discourse that has nearly disappeared from the political scene today. *Created Equal* Pearson College Division Re-examines American History through the theme of contested equality Taking an inclusive view of American history, *Created Equal* emphasizes the struggles for equality experienced by diverse groups of Americans across the many regions of the nation.
